Tell Toqaan A Syrian Village:

Tell Toqaan: a Syrian Village Louise Elizabeth Sweet, 1969 *Tell Toqaan, A Syrian Village* Louise E. Sweet, 1960
Anthropologist Louise E Sweet conducted her fieldwork in 1954 in Tell Toquaan a Muslim Arab village in northwest Syria In this volume she presents her research a thorough description of life in the village She discusses in detail the geography and climate history and language settlement patterns animal husbandry agriculture buildings and compounds household technology and economics commerce division of labor social structure and ideology and ritual **Tell Toqaan: a Syrian Village** Louise Elizabeth Sweet, 1960 **Tell Toqaan** Louise Elizabeth 1916- Sweet, 2021-09-10 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Syria, a Country Study** American University (Washington, D.C.). Foreign Area Studies, 1979 **Area Handbook for Syria** Richard F. Nyrop, 1971 Attempts to provide a comprehensive study of the dominant social political and economic aspects of Syrian society and to identify the pattern of behaviour characteristic of its members *Area Handbook for Syria* American University (Washington, D.C.). Foreign Areas Studies Division, 1970 **The Social Origins of the Modern Middle East** Haim Gerber, 1987
Community, Identity, and Ideology Charles Edward Carter, Carol L. Meyers, 1996 This collection of essays contextualizes the history and current state of the social science method in the study of the Hebrew Bible Part 1 traces the rise of social science criticism by reprinting classic essays on the topic Part 2 provides case studies examples of application of the methods to biblical studies *Historical Dictionary of Syria* David Commins, 2004-03-29 This Second Edition gives the reader easy access to the history and contemporary situation of one of the world s ancient civilizations The heart of the work is more than 350 entries on the most influential political figures and events religious groups and movements economic sectors social institutions and cultural facets The second edition includes nearly 100 entirely new entries and updates on 43 entries from the first edition An important difference between the two editions is the inclusion of many more entries on social institutions such as the family and coffeehouses cultural aspects such as art architecture cinema literature music and theater and economic facets such as inflation corruption the public sector and efforts at reform There is also expanded coverage on Syria s political dynamics with entries on human rights civil society and security forces The only specific reference work in English this new edition addresses profound changes in Syria s domestic and regional circumstances The domestic political

scene witnessed a major transition with the passing of Syria's ruler for 30 years Hafiz al Asad and the unexpectedly smooth succession of his son Bashar as new president in 2000. The regional situation has changed even more since the first edition came out in 1996. Peace talks with Israel collapsed in 2000 and three years later the United States invaded Iraq beginning an occupation of Syria's neighbor for an indeterminate period with incalculable consequences. In addition to the A to Z dictionary, the second edition contains a chronology that presents fairly general information on early centuries and becomes quite detailed for the most recent years. The bibliography also reflects significant changes in research on Syria. Not only does the bibliographical essay highlight important new monographs, it introduces the reader to credible Internet resources for guides to travel and popular culture as well as news and statistical data at major international organizations. **T&T Clark**

Handbook of Food in the Hebrew Bible and Ancient Israel Janling Fu, Cynthia Shafer-Elliott, Carol Meyers, 2021-11-04. Food and feasting are key themes in the Hebrew Bible and the culture it represents. The contributors to this handbook draw on a multitude of disciplines to offer an overview of food in the Hebrew Bible and ancient Israel. Archaeological materials from biblical lands along with the recent interest in ethnographic data, a new focus in anthropology and emerging technologies provide valuable information about ancient foodways. The contributors examine not only the textual materials of the Hebrew Bible and related epigraphic works but also engage in a wider archaeological, environmental and historical understanding of ancient Israel as it pertains to food. Divided into five parts, this handbook examines and considers environmental and socio-economic issues such as climate and trade, the production of raw materials and the technology of harvesting and food processing. The cultural role of food and meals in festivals, holidays and biblical regulations is also discussed, as is the way food and drink are treated in biblical texts, in related epigraphic materials and in iconography.

Intimate Selving in Arab Families Suad Joseph, 1999-12-01. The study of relationships, a topic which has received considerable attention in Europe, the United States and parts of Asia, until now has not been addressed in the Arab world. Here for the first time are articles written by native feminist scholars that focus on intimate Arab familial relationships and provide a scholarly discussion of gendering of the self, the process of intimate selving in the Arab community. The book is divided into three parts: biographical and autobiographical, ethnographic and literary accounts in which the authors identify key family relationships: mother-son, brother-sister, mother-daughter, granddaughter, co-wives and father-daughter, and explore them in terms of shaping and defining gender in relation to others. **Anthropology of the Middle East and North Africa**

Sherine Hafez, Susan Slyomovics, 2013-06-05. This volume combines ethnographic accounts of fieldwork with overviews of recent anthropological literature about the region on topics such as Islam, gender, youth and new media. It addresses contemporary debates about modernity, nation building and the link between the ideology of power and the production of knowledge. Contributors include established and emerging scholars known for the depth and quality of their ethnographic writing and for their interventions in current theory. **A History of Islamic Societies** Ira M. Lapidus, 2002-08-22. Ira

Lapidus classic history of the origins and evolution of Muslim societies revised and updated for this second edition first published in 2002

Arabic Culture M.H. Bakalla, 2023-05-31 First published in 1981 and this edition in 1984 Arabic Culture Through its Language and Literature aims to present a bird's eye view of its subject. It is intended for non-specialist student of Arabic especially those who have not yet mastered the language and are therefore not able to read about Arabic literature in its original sources. It covers the linguistic origins of Arabic dialects and history and includes chapters on Arab linguistic scholarship and the development of the Arabic script. It also deals with all aspects of Arabic literature from pre-Islamic poetry to major Arab literary figures from the Arabian Nights to modern Arab Poetesses from proverbs to literary criticism

The Transformation of Nomadic Society in the Arab East Martha Mundy, Basim Musallam, 2000-11-09 In this 2000 book Martha Mundy and Basim Musallam bring together an international team of contributors consisting of archaeologists, geographers, historians, anthropologists and agronomists in a penetrating interdisciplinary account of the transformation of nomadic society. The chapters provide an integrated analysis of the changing relations of ecology, economy and socio-political organisation in the steppes of the central Middle East, documenting the longue durée of history alongside the more rapid transformations of the twentieth century. A series of maps and figures illustrate the narrative while a bibliographic essay analyses the existing literature. This is an accessible and interactive book which provides a comprehensive overview of a fascinating and complex society. It will attract readers from a variety of disciplines including those interested in contemporary environmental and development issues.

The Archaeology of Mobility Hans Barnard, Willeke Wendrich, 2008-12-31 There have been edited books on the archaeology of nomadism in various regions and there have been individual archaeological and anthropological monographs but nothing with the kind of coverage provided in this volume. Its strength and importance lies in the fact that it brings together a worldwide collection of studies of the archaeology of mobility. This book provides a ready-made reference to this worldwide phenomenon and is unique in that it tries to redefine pastoralism within a larger context by the term mobility. It presents many new ideas and thoughtful approaches especially in the Central Asian region.

Arab Family Studies Suad Joseph, 2018-07-10 Family remains the most powerful social idiom and one of the most powerful social structures throughout the Arab world. To engender love of nation among its citizens, national movements portray the nation as a family. To motivate loyalty, political leaders frame themselves as fathers, mothers, brothers or sisters to their clients, parties or the citizenry. To stimulate production, economic actors evoke the sense of duty and mutual commitment of family obligation. To sanctify their edicts, clerics wrap religion in the moralities of family and family in the moralities of religion. Social and political movements from the most secular to the most religious pull on the tender strings of family love to recruit and bind their members to each other. To call someone family is to offer them almost the highest possible intimacy, loyalty, rights, reciprocities and dignity. In recognizing the significance of the concept of family, this state-of-the-art literature review captures the major theories, methods and case

studies carried out on Arab families over the past century The book offers a country by country critical assessment of the available scholarship on Arab families Sixteen chapters focus on specific countries or groups of countries seven chapters offer examinations of the literature on key topical issues Joseph s volume provides an indispensable resource to researchers and students and advances Arab family studies as a critical independent field of scholarship *Galilee in the Late Second Temple and Mishnaic Periods, Volume 1* James Riley Strange,2015-07-10 Drawing on the expertise of archaeologists historians biblical scholars and social science interpreters who have devoted a significant amount of time and energy in the research of ancient Galilee this accessible volume includes modern general studies of Galilee and of Galilean history as well as specialized studies on taxation ethnicity religious practices road systems trade and markets education health village life houses and the urban rural divide This resource includes a rich selection of images figures charts and maps *Galilee in the Late Second Temple and Mishnaic Periods* David A. Fiensy,James Riley Strange,2014 This first of two volumes on ancient Galilee provides general surveys of modern studies of Galilee and of Galilean history followed by specialized studies on taxation ethnicity religious practices road system trade and markets education health village life houses and the urban rural divide The volume draws on the expertise of archaeologists historians biblical scholars and social science interpreters Christians Jews and secular scholars North Americans Europeans and Israelis and those who have devoted a significant amount of time and energy in this research especially those who have excavated in Galilee for many years A key goal of this volume and its companion volume devoted to the archaeological record of towns and villages is to make this information easily accessible to New Testament scholars and Mishnah scholars not familiar with these materials while also usable to the average interested reader Includes several images figures charts and maps

Tell Toqaan A Syrian Village Introduction

In the digital age, access to information has become easier than ever before. The ability to download Tell Toqaan A Syrian Village has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Tell Toqaan A Syrian Village has opened up a world of possibilities. Downloading Tell Toqaan A Syrian Village provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Tell Toqaan A Syrian Village has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Tell Toqaan A Syrian Village. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Tell Toqaan A Syrian Village. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Tell Toqaan A Syrian Village, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Tell Toqaan A Syrian Village has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it

offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
