Lifting the Veil Leonard Burton Gardner, 2018-07-25 Some time ago

I came across several religious poems written over eighty years ago by my grandfather Leonard Burton Gardner Sr They sparked thought and explanation about the meaning of life for even a nonpoetry guy like me My grandfather called his collection *Lifting the Veil* and it has not been available to the public until now As stated in the book s dedication no subject has been more bitterly attacked than Christ s birth His life s history the miracles He performed the cures He wrought His death resurrection transfiguration and the historical events leading up to and including His ascension My Grandfathers poems are pensive and provocative poems combined with intuition and physics in a remarkable fashion *God's Blue Book*

received messages from Mary Jesus and various saints This is the account of the revelation that God wishes to give the world through Christina an eloquent plea for the renewal of faith and the attainment of peace *My Vision of Hell* Pastor Sheila M. ummer,2019-05-02 My Vision of Hell A Sacrifice for Others to See is the title of my book It is about a dream that God gave to me in 1992 By the end of that same year I backslid and after a period of repentance in 1995 God gave me the order in which to write about it I was in such a struggle in starting to even write because regrettably I backslid again in 1996 I realized that this job was not for me And I knew that God had definitely got the wrong person to write for him It was in December 2003 when God audibly spoke in my ears I ve called imperfect people for perfect tasks and in me in him are great victories Then he said Write it down put it in a book and tell my people tell my churches that HELL IT IS REAL **In the Garden there was a New Tomb** Paul Creevey,2024-11-18 Paul Creevey considers the central question Can one simply assume that the story of the burial empty tomb and appearance narratives in John s Gospel are a literary unity There are many issues in coherence and cohesion that have led to a wide number of interpretations given to many different aspects of the text that is John 19 37 20 29 It is also widely recognized that John s retelling of these events are distinctive Creevey analyses the text of John 19 37 20 29 showing that the Johannine Evangelist has created a two part tripartite defense of two central aspects of Christian faith the case for the empty tomb and the case for the appearance narratives Using internal literary evidence as well as external evidence from the earliest extant manuscripts he argues that this text has been created to show that the testimony and witness of those first disciples is true and is the basis of any future Christian belief This work addresses all the issues in the apparent lack of cohesion and coherence in the text to show that each part of the text is connected to an overall defense of belief in these two central aspects of faith Finally what is at the heart of these two events is the need to accept that it is the relationship that one has to Jesus and the Father that is central to acceptance of this narrative as an inspired narrative that offers hope for all people *From Medieval Pilgrimage to Religious Tourism* William H. Swatos Jr.,William H. Swatos,Luigi Tomasi,2002-02-28 This collection of essays offers a framework for understanding the transition from the essentially penitential purposes of the medieval pilgrimage to the rise of the varied spiritualities of contemporary religious tourism **Living Liturgy** Katy Beedle Rice,Orin E. spirituality and strengthens the worship experience for the whole parish **My Testimony** Jean-Marie Nkusi, 2024-09-16 I believe this is the right way to reach the world so they can be blessed by my true and unique Testimony from Heaven and to enhance their faith in God and follow Christ Jesus who is Alive and well **Young People's Illustrated Bible History** Alvan Bond, 1878 Being Divinely Led by the Lord Chukie MORSI, 2023-01-22 Being Divinely Led by the Lord As a child of God being divinely led by the Lord is fundamental concept in every phase of life Throughout the Old and New Testaments of the Bible man has received divine guidance As Christians it is important to know the differences between the leading on the old and the New Testaments The Word of God is the ultimate divine guidance The ways of being led may have seemed different at varying times and yet central to the guidance is the need for the obedience by those being led Today those principles remain firmly in place Through this book Chuckie Morsi takes the reader through the ultimate guide book of how the Lord leads His children and the consequences and the rewards experienced by His children It is about knowing and understanding the basic principles of enjoying God's lead and guidance The aim is to overcome the myths of the traditions of men which may come dressed up as God's leading and consequently keep the believers in bondage However when the spirit of TRUTH is come he will GUIDE you into ALL TRUTH for he shall not speak of himself but whatsoever he shall hear that shall he speak and he will shew you things to come John 16:13
