## **Stephen Leacock's Laugh Parade:**

*Stephen Leacock's Laugh Parade* Stephen Leacock, 1913      **Laugh Parade** Stephen Leacock, 1946      *Laugh Parade, A New Correction of the Wit and Humor of Stephen Leacock* Stephen Leacock, 1940      **Laugh Parade.** -- Stephen Leacock, 1944      Stephen Leacock's Laugh Parade Stephen Leacock, 1944      Stephen Leacock's Laugh Parade Stephen Leacock, 1940      *Stephen Leacock* David Staines, 1986 This collection of essays explores the many dimensions of the writings of Stephen Leacock the well loved Canadian author of *Sunshine Sketches of a Little Town* Published in English

Stephen Leacock Gerhard Richard Lomer, 1954      *Stephen Leacock* Ralph L. Curry, 2005      Feast of Stephen Stephen Leacock, 2012-01-25 Do you know the characteristic wine of Madeira I do not know whether Leacock ever drank Madeira himself he was very much a Scotch whisky man but I enjoy Madeira greatly and I never drink it without thinking of Leacock who was sometimes dry sometimes sweet but who always leaves upon the tongue a hint of brimstone In his witty and illuminating introduction which takes up the first third of the book Robertson Davies invites us to join him in a Feast of Stephen Davies selection of fifteen pieces from Leacock's less familiar works presents the humorist as a true broad and sympathetic interpreter of Canadian life as a man who may have lacked self knowledge and sensitive insight into the feelings of others but whose best work was the outpouring of genius All shades of Leacock's writing are represented here from the brilliant nonsense which made some critics liken him to Lewis Carroll to his occasional attacks of aggressive Lowbrowism Together in all their diversity Davies selections pay tribute to the gifts of exuberance originality and slightly malicious truth with which Leacock so entertainingly extends our vision      **Sunshine Sketches of a Little Town** Stephen Leacock, 2002-08-12 Set in the fictional landscape of Mariposa on the shores of Lake Wissanotti in Missinaba County Leacock's *Sunshine Sketches of a Little Town* is an affectionate satire of small town life This series of humorous connected sketches about graft high finance religion love and romance is on one level an intimate comic portrait of town life and local politics On another level the narrative is a powerful commentary on the workings of community values and on Canada's place within the British Empire The Broadview edition includes a critical introduction thorough annotation a list of textual variants and a range of contextual materials including Leacock's stage adaptation of *Sunshine Sketches*      Creative Canada , 1972-12-15 Did he ever play Hamlet Has she worked in television What was the title of his first novel Under whom did she study How many children has he Answers to such questions about contemporary Canadian artists have often been difficult even impossible to find This series has been created to provide the answers it covers creative and performing artists who have contributed as individuals to the culture of Canada in the twentieth century Each volume in the series presents a cross section of many different kinds of artists authors of imaginative works artists and sculptors musicians performers composers conductors and directors and performing artists in ballet modern dance radio theatre television and motion pictures directors designers and producers in theatre cinema radio television and the dance choreographers and for cinema cartoonists and

animators Within each category of art is included a selection of those who have achieved national and international recognition those who have been recognized locally and some now deceased who markedly influenced their contemporaries locally nationally or internationally This is not a critical compilation rather it is an objective and factual reference work for those interested in contemporary Canadian culture Information was collected by painstaking research in a wide variety of sources and wherever possible it has been verified by the artist to make each entry as accurate and comprehensive as possible

**Negotiating Disease** Barbara Natalie Clow, 2001 Criticism of conventional medicine is often regarded as a product of the 1960s Before then scientific medicine enjoyed uncontested cultural prestige with kindly but strict doctors wielding unquestioned authority over grateful patients while quacks flogged dubious remedies to the poor and credulous or so go popular perceptions and for the most part received scholarly wisdom But the very nature of cancer mysterious capricious and deadly challenged medical authority in the past as much as it does today and in *Negotiating Disease* Barbara Clow lays to rest old assumptions about the monopoly of health care by doctors in the first half of the twentieth century Her detailed analysis of popular beliefs and behaviours reveals the compelling logic of personal decisions about health and healing Experience and expectation not fear and ignorance shaped the health care choices of both cancer sufferers and the healthy public A close examination of three unconventional practitioners in Ontario demonstrates the importance and vitality of alternative medicine By presenting treatment options that were congenial and plausible to cancer sufferers these healers contested the authority of conventional medicine An investigation of government cancer care policy particularly the activities of Ontario's Commission for the Investigation of Cancer Remedies exposes the difficulties of defining legitimate health care and the limits of state support for the medical profession This is ultimately a book about who held power in medical encounters in the past With masterful assurance and a highly readable style Clow portrays the disputes between sufferers and healers practitioners and politicians and legislators and laity that coloured perceptions of medical authority and constrained the power of the profession

New Series* Library of Congress. Copyright Office, 1940 Includes Part 1 Books Group 1 Nos 1 12 1940 1943      **University Women** Sara Z. MacDonald, 2021-11-15 Bessie Scott nearing the end of her first year at university in the spring of 1890 recorded in her diary Wore my gown for first time It didn't seem at all strange to do so Often deemed a cumbersome tradition by men the cap and gown were dearly prized by women as an outward sign of their hard won admission to the rank of undergraduates For the first generations of university women higher education was an exhilarating and transformative experience but these opportunities would narrow in the decades that followed In *University Women* Sara MacDonald explores the processes of integration and separation that marked women's contested entrance into higher education Examining the period between 1870 and 1930 this book is the first to provide a comparative study of women at universities across Canada MacDonald concludes that women's higher education cannot be seen as a progressive narrative a triumphant story of trailblazers and firsts of doors being thrown open and staying open The early promise of equal education was not fulfilled in the longer term as a backlash against the growing presence of women on campuses resulted in separate academic programs closer moral regulation and barriers that restricted their admission into the burgeoning fields of science technology engineering and mathematics The modernization of higher education ultimately marginalized women students researchers and faculty within the diversified universities of the twentieth century *University Women* uncovers the systemic inequalities based on gender race and class that have shaped Canadian higher education It is indispensable reading for those concerned with the underrepresentation of girls and women in STEM and current initiatives to address issues of access and equity within our academic institutions
