## **Televangelism Power And Politics On Gods Frontier:**

*Televangelism*, 2001      **Getting Better** Bryan Green, 2018-01-16 Ever since the fifties when television became ascendent in American popular culture it has become commonplace to bemoan its bad effects Little or nothing however has been said about its good effects With this observation Henry Perkinson introduces his provocative and original analysis of television and culture Rejecting the determinism inherent in most studies of the effects of television We are what we watch he insists that it is people that actively change culture media having no agency to do so Nevertheless he argues that television did facilitate the changes we have made in our culture over the past thirty years Perkinson describes how television helped us become critical of our existing culture especially of the relationships that were commonly accepted between men and women blacks and whites politicians and voters employers and employees and between people and the environment These criticisms have brought about dramatic changes in our social political and economic arrangements as well as changes in our intellectual outlook Since these changes came about through our efforts to eliminate or reduce discrimination suffering and injustice Perkinson argues that our culture has become more moral in the age of television In what amounts to a history of recent social change in America *Getting Better* examines the role television has played in the rise of feminism the black protest movement the presidential elections the Vietnam War Watergate environmentalism religious fundamentalism and the New Age movement This book will be essential reading for students of communications and American culture and for anyone who wants to make sense of the transformations of American life from the 1950s to the present Even those who do not agree that things are getting better will find that Perkinson's analysis helps to make things more coherent      *The Electronic Church in the Digital Age* Mark Ward Sr., 2015-11-10 This two volume set investigates the evangelical presence in America as experienced through digital media examining current evangelical ideologies regarding education politics family and government Evangelical broadcasting has greatly expanded its footprint in the digital age This informative text acquaints readers with how the electronic church of today spreads its message through Internet podcasts social networking religious radio programs and televised sermons how mass media forms the institution's modern identity and what the future of the industry holds as mobile church apps Christian based video games and online worship become the norm The work split into two volumes reveals the ways that the Christian broadcast community affects evangelical traditions and influences American society in general Volume 1 explores how electronic media shapes today's Christian subculture while the second volume describes how the electronic church impacts the wider American culture analyzing what key figures in evangelical mass media are saying about today's religious political economic and social issues The set concludes by addressing criticism about religious media and the prospects of American public discourse to accommodate both secular and religious voices      **A Time of Paradox** Glen Jeansonne, 2006-03-02 In this lively and provocative synthesis distinguished historian Glen Jeansonne explores the people and events that shaped America in the twentieth century Comprehensive in

scope A Time of Paradox offers a balanced look at the political diplomatic social and cultural developments of the last century while focusing on the diverse and sometimes contradictory human experiences that characterized this dynamic period Designed with the student in mind this cogent text provides the most up to date analysis available offering insight into the divisive election of 2004 the War on Terror and the Gulf Coast hurricanes Substantive biographies on figures ranging from Samuel Insull to Madonna give students a more personalized view of the men and women who influenced American society over the past hundred years      *Encyclopedia of New Religious Movements* Peter Clarke,2004-03-01 New Religious Movements NRMs can involve vast numbers of followers and in many cases are radically changing the way people understand and practice religion and spirituality Moreover many are having a profound impact on the form and content of mainstream religion The Encyclopedia of New Religious Movements provides uniquely global coverage of the phenomenon with entries on over three hundred movement from almost every country in the world Coverage includes movements that derive from the major religions of the world and to neo traditional movements movements often overlooked in the study of NRMs In addition to the coverage of particular movements there are also entries on topics themes key thinkers and key ideas for example the New Age Movement Neo Paganism New Religion and gender NRMs and cyberspace NRMs and the law the Anti Cult Movement Swedenborg Jung Teilhard de Chardin Lovelock Gurdjieff al Banna Qutb The marked global approach and comprehensiveness of the encyclopedia enable an appreciation of the innovative energy of NRMs of their extraordinary diversity and the often surprising ways in which they can propagate geographically The most ambitious publication of its sort the Encyclopedia of New Religious Movements is a major addition to the reference literature for students and researchers of the field in religious studies and the social sciences Entries are cross referenced with short bibliographies for further reading There is a full index      **The Crisis of Evangelical Christianity** Keith C. Sewell,2016-04-26 In the broad context of Christianity as it developed over two millennia and with special reference to the last three centuries this discussion finds that Evangelicalism has repeatedly offered a reduced and distorted understanding of the faith The evangelical outlook is much less scriptural than evangelicals generally assume When it comes to appreciating the order of creation our calling to develop integral Christian thinking and living the religious significance of culture and the coming of the kingdom reductionist Evangelicalism struggles with its only rarely acknowledged deficiencies As a result we have all too often ended up with a Christianity shorn of its cosmic scope and wide cultural implications and restricted to institutional church life and the cultivation of private spiritual experience The consequences are frequently enervating and corrosive Without disregarding what is important in the past evangelicals are here challenged to take the Bible much more seriously and thereby transcend the limitations of their habitual reductionism Evangelicals are encouraged to embrace an integral and full orb ed understanding of Christian discipleship that will equip the faithful to address the deep and complex challenges of the twenty first century      Evangelicalism Richard Kyle,2017-09-20 Most forms of religion are best understood in the con text of their

relationship with the surrounding culture This may be particularly true in the United States Certainly immigrant Catholicism became Americanized mainstream Protestantism accommodated itself to the modern world and Reform Judaism is at home in American society In Evangelicalism Richard Kyle explores paradoxical adjustments and transformations in the relationship between conservative Protestant Evangelicalism and contemporary American culture Evangelicals have resisted many aspects of the modern world but Kyle focuses on what he considers their romance with popular culture Kyle sees this as an Americanized Christianity rather than a Christian America but the two are so intertwined that it is difficult to discern the difference between them Instead in what has become a vicious self serving cycle Evangelicals have baptized and sanctified secular culture in order to be considered culturally relevant thus increasing their numbers and success within abundantly populous and populist driven American society In doing so Evangelicalism has become a middle class movement one that dominates America s culture and unabashedly populist Many Evangelicals view America as God s chosen nation thus sanctifying American culture consumerism and middle class values Kyle believes Evangelicals have served themselves well in consciously and deliberately adjusting their faith to popular culture Yet he also thinks Evangelicals may have compromised themselves and their future in the process so heavily borrowing from the popular culture that in many respects the Evangelical subculture has become secularism with a light gilding of Christianity If so he asks can Evangelicalism survive its own popularity and reaffirm its religious origins or will it assimilate and be absorbed into what was once known as the Great American Melting Pot of religions and cultures Will the Gospel of the American dream ultimately engulf and destroy the Gospel of Evangelical success in America This thoughtful and thought provoking volume will interest anyone concerned with the modern day success of the Evangelical movement in America and the aspirations and fate of its faithful

**Performance Studies** Erin Striff,2002-09-26 What is performance We do not need to be in a theatre to think about the theatricality of how we behave in culture but can a performance exist if there are no spectators How do we know when performances are taking place if there is no curtain rising and falling What does the act of performance achieve How does performance studies attempt to answer those questions This collection of lively and stimulating articles on performance studies provides an understandable introduction to the field and to the way in which performance touches all of our lives from the rituals and ceremonies in which we partake to the way we present ourselves depending on the company we keep Together these articles help clarify what constitutes performance studies and introduce the reader to the many theoretical perspectives including feminist queer post structuralist and post colonial which are used to study performance in culture Acts considered range from those that can be easily identified as performance such as the strip show to the more theoretically complex such as performative speech One of the first of its kind on performance studies this reader is an essential text for all those with an interest in the subject or who are approaching it for the first time

Religion in Sociological Perspective Keith A. Roberts,David Yamane,2015-07-18 This fully updated Sixth Edition of Religion in Sociological Perspective introduces

students to the basic theories and methods in the field and shows them how to apply these analytic tools to new groups they encounter. The authors explore three interdependent subsystems of religion: meaning, structure, and belonging, and their connections to the larger social structure. While they cover the major theoretical paradigms of the field and employ various middle-range theories to explore specific processes, they use the open systems model as a single unifying framework to integrate the theories and enhance student understanding.

**The Wilderness, the Nation, and the Electronic Era** Elmer J. O'Brien, 2009-07-29. The Wilderness, the Nation, and the Electronic Era: American Christianity and Religious Communication, 1620-2000. An Annotated Bibliography contains over 2,400 annotations of books, book chapters, essays, periodical articles, and selected dissertations dealing with the various means and technologies of Christian communication used by clergy, churches, denominations, benevolent associations, printers, booksellers, publishing houses, and individuals and movements in their efforts to disseminate news, knowledge, and information about religious beliefs and life in the United States from colonial times to the present. Providing access to the critical and interpretive literature about religious communication is significant and plays a central role in the recent trend in American historiography toward cultural history, particularly as it relates to numerous collateral disciplines: sociology, anthropology, education, speech, music, literary studies, art history, and technology. The book documents communication shifts from oral history to print to electronic and visual media and their adaptive uses in communication networks developed over the nation's history. This reference brings bibliographic control to a large and diverse literature not previously identified or indexed.

**A Companion to Post-1945 America** Jean-Christophe Agnew, Roy Rosenzweig, 2008-04-15. A Companion to Post-1945 America is an original collection of 34 essays by key scholars on the history and historiography of Post-1945 America. Covers society and culture, people and movements, politics, and foreign policy. Surveys and evaluates the best scholarship on every important era and topic. Includes book review section on essential readings.

**Postwar America** James Ciment, 2015-03-26. From the outbreak of the Cold War to the rise of the United States as the last remaining superpower, the years following World War II were filled with momentous events and rapid change. Diplomatically, economically, politically, and culturally, the United States became a major influence around the globe. On the domestic front, this period witnessed some of the most turbulent and prosperous years in American history. Postwar America: An Encyclopedia of Social, Political, Cultural, and Economic History provides detailed coverage of all the remarkable developments within the United States during this period, as well as their dramatic impact on the rest of the world. A-Z entries address specific persons, groups, concepts, events, geographical locations, organizations, and cultural and technological phenomena. Sidebars highlight primary source materials, items of special interest, statistical data, and other information. Cultural Landmark entries chronologically detail the music, literature, arts, and cultural history of the era. Bibliographies covering literature from the postwar era and about the era are also included, as are illustrations and

specialized indexes      **Practicing Religion in the Age of the Media** Stewart M. Hoover, Lynn Schofield Clark, 2002-03-06 Increasingly the religious practices people engage in and the ways they talk about what is meaningful or sacred take place in the context of media culture in the realm of the so called secular Focusing on this intersection of the sacred and the secular this volume gathers together the work of media experts religious historians sociologists of religion and authorities on American studies and art history Topics range from Islam on the Internet to the quasi religious practices of Elvis fans from the uses of popular culture by the Salvation Army in its early years to the uses of interactive media technologies at the Simon Wiesenthal Center's Beit Hashoah Museum of Tolerance The issues that the essays address include the public private divide the distinctions between the sacred and profane and how to distinguish between the practices that may be termed religious and those that may not      **Broadcasting the Faith** Michael E. Pohlman, 2021-02-02 Broadcasting the Faith tells the riveting story of the American church's embrace of radio in the early decades of the twentieth century By investigating major radio personalities like Walter Maier Aimee Semple McPherson Harry Emerson Fosdick and Charles Fuller this study considers the implications for theology in America when Christianity moved to the airwaves In the heyday of radio religious radio preachers sought to use their programs to counter the secularization of American culture Ultimately however their programs contributed to secularization by accelerating changes already evident in both the conservative and liberal streams of American Christianity To reach a vast American audience radio preachers transformed their sectarian messages into a religion more suitable to the masses thereby altering the very religion it aimed to preserve To make religion accessible to large and diverse audiences radio preachers accommodated their messages in ways suited to the medium of radio Although religious radio preachers set forth to advance the influence of religion in American society their choice to limit theological substance ironically promoted the secularization of the American church      *A History of Preaching* Otis Carl Edwards, 2004 Accompanying CD ROM contains the full text of volume one and two Volume two contains primary source material on preaching drawn from the entire scope of the church's twenty centuries Each chapter in volume two is geared to its companion chapter in volume one's narrative history      **A History of Preaching Volume 1** O.C. Edwards, Jr., 2010-09-01 A History of Preaching brings together narrative history and primary sources to provide the most comprehensive guide available to the story of the church's ministry of proclamation Bringing together an impressive array of familiar and lesser known figures Edwards paints a detailed compelling picture of what it has meant to preach the gospel Pastors scholars and students of homiletics will find here many opportunities to enrich their understanding and practice of preaching Volume 1 appearing in the print edition contains Edwards's magisterial retelling of the story of Christian preaching's development from its Hellenistic and Jewish roots in the New Testament through the late twentieth century's discontent with outdated forms and emphasis on new modes of preaching such as narrative Along the way the author introduces us to the complexities and contributions of preachers both with whom we are already acquainted and to whom we will be introduced here for the first

time Origen Chrysostom Augustine Bernard Aquinas Luther Calvin Wesley Edwards Rauschenbusch Barth all of their distinctive contributions receive careful attention Yet lesser known figures and developments also appear from the ninth century reform of preaching championed by Hrabanus Maurus to the reference books developed in the thirteenth and fourteenth centuries by the mendicant orders to assist their members preaching to Howell Harris and Daniel Rowlands preachers of the eighteenth century Welsh revival to Helen Kenyon speaking as a layperson at the 1950 Yale Beecher lectures about the view of preaching from the pew Volume 2 contained on the enclosed CD ROM contains primary source material on preaching drawn from the entire scope of the church s twenty centuries The author has written an introduction to each selection placing it in its historical context and pointing to its particular contribution Each chapter in Volume 2 is geared to its companion chapter in Volume 1 s narrative history Ecumenical in scope fair minded in presentation appreciative of the contributions that all the branches of the church have made to the story of what it means to develop deliver and listen to a sermon A History of Preaching will be the definitive resource for anyone who wishes to preach or to understand preaching s role in living out the gospel This work is expected to be the standard text on preaching for the next 30 years says Ann K Riggs who staffs the NCC s Faith and Order Commission Author Edwards former professor of preaching at Seabury Western Theological Seminary is co moderator of the commission which studies church uniting and church dividing issues A History of Preaching is ecumenical in scope and will be relevant in all our churches we all participate in this field says Riggs from EcuLink Number 65 Winter 2004 2005 published by the National Council of Churches America's God and Country William J. Federer, William Joseph Federer, 1994 An Invaluable resource highlighting america s noble heritage profound quotes from founding fathers presidents statesmen scientists constitutions court decisions for use in speeches papers debates essays **Handbook of Megachurches** Stephen J. Hunt, 2019-11-26 The megachurch is an exceptional recent religious trend certainly within Christian spheres Spreading from the USA megachurches now reached reach different global contexts The edited volume Handbook of Megachurches offers a comprehensive account of the subject from various academic perspectives **Encyclopedia of Religious Controversies in the United States** Bill J. Leonard, Jill Y. Crainshaw, 2012-12-05 This book provides a thorough introduction to historical and contemporary issues in American religion tackling controversial hot button topics such as abortion Intelligent Design and Scientology Surveying key aspects of the controversial issues persons and religious groups of today Encyclopedia of Religious Controversies in the United States Second Edition is a thorough update and expansion of the first edition of this book This two volume work contains many new entries that reflect current 21st century religious controversies Written by a variety of scholars with varying specializations the content covers major people ideas terms institutions groups books and events The A Z format allows for easy location of materials a chronology of developments and events enables readers to trace the development of contentious topics over time and a section of primary document excerpts gives readers further perspective on the issues **Marks of the Beast** Glenn

W. Shuck, 2005 The Left Behind series by Tim LaHaye and Jerry B Jenkins has become a popular culture phenomenon selling an astonishing 40 million copies to date. These novels written by two well known evangelical Christians depict the experiences of those left behind in the aftermath of the Rapture when Christ removes true believers leaving everyone else to suffer seven years of Tribulation under Satan's proxy Antichrist. In *Marks of the Beast* Shuck uncovers the reasons behind the books unprecedented appeal assessing why the novels have achieved a status within the evangelical community even greater than Hal Lindsey's 1970 blockbuster *The Late Great Planet Earth*. It also explores what we can learn from them about evangelical Christianity in America. Shuck finds that ironically the series not only reflects contemporary trends within conservative evangelicalism but also encourages readers especially evangelicals to embrace solutions that enact rather than engage their fears. Most strikingly he shows how the ultimate vision put forth by the series authors inadvertently undermines itself as the series unfolds.

### Televangelism Power And Politics On Gods Frontier Introduction

In the digital age, access to information has become easier than ever before. The ability to download Televangelism Power And Politics On Gods Frontier has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Televangelism Power And Politics On Gods Frontier has opened up a world of possibilities. Downloading Televangelism Power And Politics On Gods Frontier provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Televangelism Power And Politics On Gods Frontier has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Televangelism Power And Politics On Gods Frontier. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Televangelism Power And Politics On Gods Frontier. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Televangelism Power And Politics On Gods Frontier, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Televangelism Power And Politics On Gods Frontier has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers,

and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Televangelism Power And Politics On Gods Frontier Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Televangelism Power And Politics On Gods Frontier is one of the best book in our library for free trial. We provide copy of Televangelism Power And Politics On Gods Frontier in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Televangelism Power And Politics On Gods Frontier. Where to download Televangelism Power And Politics On Gods Frontier online for free? Are you looking for Televangelism Power And Politics On Gods Frontier PDF? This is definitely going to save you time and cash in something you should think about.
