Telling East Timor Oral Accounts 1942 199:

Subject Guide to Books in Print ,1993 Timor Timur Lela E. Madjiah,2002 Political conditions before disintegration of Timor Timur from Indonesia **Oral Literature, Gender, and Precedence in East Timor** David Hicks,2021 Decades of war social upheaval and political change have not lessened the enduring interest of the people of East Timor Timor Leste in their oral traditions something they share with their neighbors in the eastern islands of Indonesia Although oral literature continues to occupy a central place in Timorese cultures new forms of expression are emerging for instance via published fiction and in social media Nonetheless the corpus of Timorese oral narrative largely retains an underlying metaphysical unity Among others it continues to express indigenous notions about gender and precedence two important sociocultural markers that are among the most prominent topics currently under discussion by scholars of the region today 0 What has yet to be done however is to bring Timorese oral narratives into mainstream social science scholarship by subjecting them to a rigorous scholarly analysis That is the purpose of this masterly study by the veteran Timor scholar David Hicks Drawing upon more than a half century of fieldwork and publishing he discusses the tropes found in and illuminating Timorese metaphysical thought and literature No other work has discussed these tropes before nor indeed attempted to discern patterns of thought in Timorese narratives 0 Certainly the study will be of interest to scholars of literature social science structural analysis Indonesian cultures and philosophy as well as to those interested in the country s colonial past and in efforts to conserve its natural environment The book should also appeal to educated citizens of Timor Leste here is a work illuminating how future aspirations might be grounded in a common heritage **The Day Hope and History Rhymed in East Timor** Pat Walsh,2019 In this colourful collection of stories about Timor Leste he also draws on his many years living in Dili to recall with wry affection the city s traffic roosters and a motley array of characters The latter range from a Norwegian bishop to a cockfight promoter an Australian called Dagg a honey seller a cat with only six lives a girl called Menahaha and two intellectual giants whose contributions to their human rights are largely unknown in Timor Leste back cover
