**Teed Stories** ,1988      The Allure of Immortality Lyn Millner,2023-02-07 Wall Street Journal s Five Best Books About Cults The true story of cult leader Cyrus Teed and his hollow earth theory For five days in December 1908 the body of Cyrus Teed lay in a bathtub at a beach house just south of Fort Myers Florida His followers the Koreshans waited for signs that he was coming back to life They watched hieroglyphics emerge on his skin and observed what looked like the formation of a third arm They saw his belly fall and rise with breath even though his swollen tongue sealed his mouth As his corpse turned black they declared that their leader was transforming into the Egyptian god Horus Teed was a charismatic and controversial guru who at the age of 30 had been illuminated by an angel in his electro alchemical laboratory At the turn of the twentieth century surrounded by the marvels of the Second Industrial Revolution he proclaimed himself a prophet and led 200 people out of Chicago and into a new age Or so he promised The Koreshans settled in a mosquito infested scrubland and set to building a communal utopia inside what they believed was a hollow earth with humans living on the inside crust and the entire universe contained within According to Teed s socialist and millennialist teachings if his people practiced celibacy and focused their love on him he would return after death and they would all become immortal Was Teed a visionary or villain savior or two bit charlatan Why did his promises and his theory of cellular cosmogony persuade so many Now comes the bombshell news that David Koresh apocalyptic leader of the Waco Branch Davidians plagiarized Teed and did so unwittingly Released on the 30th anniversary of the deadly events in Waco this edition of The Allure of Immortality includes a preface about this astonishing discovery In this book Lyn Millner weaves the many bizarre strands of Teed s life and those of his followers into a riveting story of angels connen angry husbands yellow journalism and ultimately hope      Remember When Denvil Mullins,1999 The sixth in a series of books about the people and their way of life in the Southern Appalachians Mullins continues the hilarious saga of the fun loving hardworking people of Coaley Creek with more shenanigans mischief and exciting adventures His many fans will be delighted with this latest collection of stories about that wonderful life of long ago

antebellum years Next he examines the various Separatists as well as the Oneida Community He traces the history of the Hutterite utopias from Russia to the Great Plains and Canada between the Civil War and World War I In a chapter on California counter culture communities he analyzes the Theosophist communes at Pint Loma and Temple Home Finally he discusses modern religious utopias ranging from the Koreshian Unity at Estero Florida to Zion City near Chicago Dorothy Day s Catholic Worker Movement the Sufi Utopia in the Berkshire Mountains and the Pandanaram Settlement in Indiana
