Television Culture And Womens Lives Thirtysomething And The Contradictions Of Gender:

Television Culture and Women's Lives Margaret J. Heide,1995-02 Contemporary cultural theory feminist criticism and ethnography converge in this provocative study of the construction of meaning in mass culture Television Culture and Women s Lives explores the complex relationship between the gender conflicts played out in the scripts of the popular television show thirtysomething and the real life conflicts experienced by baby boomer women viewers Women viewers often reinterpreted the program s conservative view on gender roles seeing it instead as a protest against real dilemmas women face as they try to integrate career and family priorities Heide s study confirms women viewers close identifications with thirtysomething characters and positions audience responses against the backdrop of changes in the lives of women in the 1980s and 1990s Television Culture and Women s Lives accessibly treats fascinating issues related to cultural criticism the relationship between mass media and audiences and the struggles faced by women in late twentieth century America

You've Come a Long Way, Baby Lilly J. Goren,2009-05-22 Provocative and diverse essays on the image and the reality of feminism in the twenty first century Christine A Kelly author of Tangled Up in Red White and Blue No matter what brand of feminism one may subscribe to one thing is indisputable the role of women in society during the past several decades has changed dramatically and continues to change in a variety of ways In You ve Come a Long Way Baby Lilly J Goren and an impressive group of contributors explore the remarkable advancement achieved by American women in a historically patriarchal social and political landscape while examining where women stand today and contemplating the future challenges they face worldwide As comprehensive as it is accessible You ve Come a Long Way Baby appeals to anyone interested in confronting the struggles and celebrating the achievements of women in modern society Some of the articles are down to earth some are down and dirty Some are matter of fact others deliberately argumentative in tone The book itself is a treasury

The End of Television? Elihu Katz, Paddy Scannell, 2009-09-17 Is television dead The classic television era of the 1950s and 1960s characterized by limited choices of programs broadcast on over the air channels to

families as if they were seated around a hearth and to a nation as if gathered around a campfire has indeed ended That early stage of sharedness and scarcity gave way to the television of plenty when satellite and cable and competition reigned choice was suddenly expanded and every room in the home had its own television set And now television offers infinite choices where we can view what we like when we like where we like on a variety of screens telephones and Web sites Some researchers assert that television is not dead but has merely moved from a collectivist to an individualist phase Throughout the drastic evolution of this media thousands of studies have examined the short term effects of television such as the evaluation of persuasion campaigns Yet there is scant research on the overreaching sociological impacts of television and its centrality to Western culture over the past 60 years This compelling volume of *The ANNALS* is the first collection of rigorous articles devoted to studying ways in which television has impacted our values ideologies institutions social structure and culture Focusing on classic television these leading experts in media studies delve into the effects on social institutions namely family and politics and its effects on values and everyday behavior These seminal articles lay the groundwork for innovative studies of the numerous ways that television has impacted democracy social integration nation and family trust and suspiciousness materialism and identity social and physical Students and researchers will find a wealth of inspiration for new research projects It is a must have resource for social scientists interested in media studies

Politics and Politicians in Contemporary US Television Betty Kaklamanidou, Margaret Tally, 2016-10-04 Bringing together well established scholars of media political science sociology and film to investigate the representation of Washington politics on U S television from the mid 2000s to the present this volume offers stimulating perspectives on the status of representations of contemporary US politics the role of government and the machinations and intrigue often associated with politicians and governmental institutions The authors help to locate these representations both in the context of the history of earlier television shows that portrayed the political culture of Washington as well as within the current political culture transpiring both inside and outside of The Beltway With close attention to issues of gender race and class and offering studies from contemporary quality television including popular programmes such as *The West Wing* *Veep* *House of Cards* *The Americans* *The Good Wife* and *Scandal* the authors examine the ways in which televisual representations reveal changing attitudes towards Washington culture shedding light on the role of the media in framing the public s changing perception of politics and politicians Exploring the new era in which television finds itself with new production practices and the possible emergence of a new political genre emerging *Politics and Politicians in Contemporary U S Television* also considers the humanizing of political characters on television asking what that representation of politicians as human beings says about the national political culture A fascinating study that sits at the intersection of politics and television this book will appeal to scholars of popular culture sociology cultural and media studies
