

STEEL WILL

The Life of Tad Sendzimir

The incredible achievements of Tad Sendzimir as inventor, steel maker and American entrepreneur acquire a near miraculous quality when seen in the context of his stormy life and career. Born in Poland, Sendzimir's odyssey spans pre-World War I Lwow, Krakow, Kiev, and Shanghai. There are

memorable portraits of these cities which seem as if they could only come from an eyewitness.

Sendzimir lived through World War I, walked unscathed through the Russian Revolution, the Chinese Revolution, the

rise of fascism, and World War II before becoming an American.
