*Teaching the Greatest Profession* J. KRISHNAMURTI, This book consists of six discussions that Krishnamurti had with teachers of Rajghat Besant School and Rishi Valley School in 1984 It may be regarded as an introduction to his vision of education for those who seeing the collapse of educational systems in the modern world feel therefore the importance of their being teachers of a different kind Throughout his life Krishnamurti maintained that teachers had a special responsibility in that they had to nurture not only the academic side of a child but also and more importantly the psychological side
