

SAUL BELLOW

In this book John Steinbeck returns to the high standards of "The Grapes of Wrath" and to the social themes that made his early work so impressive and so powerful. Critics who said of him that he had seen his best days had better sit on their napkins and prepare to eat crow.

EDWARD WEEKS

Steinbeck turns East. This story of a charming island New Englander trying to regain the family fortune is told with ingenuity and poise. The women in it are particularly appealing. One of his best.

LEWIS GANNETT

The finest thing Steinbeck has written since "The Grapes of Wrath."

Steinbeck Yearbook Volume I 2000 The Winter Of Our Discontent:

The Winter of Our Discontent John Steinbeck, 2008-08-26 The final novel of one of America's most beloved writers a tale of degeneration corruption and spiritual crisis A Penguin Classic In awarding John Steinbeck the 1962 Nobel Prize in Literature the Nobel committee stated that with *The Winter of Our Discontent* he had resumed his position as an independent expounder of the truth with an unbiased instinct for what is genuinely American Ethan Allen Hawley the protagonist of Steinbeck's last novel works as a clerk in a grocery store that his family once owned With Ethan no longer a member of Long Island's aristocratic class his wife is restless and his teenage children are hungry for the tantalizing material comforts he cannot provide Then one day in a moment of moral crisis Ethan decides to take a holiday from his own scrupulous standards Set in Steinbeck's contemporary 1960 America the novel explores the tenuous line between private and public honesty and today ranks alongside his most acclaimed works of penetrating insight into the American condition This Penguin Classics edition features an introduction and notes by leading Steinbeck scholar Susan Shillinglaw For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators [Steinbeck Yearbook](#) ,2002 **A**

John Steinbeck Reader Barbara A. Heavilin, 2009-02-03 Celebrating the all too brief life of a young scholar dedicated to Steinbeck studies A John Steinbeck Reader Essays in Honor of Stephen K George gathers essays from various vantage points including aesthetic feminist ethical and comparative perspectives Under the direction of Barbara A Heavilin George's coeditor of *The Steinbeck Review* journal and the book *John Steinbeck and His Contemporaries* the authors of these articles have come together both to pay tribute to Stephen and to widen the range of Steinbeck scholarship Included in this volume are works by two acclaimed poets as well as insightful readings of a little known early short story and an unsuccessful novel by Steinbeck In addition to George who is represented here with an essay on societal ethics and Heavilin who writes about *Travels with Charley* the contributors to this volume include Mary Brown Danica Cerce Mimi Gladstein Charlotte Hadella Tetsumaro Hayashi Luchen Li Michael J Meyer Kyoshi Nakayama Brian Railsback Thom Satterlee Stephen L Tanner and John H Timmerman Designed for both a general and a professional audience this collection will delight the Steinbeck buff enlighten the Steinbeck student and provides an array of topics views and approaches for Steinbeck scholars and teachers While acknowledging one of its most devoted scholars A John Steinbeck Reader will also be a welcome addition to the wealth of Steinbeck studies **A Political Companion to John Steinbeck** Cyrus Ernesto Zirakzadeh, Simon Stow, 2013-06-01 Though he was a recipient of both the Pulitzer Prize and the Nobel Prize for Literature American novelist John Steinbeck 1902 1968 has frequently been censored Even in the twenty first century nearly ninety years after his work first appeared in

print Steinbeck's novels, stories and plays still generate controversy; his 1937 book *Of Mice and Men* was banned in some Mississippi schools in 2002 and as recently as 2009 he made the American Library Association's annual list of most frequently challenged authors. *A Political Companion to John Steinbeck* examines the most contentious political aspects of the author's body of work from his early exploration of social justice and political authority during the Great Depression to his later positions regarding domestic and international threats to American policies. Featuring contemporaneous and present-day interpretations of his novels and essays by historians, literary scholars and political theorists, this book covers the spectrum of Steinbeck's writing, exploring everything from his place in American political culture to his seeming betrayal of his leftist principles in later years.

From an Existential Vacuum to a Tragic Optimism Barbara A. Heavilin, Charles W. Heavilin, 2014-07-03

From an Existential Vacuum to a Tragic Optimism: The Search for Meaning and the Presence of God in Modern Literature employs a new theoretical approach to critical analysis. Victor Frankl's logotherapy, from the Greek *logos* for word or reason and often related to divine wisdom, is a unique form of existentialism. On the basis of his observations of the power of human endurance and transcendence, the discovery of meaning even in the midst of harrowing circumstances, Frankl diagnoses the malaise of the current age as an existential vacuum, a sense of meaninglessness. He suggests that a panacea for this malaise may be found in creativity, love and moral choice, even when faced with suffering or death. He affirms that human beings may transcend this vacuum, discover meaning or even ultimate meaning to be found in Ultimate Being or God and live with a sense of tragic optimism. This book observes both the current age's existential vacuum, a malaise of emptiness and meaninglessness, and its longing for meaning and God, as reflected in three genres: poetry, novel and fantasy.

Part I: Reflections of God in the Poetic Vision addresses tragic optimism, hope when there seems to be no reason for hope, in poems by William Butler Yeats, T. S. Eliot, Samuel Taylor Coleridge and Gerard Manley Hopkins.

Part II: American Angst. *Emptiness and Possibility in John Steinbeck's Major Novels* presents a study of Steinbeck's *The Grapes of Wrath*, *East of Eden* and *The Winter of Our Discontent*, novels that together form a uniquely American epic trilogy. Together, these novels tell the story of a nation's avarice, corruption and betrayal, offset by magnanimity, heroism and hospitality. Set against the backdrop of Frankl's ways of finding meaning and fulfillment, all obliquely implying the felt presence of God, the characters are representative of every American, in whose lives are reflected a nation's worst vices and best hopes.

Part III: A Tragic Optimism. *The Triumph of Good in the Fantasy Worlds of Tolkien, Lewis and Rowling* defines fantasy and science fiction as mirrors with which to view reality. J. R. R. Tolkien's *The Lord of the Rings*, C. S. Lewis's *The Screwtape Letters* and J. K. Rowling's *Harry Potter* series are considered in the light of Frankl's logotherapy, providing paths to meaning and the ultimate meaning to be found in God. In a postmodern, fragmented age, these works affirm a continuing vision of God, often through His felt absence and also a most human yearning for meaning, even when there seems to be none, providing, as Frankl maintains, a tragic optimism.

The Moral Philosophy of John Steinbeck Stephen K. George, 2005-03-23 More than any other author of the Modern

period of American literature John Steinbeck evidenced a serious interest and background in moral philosophy His personal reading collection included works ranging from Kant and Spinoza to Taoism and the Bible Critics also consistently identify Steinbeck as an author whose work promotes serious moral reflection and whose characters undergo profound moral growth Yet to date there has been no sustained examination of either John Steinbeck s personal moral philosophy or the ethical features and content of his major works This critical neglect is remedied by a collection of highly readable essays exploring the philosophy and work of one of America s few Nobel Prize winning authors These thirteen essays written by experts both within philosophy and Steinbeck studies examine almost all of Steinbeck s major works Included in the compilation are five general essays examining Steinbeck s own moral philosophy and eight specific essays analyzing the ethics of various major works *Steinbeck Studies*, 2001 *John Steinbeck* Stephen K. George, 2002-11-30 One hundred years after his birth this volume presents a stimulating range of perspectives on Steinbeck s life and work with over a dozen pieces written by sons wives and close friends such as Arthur Miller and Tom Wolfe and 15 more written by critics scholars biographers and enthusiasts from around the world Includes about a dozen b w photographs Annotation copyrighted by Book News Inc Portland OR *The Methuen Drama Guide to Contemporary American Playwrights* Christopher Innes, Peter Paul Schnierer, Martin Middeke, Matthew C. Roudané, 2013-12-19 Unrivalled in its coverage of recent work and writers The Methuen Drama Guide to Contemporary American Playwrights surveys and analyses the breadth vitality and development of theatrical work to emerge from America over the last fifty years This authoritative guide leads you through the work of 25 major contemporary American playwrights discussing more than 140 plays in detail Written by a team of 25 eminent international scholars each chapter provides a biographical introduction to the playwright s work a survey and concise analysis of the writer s most important plays a discussion of their style dramaturgical concerns and critical reception a bibliography of published plays and a select list of critical works Among the many Tony Obie and Pulitzer prize winning playwrights included are Sam Shepard Tony Kushner Suzan Lori Parks August Wilson Paula Vogel and Neil LaBute The abundance of work analysed enables fresh illuminating conclusions to be drawn about the development of contemporary American playwriting *The Oxford Encyclopedia of American Literature* Jay Parini, 2004 This set treats the whole of American literature from the European discovery of America to the present with entries in alphabetical order Each of the 350 substantive essays is a major interpretive contribution Well known critics and scholars provide clear and vividly written essays that reflect the latest scholarship on a given topic as well as original thinking on the part of the critic The Encyclopedia is available in print and as an e reference text from Oxford s Digital Reference Shelf At the core of the encyclopedia lie 250 essays on poets playwrights essayists and novelists The most prominent figures such as Whitman Melville Faulkner Frost Morrison and so forth are treated at considerable length 10 000 words by top flight critics Less well known figures are discussed in essays ranging from 2 000 to 5 000 words Each essay examines the life of the author in the

context of his or her times looking in detail at key works and describing the arc of the writer's career. These essays include an assessment of the writer's current reputation with a bibliography of major works by the writer as well as a list of major critical and biographical works about the writer under discussion. A second key element of the project is the critical assessments of major American masterworks such as *Moby Dick*, *Song of Myself*, *Walden*, *The Great Gatsby*, *The Waste Land*, *Their Eyes Were Watching God*, *Death of a Salesman*, or *Beloved*. Each of these essays offers a close reading of the given work placing that work in its historical context and offering a range of possibilities with regard to critical approach. These fifty essays ranging from 2,000 to 5,000 words are simply and clearly enough written that an intelligent high school student should easily understand them but sophisticated enough that a college student or general reader in a public library will find the essays both informative and stimulating. The final major element of this encyclopedia consists of fifty odd essays on literary movements, periods, or themes pulling together a broad range of information and making interesting connections. These essays treat many of the same authors already discussed but in a different context; they also gather into the fold authors who do not have an entire essay on their work so that Zane Grey, for example, is discussed in an essay on Western literature but does not have an essay to himself. In this way the project is truly encyclopedic in the conventional sense. These essays aim for comprehensiveness without losing anything of the narrative force that makes them good reading in their own right. In a very real fashion the literature of the American people reflects their deepest desires, aspirations, fears, and fantasies. The *Oxford Encyclopedia of American Literature* gathers a wide range of information that illumines the field itself and clarifies many of its particulars.

Arthurian Writers Laura Lambdin, Robert Thomas Lambdin, 2007-11-30 King Arthur is perhaps the central figure of the medieval world and the lore of Camelot has captivated literary imaginations from the Middle Ages to the present. Included in this volume are extended entries on more than 30 writers who incorporate Arthurian legend in their works. Arranged chronologically, the entries trace the pervasive influence of Arthurian lore on world literature across time. Entries are written by expert contributors and discuss such writers as Geoffrey of Monmouth, Boccaccio, Chaucer, Mark Twain, John Steinbeck, and Margaret Atwood. Each entry provides biographical information, a discussion of the author's use of Arthurian legend, and contribution to the Arthurian literary tradition, and a bibliography of primary and secondary material. The volume begins with an introductory overview and concludes with suggestions for further reading. The central figure of the medieval world, King Arthur, has captivated literary imaginations from the Middle Ages to the present. This book includes extended entries on more than 30 writers in the Arthurian tradition. Arranged chronologically and written by expert contributors, the entries trace the pervasive influence of Arthurian legend from the Middle Ages to the present. Each entry provides biographical information, a discussion of the writer's use of Arthurian legend, and contribution to the Arthurian literary tradition, and a bibliography of primary and secondary material. The volume begins with an introductory overview and closes with a discussion of Arthurian lore in art along with suggestions for further reading. Students will gain a better
