Stepford Wives:

The Stepford Wives Ira Levin, 2011-04-26 The internationally bestselling novel by the author of *A Kiss Before Dying* The Boys from Brazil and *Rosemary's Baby* With an Introduction by Peter Straub For Joanna her husband Walter and their children the move to beautiful Stepford seems almost too good to be true It is For behind the town's idyllic facade lies a terrible secret a secret so shattering that no one who encounters it will ever be the same At once a masterpiece of psychological suspense and a savage commentary on a media driven society that values the pursuit of youth and beauty at all costs *The Stepford Wives* is a novel so frightening in its final implications that the title itself has earned a place in the American lexicon

The Stepford Wives Ira Levin, 2011-07-21 The women of Stepford are not all that they seem All the beautiful people live in idyllic Stepford Connecticut an affluent suburban Eden populated with successful satisfied hubbies and beautiful dutiful wives For Joanna Eberhart newly arrived with her husband and two children it all seems too good to be true from the sweet Welcome Wagon lady to all those cheerful friendly faces in the supermarket checkout lines But just beneath the town's flawless surface something is sordid and wrong something abominable with roots in the local Men's Association And it may already be too late for Joanna to save herself from being devoured by Stepford's hideous perfection

The Stepford Wives Samantha Lindop, 2022 *The Stepford Wives* 1975 occupies an unusual position in cinematic history As is often the case with cult texts the film was both a box office flop and widely misunderstood on release Intended as a feminist diatribe it was derided by Betty Friedan whose 1963 book *The Feminine Mystique* it literalised Even Ira Levin author of the novel from which the film was adapted concedes he was less than enthused with the filmed version Despite this the term Stepford wife has become idiolect for a particular kind of one dimensional upper middle class woman who is figuratively and to some extent literally an automation Indeed one does not need to have seen or even heard of the film or Levin's book to be familiar with the concept This study finally gives *The Stepford Wives* the serious scholarly attention it deserves
