User's Guide to CTWALL Michael E. Pace,1994 **The Old Way** David Beal,2024-01-04 At the edge of the galaxy the Ostmen kingdoms have built a great rift gate capable of taking them further into space than ever before The clock ticks down as these once mighty people prepare for a new exhilarating adventure Sten and his family work tirelessly to bring the gate online seize their moment in time and claim the future But nothing could have prepared them for the war waiting on the other side Fear begins to set in as a new and unfathomably powerful enemy emerges through the fires of the gate The once peaceful galaxy is turned into a war torn expanse as the Ostmen people begin a fight for survival against a foe they know little to nothing about Through all the millennia The Ostmen have stood the test of time But now will their efforts be enough Or will they vanish like their forgotten past into the fog of war Hell Bent Nathan Waqa,2024-03-24 2317 The dreadnought Relentless leaps into hyperspace during one of the last battles against the alien Skiloi its destination unknown and is presumed lost with all hands by humanity 2337 Relentless returns to human space and as its commander begins to blaze a path of destruction across the stars towards Skiloi territories the Solarian Alliance rapidly mobilizes every starship it has in a desperate attempt to stop the rogue starship from restarting the war with their former enemies As Relentless proceeds inexorably onwards aboard the TSS Satori ex marine Ridley Martini is asked to undertake a perilous mission by her captain Board Relentless lead a squad to the bridge and overthrow whoever is in charge when she gets there The mission s goal is simple Failure is not acceptable and Relentless must be stopped at any cost **Creatures of Combat (Coc's)** William E. Dyson III,2015-09-10 The story involves human volunteers to undergo a medical transformation in bulky muscled six foot tall black creatures to rescue an exploration crew of Earth from aliens of the Blue Mist planet The rescuers find themselves outnumbered and outgunned by the aliens who will stop at nothing to destroy them Lots of action and adventure are involved as this team takes on an impossible mission that no human would dare take on the mysteries of outer space
