The Teachings of the Compassionate Buddha Anonymous,1955-05-01 *The Roots that Clutch* Thomas Esposito,2018-03-14 Would Eve object to the presentation of her original sin in Genesis 3 Could Alexander Graham Bell possibly have foreseen the enslaving power of his great invention the phone over human beings today In *The Roots that Clutch* Thomas Esposito poses such questions directly by means of letters addressed to a host of deceased historical persons and literary characters Esposito employs an eclectic blend of humor and honest curiosity in sharing insights with figures as diverse as the Greek goddess Nike Saint Benedict the holy city of Jerusalem and Martin Luther King Jr With each letter the Cistercian monk and Catholic priest digs with the spade of his pen to unearth a dialogue on the roots or origins of realities such as sin anger prayer monasticism and his own family tree among many others Undergirding every letter is an invitation to discern the seeds of the Logos the Word made flesh planted in the soil of human thought and history By examining these particular roots of the human condition the author aims at cultivating fruitful meditations on the mysteries of God at work in every heart Reflections of Buddhist Philosophy in Ćingiz Ajtmatov's Literary Works Sang-Guk Suh,1992 Parabola ,1990 **Asian Studies Newsletter** ,1990 **Critical Review of Books in Religion** ,1990 **The Straight Path of the Spirit** Richard Katz,1999-04 The inspiring story of one man s exploration of indigenous healing in a culture fighting to preserve its spiritual health A firsthand account of a little known healing tradition A dramatic story of self transformation by a well respected Harvard educated anthropologist In the late 1970s Richard Katz a clinical psychologist trained in anthropology spent two years living in a remote island community in Fiji hoping to record the practices of its healers At the foundation of their healing he discovered was the concept of the straight path a journey through life whose truth is revealed only to the extent that it is searched for with honesty and faith It is a way of healing that in its very essence is a way of living a path that emphasizes the spiritual dimensions of health and the relevance of these to the community But while interviewing healers at work Katz was drawn into an increasingly suspenseful drama Unexplained deaths rumors and suspicions and the intrusion of a zealous evangelist rocked the village and soon revealed to the author the dangerous alternative to the straight path the misuse of power that some call witchcraft *The Straight Path of the Spirit* is an engrossing story of indigenous healers and a dramatic account of cultures in collision Through the story of his own self transformation Katz reveals not only those aspects of life essential for the Fijians as they struggle to hold onto their identity but also what is of importance to all of us who seek to retain our humanity *Arc* ,1999 A Path of Righteousness David J. Kalupahana,1986 The Straight Path Richard Katz,1993-09-20 Anthropologist clincial psychologist Katz spent two years on a remote Fijian island in his search for the moral psychological and spiritual wisdom known as the Straight Path an ancient healing tradition with tremendous relevance for health and psychology in the West Photos
