How to Turn Poems, Lyrics, & Folklore into Salable

Children's Books Anne Hart, 2005-08-17 Do you want to adapt your poem to a storybook that tells a story in words and pictures or only amplify the images that you create with words Would you rather turn your poem into a picture book that tells a story with pictures Will words take second place to illustrations Decide first whether you will write a story book or a picture book Then use the images in your poem to clarify your writing You won't be able to read a picture book into a tape recorder or turn it into an audio book or radio play You will be able to narrate a word book for audio playing Start with an inspirational poem proverb or song lyrics Ask children what makes them laugh You can make something out of nothing You can make a story out of anything intangible such as an idea with a plan still in your mind Capture your children's dreams proverbs song lyrics and the surprise elements that make them laugh Record imagination what if talk and personal history A folktale or story is something that could come from any place in the past from science or from nothing that you can put your hands on What children want in a book poem or folklore is a cave where they can go to be themselves When suspending belief children still want to be themselves as they navigate fantasy The story book becomes a den or tree house where children can go inside shut the door and play Introduce children to poetry by showing how you transform your poem into a children's book by expanding and emphasizing significant events in the life story of one child Poems memorable experiences significant life events or turning points are all ways to make something out of nothing tangible You begin re working a concept framework or vision Here's how to write publish and promote salable material from concept to framework to poem to children's book step by step *Tigers of Wrath* Vivek Iyer, 2007 *The New First [etc.] Reader* Eva Almeda Smedley, Martha C. Catland Kathryn Hughes,2024-06-04 How cat mania exploded in the early twentieth century transforming cats from pests into beloved pets In 1900 Britain and America were in the grip of a cat craze An animal that had for centuries been seen as a household servant or urban nuisance had now become an object of pride and deep affection From presidential and royal families who imported exotic breeds to working class men competing for cash prizes for the fattest tabby people became enthralled to the once humble cat Multiple industries sprang up to feed this new obsession selling everything from veterinary services to leather bootees via dedicated cat magazines Cats themselves were now traded for increasingly large sums of money bolstered by elaborate pedigrees that claimed noble ancestry and promised aesthetic distinction In *Catland* Kathryn Hughes chronicles the cat craze of the early twentieth century through the life and career of Louis Wain Wain s anthropomorphic drawings of cats in top hats falling in love sipping champagne golfing driving cars and piloting planes are some of the most instantly recognizable images from the era His round faced fluffy characters established the prototype for the modern cat which cat fanciers were busily trying to achieve using their newfound knowledge of the latest scientific breeding techniques Despite being a household name Wain endured multiple bankruptcies and mental breakdowns spending his last fifteen years in an asylum drawing abstract and multicolored felines But it was his ubiquitous anthropomorphic cats that helped usher the formerly reviled creatures into homes across Europe Beautifully illustrated and based on new archival findings about Wain s life the wider cat fancy and the media frenzy it created *Catland* chronicles the fascinating history of how the modern cat emerged
