Stella Benson:

Some Letters of Stella Benson, 1928-1933 Stella Benson, 1978 **Living Alone** Stella Benson, 2021-06-21 Living Alone 1919 is a novel by Stella Benson Considered a pioneering work of fantasy fiction Living Alone is a story of magic set in London during the First World War Benson's meditative diaristic prose guides the reader alongside her protagonist a young woman introduced to a world of witchcraft and wizardry at the House of Living Alone Nothing else happened in that room At least nothing more important than the ordinary manifestations attendant upon magic The lamp had tremulously gone out Coloured flames danced about the Stranger's head One felt the thrill of a purring cat against one's ankles one saw its green eyes glare But these things hardly counted Guided by her political commitments Sarah Brown dedicates herself to charity work during the First World War When a witch invites her to stay in a mysterious home Sarah embarks on the adventure of a lifetime with her loyal dog David Described by its author in playfully mysterious terms This is not a real book Living Alone is a unique and haunting masterpiece that looks upon a tumultuous historical period with fresh perspective presenting a story of growth and identity in an intoxicating world of magic and mystery With a beautifully designed cover and professionally typeset manuscript this edition of Stella Benson's Living Alone is a classic work of British literature reimagined for modern readers *Stella Benson, "Poet and Novelist."* ,192? *Twenty* Stella Benson, 1918 Stella Benson Joy Grant, 1987

This Is the End Stella Benson, 2004-10 This is the end for the moment of all my thinking this is my unfinal conclusion There is no reason in tangible things and no system in the ordinary ways of the world Hands were made to grope and feet to stumble and the only things you may count on are the unaccountable things System is a fairy and a dream you never find system where or when you expect it There are no reasons except reasons you and I don't know I should not be really surprised if the policeman across the way grew wings or if the deep sea rose and washed out the chaos of the land I should not raise my eyebrows if the daily press became the Little Sunbeam of the Home or if Cabinet Ministers struck for a decrease of wages I feel no security in facts precedent seems no protection to me The wisdom you can find in an Encyclopedia or in Selfridge's Information Bureau seems to me just a transitory adaptation to quicksand circumstances **Portrait of Stella Benson** R Ellis (Richard Ellis) 18 Roberts, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Twenty** Stella Benson, 2021-06-21 *Twenty* 1918 is a poetry collection by
