The Busy Family's Guide to Volunteering Jenny Lynn Friedman,2003 Describes a variety of ways that families can get involved in volunteering despite a busy schedule and explains the many benefits of volunteering for all ages

Living With Childhood Cancer Leigh A. Woznick,Carol D. Goodheart,2001-09-15 Like a natural disaster the diagnosis that your child has cancer can leave you and your family feeling helpless How do you explain the disease to the child and to his or her siblings How can you communicate your child s needs to the hospital staff What are the best ways to reduce the physical side effects and the

emotional distress of treatment How will you your child or teenager and the rest of your family cope with cancer and what can you do to help When and where do you find good psychological help for your child or your family How do you manage financial and school issues How can you foster your child s development and self esteem More than 12 000 American children will be diagnosed with cancer this year and roughly 75% will survive In addition to excellent medical care their survival depends on a strong support network which may include parents siblings extended family members friends and neighbors classmates and teachers In this down to earth guidebook the authors draw on their own family s experience with cancer as well as their professional expertise and stories from others to help families address the psychological impact of cancer The result is a book filled with sound emotional guidance useful information and practical advice for families coping with cancer

Cystic Fibrosis Judy Monroe,2001 Discusses what cystic fibrosis is how it affects the body how it is diagnosed and managed and includes information on finding support and living with this condition

Sickle Cell Anemia Judy Monroe Peterson,2008-08-15 Describes sickle cell anemia including the history of the disease how it is treated and the current medical research towards finding a cure

Chicken Soup for the Teenage Soul: The Real Deal Challenges Jack Canfield,Mark Victor Hansen,2012-10-09 CHALLENGES Failing a class getting dumped and figuring out where you fit in are all difficult high school challenges Finding the answer is not always easy And let s face it your parents may give you advice but rarely do they really know where you re coming from So if you re looking for the real deal on issues like anorexia dating or helping a friend in trouble you ve come to the right place So What s the Deal The good news about tackling challenges is that you end up stronger and smarter once you reach the other side These stories are from teenagers just like you who have gone through many of the same problems and survived Whether it s standing up to the mean girl in the cafeteria or staying true to yourself under peer pressure Chicken Soup for the Teenage Soul The Real Deal Challenges tells you the absolute truth about what it means to be a teen

Medications Cheryl Gerson Tuttle,2005 While not a substitute for professional medical advice this book is a source of information about common medical conditions that teens often face The medications that are commonly prescribed for that condition are listed along with a description of how the medication works in the body the brand name and generic or chemical ingredients for the medication and the common side effects and possible interactions with food and other drugs Additionally strategies for coping with the stigma associated with taking medications for chronic conditions are included The goal of this book is to inform the teen about the medications enabling the teen to be an active participant in his or her treatment with medications For example a suggested list of questions to ask the doctor or pharmacist is provided Questions such as What food drinks or other medications should I avoid while taking this medication What do I do if I miss a dose What are the possible side effects and which side effects should I report and which should I

ignore How long before I see positive effects and know that the medication is working By thinking about his or her lifestyle the teen will be alert to anything that could affect the medication and symptoms that signal side effects or possible other problems with the medication Being well informed and playing an active role in the decision making process can help teens to feel more in control of their medical conditions Medication issues such as dealing with several different doctors or specialists taking several different medications why not to order medications from another country or from the web taking medications when pregnant or nursing donating blood while taking certain medications driving and traveling and taking medications are addressed This useful reference concludes with an example medication diary encouraging teens to monitor their medications and any side effects a glossary a drug list arranged alphabetically and listing the generic brand name type

Juvenile Arthritis Judith Peacock,1999 Discusses the types of arthritis the treatment and complications of juvenile rheumatoid arthritis and research related to this disease **Parkinson's Disease** Abraham N. Lieberman,1993-02 A guide for Parkinson patients and their caregivers that addresses the body and the spirit
