Literary Trails of the North Carolina Piedmont Georgann Eubanks, 2010-10-15 Read your way across North Carolina's Piedmont in the second of a series of regional guides that bring the state's rich literary history to life for travelers and residents. Eighteen tours direct readers to sites that more than two hundred Tar Heel authors have explored in their fiction, poetry, plays, and creative nonfiction. Along the way, excerpts chosen by author Georgann Eubanks illustrate a writer's connection to a specific place or reveal intriguing local culture insights rarely found in travel guidebooks. Featured authors include O. Henry, Doris Betts, Alex Haley, Langston Hughes, Zora Neale Hurston, John Hart, Betty Smith, Edward R. Murrow, Patricia Cornwell, Carson McCullers, Maya Angelou, Lee Smith, Reynolds Price, and David Sedaris. *Literary Trails* is an exciting way to see anew the places that you already love and to discover new people and places you hadn't known about. The region's rich literary heritage will surprise and delight all readers.

Wait, Listen, Record Jessie Schlaser, 2012-04-19 Jessie Schlaser exemplifies Jesus's words in Matthew 25: "Then the King will say to those on His right, 'Come, you who are blessed by my Father, take your inheritance, the kingdom prepared for you since the creation of the world. For I was hungry and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me, I tell you the truth, whatever you did for the least of these brothers of mine, you did for me.' Caring for the least of these has been Jessie's life. Now she shares that life with you in words of wisdom and encouragement she received from God in some of her darkest hours of personal pain and in testimonies of God's power manifest in her life and through her in the lives of others. Walk with Jessie as well through visions of the garden of God and heed the warnings of the troubles of our times. This book gives a chronological look at the walk with God of an everyday follower of Jesus Christ, someone just like you and me. Jessie's purpose in sharing with you is that you might be encouraged, uplifted, and inspired in your own daily life, whatever stage of life you are in and whatever you are going through.

Life Among the Paiutes Sarah Winnemucca, 2021-04-23 *Life Among the Paiutes* 1883 is a book by Sarah Winnemucca. Written toward the end of a lifetime of advocacy on behalf of Native Americans, *Life Among the Paiutes* is a hybrid work of history and memoir by Sarah Winnemucca, who witnessed firsthand the dangers of unchecked occupation by US government and military forces. Intended as a rallying cry to white Americans, *Life Among the Paiutes* is considered the first autobiographical work written by a woman of Native American heritage. "Oh my dear good Christian people, how long are you going to stand by and see us suffer at your hands? First and foremost, Winnemucca's groundbreaking text is intended for an Anglo-American audience whose political status the author hopes to use as a means of bringing her message to the halls of Congress. In the memoir section, Winnemucca describes her upbringing among the Northern Paiute in Nevada, whose lives were irrevocably disrupted by incursions from white settlers and military raids. After the murder of her mother and several members of her family by the US Cavalry, Winnemucca dedicated herself to social work and activism.

using her knowledge of the English language to reach a larger audience Weaving her own story into the story of her people Winnemucca makes a compelling case for the reparation of land and sovereignty to the Northern Paiutes who had been devastated and dispersed for decades after making contact with American settlers With a beautifully designed cover and professionally typeset manuscript this edition of Sarah Winnemucca's *Life Among the Paiutes* is a classic work of Native American literature reimagined for modern readers
