Idol Talk Elizabeth Searle, Tamra Wilson, 2018-06-12 In the midst of acne social anxiety and training bras are the teen idols that make adolescent life a little more bearable Whether their cutouts are plastered on bedroom walls or hidden behind locker doors there is no denying the impact of these stars on young women This collection of new essays explores with tenderness and humor the teen crushes of the past 60 years from Elvis to John Lennon to Whitney Houston who have influenced the choices of women romantically or otherwise well into adulthood Tommy Steele Sebastian Lassandro, 2021-07-11 The first ever complete and authorised biography of Britain's first rock n roller and all round entertainment legend Fully approved and endorsed by Sir Tommy Steele himself the first time he has given approval for such a work to be completed A completely comprehensive and detailed study of Tommy's incomparable 65 year career Handsomely illustrated with rare and archival photographs from Tommy Steele's archive Foreword by Sir Tim Rice with direct contributions from Dame Judi Dench Petula Clark Elaine Paige Paul Nicholas Lesley Ann Warren and also from many of Tommy's theatrical co stars In the summer of 1956 while on shore leave from the Merchant Navy Thomas Hicks was spotted playing a new type of music in a coffee bar in London Having never heard anything like this rock performed in Britain he became an overnight sensation never returning to his ship He changed his name to Tommy Steele and for 65 years he has been Britain's greatest showman In a remarkable career spanning radio records Broadway and Hollywood Tommy Steele started the rock revolution in the UK before moving to lighter family entertainment and becoming a well loved household name He received an OBE for Services to Entertainment in 1979 and a knighthood for Services to Entertainment and Charity in 2020 He has conquered the West End Hollywood and Broadway holds records for the longest running one man show in the London's West End and also the record for most appearances at the hallowed London Palladium However his remarkable career has never been detailed accurately and comprehensively until now Authorised by Sir Tommy Steele himself A Life in the Spotlight offers readers a detailed insight into the career of an unrivalled entertainment legend with countless facts stories details and anecdotes never before committed to print **The Chinese of Indonesia and Their Search for Identity** Aimee Dawis, 2009 This book examines how the Indonesian Chinese who were born after 1966 negotiate meanings about their culture and identity through their collective memory of growing up in a restrictive media environment that specifically curtailed Chinese language and culture The restrictive media environment was the result of a series of policies administered during the Suharto era 1965-1998 According to the regulations the Indonesian government closed all Chinese language schools and prohibited the use of Chinese characters in public places the import of Chinese language publications and all public forms and expressions of Chinese culture In the past century and particularly in the past decade much attention has been given to China and its rising status as a world economic power Scholarship on overseas Chinese has also shed light on their relationship with their mythic homeland China In their work scholars discovered that the Chinese of

Southeast Asia have created a prominent economic political and cultural presence in countries such as Indonesia Malaysia and Singapore In the 1960s scholars such as George Kahin Ruth McVey and Benedict Anderson were drawn to the political upheavals in Indonesia and the various roles that the Chinese of Indonesia have played in the economic political and cultural arenas of their country In later years Charles Coppel and Leo Suryadinata have published extensively on various aspects of the Chinese in Indonesia such as their religious affiliations and education Despite the considerable attention given to the Chinese of Indonesia scholars have not specifically studied through the lens of the media how a certain group of Chinese Indonesians grew up in a restrictive media and cultural environment during the 33 years when Indonesia was ruled by Suharto This book takes the first step in examining this generation s collective memory of growing up in a state controlled environment that has had a significant impact on their identity formation maintenance and the re negotiation of Chineseness in their everyday lives This book will appeal especially to media cultural studies and Southeast Asian studies scholars researchers and students
