Meek, 2023-04-04 Teen films of the 1980s were notorious for treating consent as irrelevant with scenes of boys spying in girls locker rooms and tricking girls into sex While contemporary movies now routinely prioritize consent ensure date rape is no longer a joke and celebrate girls desires sexual consent remains a problematic and often elusive ideal in teen films In Consent Culture and Teen Films Michele Meek traces the history of adolescent sexuality in US cinema and examines how several films from the 2000s including Blockers To All the Boys I ve Loved Before The Kissing Booth and Alex Strangelove take consent into account Yet at the same time Meek reveals that teen films expose how affirmative consent yes means yes fails to protect youth from unwanted and unpleasant sexual encounters By highlighting ambiguous sexual interactions in teen films such as girls failure to obtain consent from boys queer teens subjected to conversion therapy camps and youth manipulated into sexual relationships with adults Meek unravels some of consent s intricacies rather than relying on oversimplification By exposing affirmative consent in teen films as gendered heteronormative and cis centered Consent Culture and Teen Films suggests we must continue building a more inclusive consent framework that normalizes youth sexual desire and agency with all its complexities and ambivalences 3 Keys to Keeping Your Teen Alive Anne Marie

Hayes, 2011-04-01 Imagine lying awake in bed waiting to hear the front door open so you ll know your teen is home safely But instead tonight the doorbell rings Your heart stops when you see the police officers in the doorway and you know instantly that your life will never be the same again Wouldn t you do ANYTHING to go back and change things By then it will be too late The time to prepare your teen to drive and survive is NOW 3 Keys to Keeping Your Teen Alive provides a simple step by step plan to prepare teens to become safe responsible drivers Parents can use it to teach their teens to drive or to make sure they cover all the bases in their practice sessions after the teen has taken a professional driver training course 3 Keys to Keeping Your Teen Alive includes 25 structured driving lessons great advice from top experts checklists to follow and other

useful tools There are true stories quizzes and puzzles to keep your teen interested and reinforce the learning The companion website TeensLearntoDrive.com has additional resources and links to great instructional informational videos that complement each lesson The program works with Graduated Driver Licensing GDL Programs 3 Keys to Keeping Your Teen Alive is straightforward and easy to follow but will take a lot of time patience and dedication from both of you parent and teen Isn't it worth it

Race, Gender and Violence on the Transatlantic Extreme Right, 1969-2009 Simon A. Purdue, 2022-10-20 This book explores the central role that gender has historically played in violent far right movements and groups in a time of increasing political polarisation and rising extremism The author examines the way neo Nazis and white supremacists have constructed gender and how this has impacted on the practical role of men and women on the global extreme right between 1969 and 2009 giving valuable insight into the inner workings of the extremist fringe today In the context of rising violent ultra nationalism in the UK Eastern Europe the USA India and Russia this transnational history of racist extremist movements offers a very necessary glimpse into the intimate personal politics of organised hate and into the ideological and organisational roots of our current moment In order to fully understand the extreme right it is essential to develop an awareness of the deep social foundations that underlie it By exposing the gendered basis of racist extremism in the USA and UK this book makes a necessary intervention in the field of far right studies shedding new light on the shadowy corners of the political spectrum and ultimately opening new avenues for countering hate on the personal political and academic level The book seeks to explain the intricate relationship between organised racist extremism and ideological misogyny and explores the fundamental contradictions and inconsistencies that underlie women's far right activism Offering historical context to the current social and political moment in which white supremacist and far right terror presents an immediate threat to security and stability in both the USA and the UK this book provides useful insights for those researching the history of fascism and the far right violent social movements and political activism as well as women's history and gender studies
