Tears of a Despaired Heart Stanley Joseph,2009-03-17 Delve into an emotionally heady stream of poetic storytelling as Stanley Joseph fans out his extensive life experience in a vivid collection that melts together love longing and desire for an egalitarian society into one heart piercing blend Like fine chocolate dissolving in the mouth Stanley Josephs lyrical expressions of love and inspiration leave behind a tingling sensation with poems rendering the heart a house brimming with inspiration in It Is True yet contradicting himself when he protests that love is often full of unnecessary pain in Survivor of Love Notwithstanding he shows his strong capacity for affection in Will You Love Me Once Again defying rejection with the heart fluttering declaration If I change all seasons into fall If I make you my only golden flower The one which embellishes my spring If I make you the only dream of my nights The fantasy of my days the journey of my life Will you love me once again Coming from an immigrant background Joseph displays a heightened sensitivity to the happenings around him enabling him to comment commandingly on discrimination and poverty while still maintaining poetic cadence as he remarks In Heaven Are there people starving Stepping on each other I would like to know better to inevitably conclude Oh what a life Its only beautiful for some Meanwhile he unhappily comments that racism is a self decision of a modern day caveman and that he walks in a cutthroat world a furious jungle full of lions Oozing with feeling fused into weeping lines of lament or ripe words of inspiration Stanley Josephs poetic musings of a despaired heart debuts dramatically into the genre with his unique poetic brand

From the Heart Jeffrey L. Kosky,2025-02-25 What does it mean to have a heart How does it feel when a heart fails

and what does it take to recover In a world beset by never ending crises personal and collective local and global is heartlessness the only option From the Heart weaves together a personal narrative of a life threatening ailment with considerations of philosophy art and science to contemplate ultimate questions matters of life and death Jeffrey L Kosky recounts his brush with death the surgical repair of a congenital defect in his aortic valve his gradual recovery of everyday life and his struggle to find the heart to go on throughout it all To make sense of the experience he immerses himself in humanistic inquiry and medical science the histories of medicine cardiac surgery and knowledge of the human heart as well as the works of artists writers philosophers and theologians Writing about the experience of being human from the precarious position of his own woundedness Kosky shares hard earned perspectives on what matters most Combining moving memoir encounters with major authors and artists and heartfelt reflections on the big questions of existence this elegantly written book is at once erudite and powerful It shows us why the heart in physical emotional and metaphorical senses helps us come to terms with sickness and health dying and living The Medieval Heart Heather Webb,2010-01-01 Heather Webb studies medieval notions of the heart to explore the lost circulations of an era when individual lives and bodies were defined by their extensions into the world rather than as self perpetuating self limited entities Drawing from the works of Dante Catherine of Siena Boccaccio Aquinas and Cavalcanti and other literary philosophic and scientific texts she reveals medieval answers to such fundamental questions as Where is life located What does it consist of Where does it begin And how does it end Against the modern idea of the isolated self the medieval heart provides a model for rethinking the body s relationship to the world it inhabits **The Four Seasons of the Heart** Cynthia J. Morton,2016-08-08 Within this quartet of books that I have titled The Four Seasons of The Heart I will share the deepest pivotal parts of my journey as a recovering alcoholic addict and survivor of childhood abuse with you One day at a time I have lived clean and sober consistently since 1995 However allowing myself to emotionally grow by not just giving but also receiving love and to genuinely feel deserving of my life s hard earned rewards has presented many challenges Please allow me as we journey through these pages together to suggest ways that we can heal our heart dust off our doubt intercept self sabotage and invest in self respect From My Heart To Yours Anya Robinson,2010-08-11 Andrea Anya Robinson has finally surrendered to the demands of her family friends and fellow authors to publish her first book From My Heart to Yours Anya is a prolific writer and motivational speaker whose words capture the heart and listening ears of her audiences as she takes us on her road so traveled in her quest to find self Now she is taking it a step further by empowering others with not only the spoken word but the written word in a clear and more visible way Her words will energize the energy deficient motivate the unmotivated and ignite those whose flames were extinguished from adversities and temporary setbacks in their lives Anya s writings will restore faith hope and dreams as you turn the pages of From My Heart to Yours Anya s life experiences formed the foundation for the vision of a motivational message that was buried deep within her which became a book When her vision became clear the concept for

her book *From My Heart to Yours* was conceived and during the formulating and growing process it became a healing session for her As you read each message you will feel a sense of newness peeling away layers as you become renewed You may even discover that you have experienced the same feelings in your life but there were no words to describe it This book speaks to people whose life has been turned upside down or at a place you never thought you would be the crossroad of life waiting for the signal to move on Each of the writings have been residing deep within her Spirit as she shares them with us she emerges as a light in dark places Her book is an expression of a woman who has waited a lifetime to unveil the gifts that God has so graciously deposited in her Congratulations and thanks for sharing Pastor MacArthur O Little's Author of *Jesus is Da Balm*

Heart Conditions Vanda Millien, 2000-09 For many years I have received requests at my seminars and workshops for a book containing the teachings I have been so privileged to deliver over the last fifteen years As I do with all situations I asked for a sign that this proposed book was in accordance with Divine Will and would manifest at the appropriate time Just one week later at the end of a meeting a lady who is also an author suggested the teachings be put in book form Hence *Heart Conditions* was born Everyone has a heart condition whether spiritual physical or both This book will help you to recognize your heart condition and consequently to change it by shifting your spiritual and physical chemistry through forgiveness compassion and love The teachings are simple stories taken from the experiences and heartbreaks in my life suggesting how we can collectively transmute our life experiences into personal mastery It is time for us all to leave behind the repressive conditioning and opinions of society and change our own heart conditions by allowing forgiving and loving This collection of stories will help you to be courageous enough to take responsibility for who you are and to live your own truth triumphantly
