Tell Me Something:

Tell Me Something I Don't Know: Dialogues in Epistemology Michael Veber, 2018-02-28 *Tell Me Something I Don't Know* is a collection of original dialogues in epistemology suitable for student readers but also of interest to experts. Familiar problems, theories, and arguments are explored. Second-order knowledge, epistemic closure, the preface paradox, skepticism, pragmatic encroachment, the Gettier problem, and more. New ideas on each of these issues are also offered, defended, and critiqued, often in humorous and entertaining ways.

Tell Me When You Feel Something Vicki Grant, 2021-06-15 The perfect after-school job turns deadly for teens working as simulated patients at the local med school. Everyone has something to hide, and no one is safe in this contemporary YA thriller that exposes the dark reality of MeToo in the world of medicine for fans of Karen McManus and Holly Jackson. It seemed like a cool part-time program: being a simulated patient for med school students to practice on. But now, vivacious, charismatic Viv lies in a very real coma. Cellphone footage just leads to more questions. What really happened? Other kids suspect it was not an intentional overdose, but each has a reason why they can't tell the truth. Through intertwining and conflicting narratives, a twisted story unfolds of trust betrayed as we sift through the seemingly innocent events leading up to the tragic night. Perhaps simulated patients aren't the only people pretending to be something they're not.

Something Good Ashley Ostler,2024-09-30 Life is messy Life is hard Life can still be beautiful While writing Something Good I was able to reflect on the days when I spent a lot of time praying to have God remove me from my trials Now I am grateful for those challenges that have helped me better come to know God I would love to share my experiences with you Something Good is a collection of stories that address some of the hardships that I have faced and how I began to heal after I allowed myself to feel once again I wrote this book as an alternative to using substances to fix what felt broken inside of me I struggle with addiction mental illness type 1 diabetes and grief among myriad other challenges that you and I might have in common The details of my experiences might look differently than yours and that is okay because the fact that we are all suffering to some degree sets us on common ground I believe that hardships are the ties that bind humanity and point our focus back toward God I hope that you can find something good to encourage you while reading this book because you my friend are not alone in your trials Much love AO
