Ted Serong:

There to the Bitter End Anne E. Blair, 2001 This is the story of Ted Serong who at the request of the CIA was in charge of the first Australian contingent in Vietnam and remained there until the end of the war Ted Serong Anne E. Blair, 2002 Ted Serong was one of the most original and influential of the Australian Army's planners in the post war period He re established the jungle training centre at Canungra in the 1950s and developed the Australian Army doctrine of counter insurgency warfare Yet the extent of his achievements is little known in the country of his birth This major new biography by Anne Blair explores the fascinating career of the Australian Army's most mysterious commander Tilting at Mekong Windmills Marvin Baker Schaffer, 2011-09-01 Tilting at Mekong Windmills is the true story of four participants in the Vietnam tragedy John Paul Vann a very senior American civilian Philip Ted Serong an Australian Army brigadier who became a CIA agent and two Vietnamese siblings on opposite sides of the struggle All made significant contributions to the war effort but met undeserved fates For the author this is a work of admiration for Vann and Serong Heroes who performed extraordinary service for the American side both made strategic recommendations that might have led to a more favorable outcome The other characters reflect the irony of the times All were tilting at windmills The Last Brahmin Luke A. Nichter, 2020-09-22 The first biography of a man who was at the center of American foreign policy for a generation Few have ever enjoyed the degree of foreign policy influence and versatility that Henry Cabot Lodge Jr did in the postwar era perhaps only George Marshall Henry Kissinger and James Baker Lodge however had the distinction of wielding that influence under presidents of both parties For three decades he was at the center of American foreign policy serving as advisor to five presidents from Dwight Eisenhower to Gerald Ford and as ambassador to the United Nations Vietnam West Germany and the Vatican Lodge's political influence was immense He was the first person in 1943 to see Eisenhower as a potential president he entered Eisenhower in the 1952 New Hampshire primary without the candidate's knowledge crafted his political positions and managed his campaign As UN ambassador in the 1950s Lodge was effectively a second secretary of state In the 1960s he was called twice by John F Kennedy and by Lyndon Johnson to serve in the toughest position in the State Department's portfolio as ambassador to Vietnam In the 1970s he paved the way for permanent American ties with the Holy See Over his career beginning with his arrival in the U S Senate at age thirty four in 1937 when there were just seventeen Republican senators he did more than anyone else to transform the Republican Party from a regional isolationist party into the nation's dominant force in foreign policy a position it held from Eisenhower's time until the twenty first century In this book historian Luke A Nichter gives us a compelling narrative of Lodge's extraordinary and consequential life Lodge was among the last of the well heeled Eastern Establishment Republicans who put duty over partisanship and saw themselves as the hereditary captains of the American state Unlike many who reach his position Lodge took his secrets to the grave including some that revealed here for the first time will force historians to rethink their understanding of America's involvement in the Vietnam War *Tiger*

Vietnam's High Ground J. P. Harris, 2016-09-12 During its struggle for survival from 1954 to 1975 the region known as the Central Highlands was the strategically vital high ground for the South Vietnamese state Successive South Vietnamese governments their American allies and their Communist enemies all realized early on the fundamental importance of this region Paul Harris's new book based on research in American archives and the use of Vietnamese Communist literature on a very large scale examines the struggle for this region from the mid 1950s tracing its evolution from subversion through insurgency and counterinsurgency to the bigger battles of 1965 The rugged mountains high plateaus and dense jungles of the Central Highlands seemed as forbidding to most Vietnamese as it

did to most Americans During 1954 to 1965 the great majority of its inhabitants were not ethnic Vietnamese Ngo Dinh Diem's regime initially supported an American counterinsurgency alliance with the Highlanders only to turn dramatically against it As the war progressed however the Central Highlands became increasingly important It was the area through which most branches of the Ho Chi Minh Trail passed With its rugged jungle clad terrain it also seemed to the North Vietnamese the best place to destroy the elite of South Vietnam's armed forces and to fight initial battles with the Americans For many North Vietnamese however the Central Highlands became a living hell of starvation and disease Even before the arrival of the American 1st Cavalry Division the Communists were generally unable to win the decisive victories they sought in this region Harris's study culminates with an account of the campaign in Pleiku province in October to November a campaign that led to dramatic clashes between the Americans and the North Vietnamese in the Ia Drang valley Harris's analysis overturns many of the accepted accounts about NVA US and ARVN performances

The Battle of Long Tan Peter FitzSimons, 2022-10-26 From the bestselling author of Kokoda and Gallipoli comes the epic story of Australia's deadliest Vietnam War battle 4 31 pm Enemy on left flank Could be serious 5 01 pm Enemy penetrating both flanks and to north and south 5 02 Running short of ammo Require drop through trees It was the afternoon of 18 August 1966 hot humid with grey monsoonal skies D Company 6RAR were four kilometres east of their Nui Dat base on patrol in a rubber plantation not far from the abandoned village of Long Tan A day after their base had suffered a mortar strike they were looking for Viet Cong soldiers Then just when they were least expecting they found them Under withering fire some Diggers perished some were grievously wounded the rest fought on as they remained under sustained attack For hours these men fought for their lives against the enemy onslaught The skies opened and the rain fell as ferocious mortar and automatic fire pinned them down Snipers shot at close quarters from the trees that surrounded them The Aussie Kiwi and Yankee artillery batteries knew it was up to them but outnumbered and running out of ammunition they fired loaded fired as Viet Cong and North Vietnamese Army forces just kept coming And coming Their only hope was if Armoured Personnel Carriers APCs could reach them before they were wiped out The APCs did their best but low cloud and thunderstorms meant air support was stalled A daring helicopter resupply mission was suggested but who would want to fly that The odds against this small force were monumental By far the deadliest battle for Australian forces in Vietnam the Battle of Long Tan has a proud place in the annals of Australian military history and every ANZAC who fought there could hold his head high Peter FitzSimons Australia's greatest storyteller tells the real story of this classic battle He reveals the horror the bravery the wins and the losses that

faced our soldiers He brings to life the personal stories of the men who fought the events leading up to that memorable battle and the long war that followed and the political decisions made in the halls of power that sealed their fates The Battle of Long Tan is an engrossing and powerful history that shows the costs of war never end *Honorable Exit* Thurston Clarke,2020-03-24 A MAIN SELECTION OF THE MILITARY BOOK CLUB A groundbreaking revisionist history of the last days of the Vietnam War that reveals the acts of American heroism that saved more than one hundred thousand South Vietnamese from communist revenge In 1973 U S participation in the Vietnam War ended in a cease fire and a withdrawal that included promises by President Nixon to assist the South in the event of invasion by the North But in early 1975 when North Vietnamese forces began a full scale assault Congress refused to send arms or aid By early April that year the South was on the brink of a defeat that threatened execution or years in a concentration camp for the untold number of South Vietnamese who had supported the government in Saigon or worked with Americans Thurston Clarke begins *Honorable Exit* by describing the iconic photograph of the Fall of Saigon desperate Vietnamese scrambling to board a helicopter evacuating the last American personnel from Vietnam It is an image of U S failure and shame Or is it By unpacking the surprising story of heroism that the photograph actually tells Clarke launches into a narrative that is both a thrilling race against time and an important corrective to the historical record For what is less known is that during those final days scores of Americans diplomats businessmen soldiers missionaries contractors and spies risked their lives to assist their current and former translators drivers colleagues neighbors friends and even perfect strangers in escape By the time the last U S helicopter left Vietnam on April 30 1975 these righteous Americans had helped to spirit 130 000 South Vietnamese to U S bases in Guam and the Philippines From there the evacuees were resettled in the U S and became American citizens the leading edge of one of America s most successful immigrant groups Into this tale of heroism on the ground Clarke weaves the political machinations of Henry Kissinger advising President Ford in the White House while reinforcing the delusions of the U S Ambassador in Saigon who at the last minute refused to depart Groundbreaking page turning and authoritative *Honorable Exit* is a deeply moving history of Americans at a little known finest hour *Triumph Forsaken* Mark Moyer,2006-08-28 Drawing on a wealth of new evidence from all sides *Triumph Forsaken* first published in 2007 overturns most of the historical orthodoxy on the Vietnam War Through the analysis of international perceptions and power it shows that South Vietnam was a vital interest of the United States The book provides many insights into the overthrow of South Vietnamese President Ngo Dinh Diem in 1963 and demonstrates that the coup negated the South Vietnamese government s tremendous and hitherto unappreciated military and political gains between 1954 and 1963 After Diem s assassination President Lyndon Johnson had at his disposal several aggressive policy options that could have enabled South Vietnam to continue the war without a massive US troop infusion but he ruled out these options because of faulty assumptions and inadequate intelligence making such an infusion the only means of saving the country *An Army of Influence* Craig Stockings,Peter Dennis,2021-11-15 The

importance of regional cooperation is becoming more apparent as the world moves into the third decade of the 21st century. An Army of Influence is a thought provoking analysis of the Australian Army's capacity to change with a particular focus on the Asia Pacific region. Written by highly regarded historians, strategists and practitioners, this book examines the Australian Army's influence abroad and the lessons it has learnt from its engagement across the Asia Pacific region. It also explores the challenges facing the Australian Army in the future and provides principles to guide operational, administrative and modernisation planning. Containing full colour maps and images, An Army of Influence will be of interest to both the wider defence community and general readers. It underscores the importance of maintaining an ongoing presence in the region and engages with history to address the issues facing the Army both now and into the future. **Westmoreland's War** Gregory Daddis, 2014. This groundbreaking study offers a major reinterpretation of American strategy during the first half of the Vietnam War. Gregory A. Daddis argues senior military leaders developed a comprehensive campaign strategy, one not confined to attrition of enemy forces. This innovative work is a must for a genuine understanding of the Vietnam War. The Man Who Persevered Bruce Davies, Gary McKay, 2005. A history of the Australian Army Training Team in Vietnam as told through the personal recollections of the men who served in the Team from 1962-1972. The age has not dimmed the ferocity of the battles or reduced the men's compassion for their comrades and their unit. Parliamentary Debates (Hansard). Australia. Parliament. Senate, 2002. **Général Hieu, ARVN** Nguyen Van Tin, 2011-04. Biographie du Général Nguyen Van Hieu de l'Armée de la République du Viet Nam. ARVN.
