Stepping Into The Aquarian Age:

The Word Volume 8: 1993-1998 Elizabeth Clare Prophet, 2020-01-01 Jesus Christ is the avatar of the ages the same yesterday today and forever We knew him when he walked the streets of Atlantis and Lemuria We also knew him in eras of darkness when he sought to lead men to the light His message did not begin with the Bible nor did it end with the Book of Revelation He has never stopped speaking to his own Two thousand years ago he foretold a time of tribulation the end of an age That time has come It is the era when the mystery of God should be finished when the Two Witnesses should prophecy a thousand two hundred and threescore days And so Jesus once more delivers his Word to a world in transition As always the message is one of judgement to the fallen angels admonishment to those who would walk in the light hope for all who are striving on the path and the vision of golden age to come This volume includes dictations by Jesus Christ through Elizabeth Clare Prophet given from 1993 to 1998 Stepping Into the Aquarian Age Nancy Privett, 2001 The Aquarian Age has been forecast as the Golden Age an era of peace and global community when the secrets of the universe will be revealed and an internal power source beyond imagining will be uncovered It is also a time when people will be forced to become responsible administrators of this power or suffer disastrous consequences Navigating this new evolutionary cycle can be difficult but the insights this book provides into the mystery schools of ancient wisdom the new relationship between modern physics and ancient teachings and the seven basic universal laws will teach people to become more compassionate wise powerful and aware **The Messianic Legacy in the Age of Aquarius** Celeste, 2007-11 Ever Wonder What Americas Horoscope reveals of our future destiny What the Constellations of the Zodiac convey esoterically How Freemasonry relates to the Mysteries of ancient Egypt and the founding of America What magical significance does our Great Seal present in its arcane symbolism Where Jesus was for the missing 20 years of Biblical history What the Dead Sea Scrolls found in 1947 reveal about Jesus What is Israel s role is in the Last Days scenario What became of the lost Ten Tribes of Israel Will Jesus really return to Earth in our lifetime Who the Lord and Master of the Universe really is How accurate the Holy Bible is according to historical events Wonder no more We are now at the precipice of a new Age of spiritual awakening Great Ages seem to produce mighty accomplishments in the arts and sciences and as well penetrating visions from the prophets of the time The Age of Aquarius starts off the seventh historical Millennium of our Creator God His symbolic day of rest His Sabbath Encoded in the circle of the Zodiac is a story of a Redeemer the Redemption and the Redeemed as the Zodiac intimately reflects Bible prophecy and is in complete accordance with prophecies of the ancient Patriarchs and Prophets Soon the Angels trumpets will sound and call us to prophesy and collect our Legacy *The Aquarian Age, Astronomy and Astrology* James L. Hicks, 1928 *As You Seek so Shall You Find* Barbara Knapp, 2016-12-29 The content of this book is about the awakening of the soul and the connection to our source of life As we evolve and grow spiritually we begin to search and seek for answers to some of the questions we have in our minds We look for the purpose of our existence and what that all means In seeking you find that

there really is a higher purpose and that your soul yearns to find that The soul begins the process of awakening and begins its ascension back to its source This is the journey of the soul **The Art of Deception is the Rule of Life** Albert Amao Soria Ph.D.,2024-07-09 This book is a spiritual journey of self discovery for those open minded and willing to embrace the truth even if it means confronting deep rooted false beliefs inherited from our ancestors It is a call to step out of the comfort of blissful ignorance and into the light of personal enlightenment Ignoring the truth may provide temporary solace but it can lead to greater despair and fear in the long term This existential gap is usually filled with religions myths and legends however these stories may not be entirely factual Nevertheless they provide solace and a sense of purpose in life so they are often considered well intentioned pious fiction Many desire to know the truth but few are genuinely prepared to handle it This book challenges many core beliefs and convictions held as accurate it may lead to existential conflict As King Solomon wisely said For with much wisdom comes much sorrow the more knowledge the more grief Ecclesiastes 1 18 These words resonate with the essence of this book inviting you to embark on a journey of self discovery and truth seeking It highlights the transformative potential of this process as those who can confront the truth honestly undergo a psychological catharsis a liberation of erroneous assumptions Thus this book is not for the faint of heart More than 2 500 years ago Buddha stated that life is an illusion and today s most accurate science quantum physics asserts that we live in virtual reality The truth can challenge our deepest convictions and induce confusion because we live based on false assumptions imposed by our ancestors mass media outdated education systems and traditional erroneous beliefs The Message of Aquaria Curtiss FH and HA,2022-08-20 The Significance and Mission of the Aquarian Age Be Your Own Shaman Deborah King, Ph.D.,2011-03-01 New York Times bestseller A one of a kind journey into the esoteric world of healing You may not realize it but just about everyone is a natural born healer In fact you probably already have some of the paranormal abilities related to this gift You may know who is calling before you answer the phone or be able to sense what others are thinking or feeling But you can further develop your inner talents and become your own shaman capable of healing whatever ails you and effecting change in someone else s energy field and body In this uniquely informative work master healer Deborah King introduces readers to Eastern and Western concepts and techniques both ancient and modern including her own cutting edge approach to healing You will learn how to protect yourself from a psychic attack and how to get beyond the limiting beliefs that hold you back This kind of self knowledge leads to self mastery the ultimate quest and the pivotal adventure of a lifetime Take this magical tour into the heart of healing and become the person you always knew you could be Be Your Own Shaman will take you deep within yourself and allow you to connect with life in a totally different way Anyone seeking the path of the healer needs to read this book Louise Hay New York Times bestselling author of You Can Heal Your Life *Toward a New Horizon: Unveiling the Secrets of the New Millennium* Pasquale De Marco,2025-07-20 Embark on a transformative journey into the Aquarian Age an era of inclusivity empathy and spiritual awakening Discover how the cosmos and human existence are

Signs of the Times Ray Grasse,2002-04-01 A unique and extremely interesting examination of both history and the unfolding present as seen through the prism of astrological significance John Anthony West author of *Serpent in the Sky* We may live in astonishing times but they are not incomprehensible when you know how to read the signs Everybody says we re entering the Age of Aquarius but when does it start and how will we know what it looks and feels like Ray Grasse deciphers the signs and correspondences of our nearing Aquarian future using the tools of astrology synchronicity and mythology He draws richly from contemporary religion art politics science even current movies to show how the cultural signs of Aquarius and our likely future are already apparent and changing our world The Aquarian Age will be marked by its intensely mental quality when information will be the driving force of society and the biggest challenges we face will be those of the mind Decentralization will be the order of business either the empowered individual will reign supreme or the collective interests of globalized society will predominate It could be both We are all participants in the global drama and all aspects of our inner and outer lives are bound up with the new Aquarian themes *Signs of the Times* is the authoritative travel guide for the trip into our future don t leave the present without it An attempt firmly anchored in the age old tradition of spiritual symbology to make sense of what often strikes us as utterly chaotic arbitrary and senseless

Georg Feuerstein PhD author of *The Yoga Tradition* *Who Are We?* William Sowder,Dr. Juanita Christopher,2017-12-27 In this book among other sources we have compiled key thoughts and material that were dictated to Alice Bailey starting in the 1920s and continuing through the 1960s from the Tibetan master Djwhal Khul As you see in the references she wrote eighteen books which were published by Lucis Publishing Company New York Djwhal Khul shared this material from another dimension giving us a new perspective We highly recommend these books because Djwhal Khul is in a higher vibrational dimension working and aiding us in an enlightened evolution What we have added to this book is some of our thoughts about the energies to which Khul refers We know very little about these energies and this material presents a challenge to us in our evolutionary sojourn Each of us must pursue our understanding and knowledge about these energies This is our goal and our
