Tel Aviv State Arnon Sofer, 2006 Tel Aviv-Jaffa Arnold Sherman, 1988 *Tel Aviv-Jaffa, One City, Two Worlds* Shoshana Elharar, 2021 This dissertation concentrates on one urban site Tel Aviv Jaffa in Israel The hyphen between the two names Tel Aviv and Jaffa alludes to their separated past present and maybe future In the past they were two cities Tel Aviv the younger was established in 1909 while Jaffa is thousands of years old The focus of this dissertation is the last century During this significant historical period as modernity gave way to the postmodern period we find the erection of Tel Aviv suburb next to the old city of Jaffa a small Jewish site that grew in time to become the countrys leading city Each of these two cities was independent until 1950 when international and local circumstances led to their unification into one city carrying both names Tel Aviv Jaffa with a hyphen added between the two names Drawing on thousands of archival documents primary and secondary sources guided tours in both parts of the city and interviews this dissertation charts the changing relations of these two sites Exploration of both cities jointly is quite rare This dissertation analyses both parts before their unification and why the new Jewish immigrants to Jaffa separated themselves physically from the Arabs spirit continuing with the unification of the two cities into one and ending with the contemporary state of both sides of this one hyphenated city It concludes with the question is it better considered as one or two as just moving from one side to the other reveals the feeling of crossing from one world to another

Palestinians in Jerusalem and Jaffa, 1948 Itamar Radai, 2015-12-14 Between November 1947 and May 1948 war between the Palestinian Arab community and the Jewish community encompassed

Palestine with Jerusalem and Jaffa becoming focal points in the conflict due to their centrality size and symbolic importance

Palestinians in Jerusalem and Jaffa 1948 examines Palestinian Arab society institutions and fighters in Jerusalem and Jaffa during the conflict It is one of the first books in English that deals with the Palestinian Arabs at this crucial and tragic moment in their history with extensive use of Arabic sources and an inquiry from the Palestinian vantage point It examines the causes of the social collapse of the Palestinian Arab communities in Jerusalem and Jaffa during the 1948 inter communal war and the impact of this collapse on the military defeat This book reveals that the most important internal factors to the Palestinian defeat were the social changes that took place in Arab society during the British Mandate namely internal migration from rural areas to the cities the shift from agriculture to wage labour and the rise of the urban middle class By looking beyond the well established external factors this study uncovers how modernity led to a breakdown within Palestinian Arab society widening social fissures without producing effective institutions and thus alienating social classes both from each other and from the leadership With careful examination of a range of sources and informed analysis of Palestinian social history **Palestinians in Jerusalem and Jaffa 1948** is a key resource for students and scholars interested in the modern Middle East Palestinian Studies the Arab Israeli conflict and Israel Studies *Welcome to Israel* Lilly Rivlin, Gila Gevirtz, 2000 Illustrations photographs maps and text introduce the history culture religions and peoples of Israel **Jaffa Shared and Shattered** Daniel Monterescu, 2015-08-24 Binational cities play a pivotal role in situations of long term conflict and few places have been more marked by the tension between intimate proximity and visceral hostility than Jaffa one of the mixed towns of Israel Palestine In this nuanced ethnographic and historical study Daniel Monterescu argues that such places challenge our assumptions about cities and nationalism calling into question the Israeli state s policy of maintaining homogeneous segregated and ethnically stable spaces Analyzing everyday interactions life stories and histories of violence he reveals the politics of gentrification and the circumstantial coalitions that define the city Drawing on key theorists in anthropology sociology urban studies and political science he outlines a new relational theory of sociality and spatiality **Overthrowing Geography**, 2005 [Framing Sukkot](#) Gabrielle Anna Berlinger, 2017-09-20 An important and timely study of the Jewish holiday s temporary shelters and the meaning of home *Journal of Folklore Research* The sukkah the symbolic ritual home built during the annual Jewish holiday of Sukkot commemorates the temporary structures that sheltered the Israelites as they journeyed across the desert after the exodus from Egypt Despite the simple Biblical prescription for its design the remarkable variety of creative expression in the construction decoration and use of the sukkah in both times of peace and national upheaval reveals the cultural traditions political convictions philosophical ideals and individual aspirations that the sukkah communicates for its builders and users today In this ethnography of contemporary Sukkot observance Gabrielle Anna Berlinger examines the powerful role of ritual and vernacular architecture in the formation of self and society in three sharply contrasting Jewish communities Bloomington Indiana South Tel Aviv Israel and

Brooklyn New York Through vivid description and in depth interviews she demonstrates how constructing and decorating the sukkah and performing the weeklong holiday s rituals of hospitality provide unique circumstances for creative expression social interaction and political struggle Through an exploration of the intersections between the rituals of Sukkot and contemporary issues such as the global Occupy movement Berlinger finds that the sukkah becomes a tangible expression of the need for housing and economic justice as well as a symbol of the longing for home Berlinger s rich and nuanced ethnography sheds light on many sukkot from Bloomington to Tel Aviv Jaffa and Jerusalem and back to Brooklyn like the wandering in the Sinai desert this journey is crucial *Journal of American Folklore* [Policing in Israel](#) Tal Jonathan-Zamir,David Weisburd,Badi Hasisi,2015-10-05 It is hoped that through this series it will be possible to accelerate the process of building knowledge about policing and help bridge the gap between the two worlds the world of police research and police practice This is an invitation to police scholars and practitioners across the world to come and join in this venture Dilip K Das PhD *Social Mobilization in the Arab/Israeli War of 1948* Moshe Naor,2013-08-21 In many ways the Arab Israeli war of 1948 is typical of the total military conflicts that characterized the first half of the twentieth century However in addition to the military course of the war and its formative and revolutionary ramifications this war was also notable for the social mobilization of the Israeli population *Social Mobilization in the Arab Israeli War of 1948* focuses on these civilian aspects of the war the involvement of the Israeli home front in the fighting and the participation of society in the process of mobilization Israeli civil society organizations played an active and central role in mobilizing the economy for the war effort mobilizing personnel for military service for labor and for the emergency services and in organizing the home front The function of Israeli society and civil organizations in processes of mobilization conducted against the background of the end of the British mandate and the establishment of the State of Israel was one of the principal factors that contributed to the Israeli military victory in the 1948 war Civilian aspects of the 1948 war have received little attention despite the opening of the archives in the 1980s As such *Social Mobilization in the Arab Israeli War of 1948* is an important contribution particularly for those interested in Israeli History Jewish History Middle Eastern History the Arab Israeli conflict and War Studies [Let's Go 2003: Israel](#) Let's Go Inc.,2002-12-13 Let s Go The Resource For The Independent Traveler For over forty years Let s Go Travel Guides have brought budget savvy travelers closer to the world and its diverse cultures by providing the most up to date information Entries at all price levels for lodging food attractions and more Must have tips for planning your trip getting around and staying safe Walking tours of ancient sights and advice for hiking In depth cultural information that offers an insider s look at life in the Israel Opportunities to make a difference through study work and volunteering Detailed city and regional maps Cultural Connections Follow the Via Dolorosa through Jerusalem Hidden Scoops Hidden Deals Buy silver at bargain prices in the Yafo shuk Off The Beaten Path Join the harvest at one of Israel s 270 kibbutzim The grand daddy of budget guides The New York Times Guides that penetrate the veneer of holiday brochures and
