Tears Tragedy And Triumph The Emotional Impact Of Miscarriage:

Tears Tragedy and Triumph Millie Hutton, Mandy Sullivan, 2004-04 Mandy Sullivan was a woman with a goal and a dream. Passing her on the street she wouldn't strike you as someone who had experienced such trauma in her life that it drove her to the brink of suicide. Nor would she appear to be fighting to hold onto her sanity. Yet this was part of who Mandy was. What caused all of this devastation in this young woman's life? How could it be that her dream of having a child seemed so unattainable? Through endless miscarriages, a barrage of cold and clinical testing and horrific nightmares, her faith was tested beyond all human comprehension as she pursued her dream.

Surviving Miscarriage Stacey

McLaughlin, 2005. My intent in writing this guide is to give others like you the benefit of my own experience and to make sure that the pain is not compounded by uncertainty, unawareness, ignorance, or lack of information. Yes, this is a tragic event, one that none of us would wish on our worst enemies. Yet if anything can help make it a little better, it is the certainty of knowing exactly what we are going through, the knowledge of what to expect, and the tools to teach us how to cope. For those who have suffered a heartbreaking miscarriage, *Surviving Miscarriage* helps you find the compassionate support you so desperately need. Florida psychologist Stacey McLaughlin survived two miscarriages in one year and thankfully discovered the powerful secret to lasting inner healing. McLaughlin addresses the variety of emotions a woman experiences after a miscarriage and focuses on how to mend your soul. With her unique and simple thirty-day plan, you'll be gently guided through meaningful steps to help you banish undeserved shame, embrace comforting emotional recovery, and move forward with confident hope for your future.

We Lost Our Baby Siobhan O'Neill-White, David White, 2007-04-01. *We Lost Our Baby* is the true story of a young couple who, after the initial excitement of discovering a new pregnancy, faced the heartache of losing their baby. On top of the trauma of a miscarriage, they also had to deal with insensitive and sometimes rude doctors and nurses, outdated hospital policies, and a shocking lack of empathy and understanding during the worst times of this tragedy. Angry and confused, they went looking for answers. They found none. There were no books to help them with the emotional upheaval they were going through. There were no explanations from the hospital as to why they had lost their baby, and the counselling on offer was largely ineffective. What followed was an awkward few months where they could not grieve together, and their relationship was severely strained. It was not just their relationship with each other that was affected; family and friends who did not know how to deal with the situation also became isolated from them. Realising that communication was the key to getting through this sorrowful time, they finally started talking and found a way to get their relationship back on track. They also found that if they spoke honestly and openly to family and friends, they could get those relationships back as well. Knowing that other couples who have lost a baby would be going through similar difficulties, they decided to write down their

experience in an effort to help them Their beautifully written and poignant story dealing with an issue that is too rarely acknowledged and discussed openly is one of complete and heart rending honesty **To Full Term** Darci Klein,2007-06-05 A powerful and empowering memoir of a woman s fight to bring her fifth pregnancy to full term after years of heartbreak and horrific loss To Full Term is the gripping memoir of Darci Klein s pregnancy with her son Sam and the story of one woman s struggle to give her baby a fighting chance From refusing to accept outmoded obstetric guidelines to going head to head with stubborn medical professionals to overcoming her own paralyzing fears Darci faced each challenge to achieve her goal What she learned on her journey about defending her own reproductive health and coping with the emotional strain of high risk pregnancy will empower any woman who wants to do all she can to have a full term healthy baby Run to You Sarah Siu,2008-02 What if it happens to you How will you respond Some respond with little regard others are devastated Where there are multiple miscarriages one can t help but wonder how to cope Whatever shred of faith that remains is tested Suddenly this suffering brings you to a crossroad Will I run to God or turn away In a world where newly expectant parents anxiously keep quiet and answers aren t available Sarah Siu awakens trust and encourages a heightened awareness of where to turn in times of uncertainty Run to You responds to questions like Why am I crying Did God let this happen How can I make sense of suffering How can I try again What happens to this baby Run to You offers a powerful testimony biblical answers guidance and an opportunity to find healing in God s promises **Empty Arms** Pamela W. fathers who keep silent about their hurt make this form of child loss especially cruel But in *Silent Grief* author Clara Hinton brings a clear message of hope through the cold mourning Writing of her own grief and interviewing scores of women and men she offers not pat answers but instead show us this You are not alone Additionally the author touches the tears of other forms of child loss stillbirth missing children and adult children who succumb to accident or illness The moving honest responses to these interviews tells the reader that through the tears and rage and awful silence God still loves us and knows our children intimately King David knew this He knew that one day he would reunited with his child

A Silent Sorrow Ingrid Kohn,Perry-Lynn Moffitt,Isabelle A. Wilkins,1993 Currently one in three pregnancies ends in loss of the fetus Now comes an essential guide as well as a beacon of hope for those who suffer the physical and emotional impact of miscarriage stillbirth and newborn death by the founders of the Mt Sinai Medical Center Pregnancy Support Group

Inheritance of Tears: Trusting the Lord of Life When Death Visits the Womb Jessalyn Hutto,2015-02-18 When a woman becomes pregnant miscarriage is usually the furthest thing from her mind Her time is spent dreaming of the day she will finally cradle her newborn baby in her arms Such was the case for Jessalyn Hutto when she became pregnant with her first baby But as is all too common in our post fall world the precious life she carried came to an abrupt end before those dreams ever became a reality Death had visited her womb and the horrors of miscarriage had become a part of her life s story Ultimately she would lose two precious children in the womb one at 6 weeks gestation and another at 15 weeks Through these painful losses a whole new world of suffering opened up to her It seemed as though no matter where she looked there were women quietly mourning the loss of their unborn children What she had once assumed to be a rare occurrence was now revealed to be an

extremely common experience among women Yet this particular type of loss is one that has been grossly overlooked by the church Jessalyn found that as couples seek to navigate the unique difficulties inherent in losing a child they are often left with little biblical counsel to draw upon More often than not well meaning friends and family seek to alleviate their sorrow by offering encouragement in the form of empty platitudes and Christian cliches But what these couples truly need is the hope of the gospel This is what led Jessalyn Hutto to write *Inheritance of Tears* In this short book Hutto seeks to deal honestly and sensitively with the issue of miscarriage and reveal how it relates to the Word of God She does so by answering questions like Why do babies have to die in the womb Do miscarriages take God by surprise Does God care about your pain How can any good come from something so terrible How can I find joy in the midst of such intense sorrow By providing a biblical context for miscarriage she beckons mourning mothers and fathers to walk triumphantly through the valley of the shadow of death by fixing their eyes upon their loving Savior who will one day do away with death and sorrow forever Short sensitive and theologically robust *Inheritance of Tears* is a book that every pastor and church member can confidently share with those who are called to walk through the painful trial of miscarriage and in reading the book themselves they will gain greater insight into how to effectively minister to these parents in their time of need **Miscarriage Mom** Kristy Parisi, 2015-12-30

Miscarriage Mom is a must read for anyone who has lost a child through miscarriage Having experienced six miscarriages author Kristy Parisi understands the pain and grief of losing an unborn child Packed with compelling personal stories and actionable advice *Miscarriage Mom* offers heartfelt insight into the unforeseen realities surrounding miscarriage and suggests ways to cope *Miscarriage Mom* openly addresses the emotions reactions and experiences to be expected after a miscarriage Honoring your unborn baby returning to work and dealing with others reactions are just a few of the many topics addressed With a genuine desire to help Kristy wrote *Miscarriage Mom* for any woman who has suffered the pain and devastation of miscarriage Including a special man to man talk written by Kristy's husband Vincent *Miscarriage Mom* gives readers a clear look into what to expect now that you're not expecting Free to Grieve Maureen Rank, 1985 Healing and encouragement for surviving Miscarriages and stillbirth Surviving Miscarriage Dr. Lisa Phillips-Leece, 2010-11-24

Surviving Miscarriage In the Arms of an Angel is my personal and professional journey through miscarriage It is a touching and sensitive look at one woman's journey my journey I am a qualified doctor of clinical psychology who has travelled into the darkness of a world void of understanding about the real anguish of miscarriage and all my training skills and insights did not ease the pain or simplify my experience The effect on my family is captured in diary notes and albums I miss you Xavier you would sic have bin sic the best brother Love from Lincoln captures the hole left in the lives of existing children siblings of the unborn baby Drawing from my personal experience I invite the reader to meet my unborn babies Emerson Xavier Charlie and Co I share the healing journey that I travelled so that I can survive and comfort other parents in their survival Silent SIDS is a term I coined to capture the societal misconceptions fears and absence of support for families who have lost a baby

Miscarriage is likened to the social silence that often surrounds sudden infant death syndrome SIDS in that a baby has died suddenly and from unknown causes and whose death is surrounded by silence the muteness of family and friends society and the medical profession You will hear my husband himself a medical surgeon referring to our baby s corpse as Interesting pathology museum specimen but not our baby I bring the reader face to face with my story of grief and the isolation that surrounded my miscarriage of Xavier s pregnancy in Hong Kong where English was not the first language a trained English speaking Australian obstetrician was near impossible to find in a private hospital and my husband Tony as well as my own private obstetrician were back home in Australia The ugliness of grief is shared in all its nakedness the plea I want to die to be with Xavier the aimless staring without thought or motivation and the horror of tearing the baby in half will tug at the heartstrings of even the toughest of readers And later an embryo is created in the lab Is that science fiction Or is it a desperate willingness to do anything humanly scientifically and medically possible to have a baby The journey through in vitro fertilisation began and six precious cells were made at the start of life An obsessive drive to fill the cavernous aching void in my heart was IVF Then along came the fear of loving William in case he too left me Miscarriage is the startling outcome of one in four pregnancies Why I interrogated God for answers I demanded to know why a baby is created and given only to be torn away I asked if it is some cruel sick joke The professional audience is also invited to view some of the most up to date grief and loss theories to promote a better understanding of the miscarriage experience My intention is that the professional support of women and their families in this situation will become real and meaningful instead of sterile and insensitive Beautiful ideas about gardens and pastel drawings poems and jewellery are offered to women to help them acknowledge their baby bring their baby to life and keep their memory alive Personal photographs and diary entries are shared with the reader to comfort and validate the experience of miscarriage The exclusive club that no one really wants to join because the joining fee your baby has to die is very expensive and has no perks like other clubs no discounts no Christmas party only shared pain and sadness Occasionally though the club s members offer support and comfort to each other and in that regard it s worth joining if you meet the eligibility criterion The book also provides a special look at how fathers grieve and the difference where women cope by talking and crying and men cope by working and providing practical supp
