Teachings And Parables Of The Gospels Through The:

The Parables of Jesus His way of Preaching and Teaching the Good News Deacon Denny Burkett, 2025-03-25 The about the book information is not available at this time *The Method and Message of Jesus' Teachings* Robert H. Stein, 1994-01-01 This useful and practical book provides the college student seminarian church study group and interested lay person with a much needed introductory guide on the how method and the what message of Jesus teachings In this revised edition Robert Stein updates his classic work adds a new bibliography and introduces use of the New Revised Standard Version of the Bible bringing this important text to a new generation of students *The Parables of Jesus* Arland J. Hultgren, 2000-06-22 Outlines the parables of Jesus and discusses how each of the parables can be taught and preached *An Introduction to the Parables of Jesus* Robert H. Stein, 1981-01-01 A clear and thorough introduction to the best known of Jesus teachings this much needed text examines what parables are why Jesus taught in parables and the purpose and place of parables in the Gospel narratives Invaluable for the beginning seminary or college students and for church study groups this enlightening work reveals the meaning of the parables when they were first given their meaning for the Gospel writers and their meaning for us today *The Parables* Brad H. Young, 2008-03-01 Fully one third of Jesus words in the Synoptic Gospels occur in parables It could be said that knowing the parables is essential for understanding the person of Christ In this work Brad Young displays his unique perspective as a scholar steeped in both Jewish and Christian studies While parables have timeless messages reinterpretations in new contexts throughout the centuries have distorted the original meanings and undermined the essence of what Jesus intended for his initial listeners Young examines the parables that best illustrate the parallels between the rabbinic and Gospel parables He challenges readers to remember that first century Judaism was not merely the backdrop for Jesus teachings but the very stage from which Jesus delivered the message of the kingdom Jesus ethics and theology can be properly understood only in the light of first century Jewish teachings Young focuses on the historical development and theological significance of parables in both traditions and examines five theological subjects that are dealt with in parables prayer grace reconciliation calling and sovereignty *Christology and Discipleship in the Gospel of Mark* Suzanne Watts Henderson, 2006-03-23 An exploration of discipleship in Mark s gospel relating to Jesus own mission and purpose *The Puzzle of the Gospels* Peter Vardy, Mary E. Mills, 2015-02-24 First Published in 2015 The gospels tell a story There are many types of story ranging from fiction through biographies to attempts at historical accounts Even so called true stories will be affected by the perception of the writer It is impossible to present any book without taking the viewpoint of the author into account which is one reason why this book will be devoting considerable time to understanding the purpose and intention of the individual gospel writers Matthew Mark Luke and John present different accounts of the life and death of Jesus of Nazareth as one might expect from four people who although they use some common material nevertheless present this material in distinctive ways This book will be concerned with helping

you the reader to understand the gospel stories and how they came to be written to bring to light the implicit references that were being made of which modern readers may be unaware and also to consider the issue of the truth of the stories **The**

Gospels and Christian Life in History and Practice Richard Valantasis, Douglas K. Bley, Dennis C. Haugh, 2009-07-16

The Gospels And Christian Life reads the four canonical Gospels as handbooks for religious formation through communal practices The book focuses on the communities that produced each gospel the dynamic energy each gospel displays for creating and sustaining community life the different interpretations of the person of Jesus and the different systems of organization and leadership each gospel promulgated The authors carefully describe the social context of each Gospel and delineate the practices the texts prescribe Each gospel has an imaginative portal an introductory chapter introducing the necessary background for understanding the social intellectual and religious setting for each gospel Their reading of each Gospel builds on these foundations to illustrate the nature and scope of the community's practices Their work starts from the assumption that the communities did not look to the Gospels for biographical data on the life of Jesus to offer the reader a powerful reading of each Gospel community its unique practices and the way people were trained to become members of it This book is aimed at undergraduate and graduate teachers and students pastors and the general audience eager for new ways to understand the New Testament **The Parables for Today** Alyce M. McKenzie, 2007-04-02

This book in the popular For Today series introduces the reader to the main parables of Jesus in an engaging and accessible way Professor author and preacher Alyce McKenzie makes the familiar parables come alive with new meaning using the best of biblical scholarship to provide an easy entrance to this major form of Jesus teachings With questions for discussion at the end of each chapter this book is ideal for personal and group study The For Today series was designed to provide reliable and accessible resources for the study and real life application of important biblical texts theological documents and Christian practices The emphasis of the series is not only on the realization and appreciation of what these subjects have meant in the past but also on their value in the present for today Thought provoking questions are included at the end of each chapter making the books ideal for personal study and group use **The True Gospel of Jesus: Revisiting the Foundations of the Good**

News Sofia Bullock, 2025-04-23 The True Gospel of Jesus Revisiting the Foundations of the Good News What did Jesus truly come to preach For centuries interpretations and dogma have layered themselves over the original message leaving many questioning the heart of the Gospel This book invites you on a journey back to the source to the radical counter cultural teachings of Jesus himself Stripping away tradition and preconceived notions this exploration dives into the historical and social context of Jesus ministry revealing the revolutionary nature of his message for the people of his time It challenges long held beliefs and calls for a fresh understanding of concepts like the Kingdom of God salvation and love Through careful examination of scripture and insightful analysis this book uncovers the simple yet profound truth at the core of Jesus teachings a truth that has the power to transform lives and inspire authentic faith This is not just an intellectual exercise it is

a call to action It s about recapturing the spirit of Jesus mission and embracing the radical call to love justice and compassion that lies at the heart of the Christian faith
