## **Stepping Through The Narrow Gate:**

**Stepping Through the Gospels** Alan Engle, 2024-09-11 Experience continuous growth through the scriptures As Christians we know that studying God's word through a daily reading of the Bible brings personal growth enlightenment and power to our lives The Bible scriptures are living and are fresh every day The Bible is not like a novel we read through once and toss aside It is to be studied absorbed and lived out Are you serious about learning and understanding the Bible scriptures Alan Engle hopes you are and wants to help you along in your journey through his new book In this book he continues the idea of stepping or furthering your understanding of the Bible In this edition of the stepping series he highlights the four Gospels Matthew Mark Luke and John The format is the same as his first two books Stepping through the Psalms and Proverbs and More Steps through the Scriptures That is to pick out a favorite verse or paragraph and write a short commentary on it Stepping through the Gospels Walking with Jesus is not a rigorous study with footnotes and references to other writers It was written with the leading of the Holy Spirit So it is easy to read absorb and think about The Steps lend themselves to daily reading and meditation It is also designed for small group Bible studies Stepping through the Gospels will do the following Introduce you to another Christian interpretation of the scriptures Shed new light on some of your favorite scriptures Stimulate your thinking on how you might write a commentary Encourage a daily quick study of the word of God Build you up in a positive outlook on your steps with God Work in addition to other commentaries for a more complete study If you desire to grow more in your walk with the Lord this book can be your guide In conjunction with the Holy Spirit a deeper understanding of the scriptures is possible and your life can become more fruitful **Illuminating the**

**Narrow Gate** Karl R. Luther, 2022-01-17 The apocalyptic end times have finally arrived What is coming to an end though is not what you have been led to believe Do you desire the truth about God our foremost religions the purpose of life and the future of our planet Are you ready to challenge the religious powers that be to learn what most would rather not know If so this revolutionary book will help you transcend the darkness on your eternal journey home to a God of pure unconditional love a God who has no cause or need to ever judge or condemn anybody Illuminating the Narrow Gate reveals the flaws of the mainstream Western religions as it guides and empowers its readers to embrace an enlightened spirituality Brimming with astonishing insights and revelations it will shock the world by debunking the fire and brimstone theology of mainstream Christianity It primarily accomplishes this by unraveling the apocalyptic prophecies of Daniel the gospels and Revelation in their entirety In fact they contain hidden spiritual messages that contradict what has been confidently preached for all these centuries Like a challenging riddle that cannot be solved the answer is obvious in hindsight Only the blinding power of a paradigm can explain how we missed it for so long The revelations will strike with devastating force because the book first arrives at the same conclusion through more traditional means It convincingly describes how Jesus had come to uproot Judaism but the version of Christianity that developed in his wake failed to make the paradigm shift Erroneous tenets that

should have been discarded were instead institutionalized in both theology and authority The book also blazes a third independent trail to the same destination by showing how this ancient religious tree bore its poisonous fruit in both the Holocaust and the abomination of slavery that fathered the Civil War Furthermore the book illuminates the nature of evil and its well cloaked ways which is essential for unraveling the prophecies This wisdom yields a new and astonishing interpretation of the Book of Job that delivers a quantum leap in insight over the prevailing understanding As the first devout Christian to read this interpretation commented It rocked my apple cart to the core In addition it presents an array of scientific evidence for the spiritual realm s existence that complements its amazing demonstration that long range prophecy is truly possible It thus shows the atheistic religion of scientism is also doomed Meanwhile the book proves Jesus was the Anointed One Messiah with a telescoping trio of prophecies from Daniel that foretold the onset of his ministry to the reign of the Roman Empire to its first ten emperors in the 1st century CE and to 27-34 CE Most Christians will thus either fearfully denounce the book as a satanic assault upon their religion or courageously embrace it as the inevitable completion of the Reformation The great spiritual awakening will soon be kicking into high gear which is exactly what the apocalyptic prophecies long ago foretold and the spiritual realm has long been awaiting As Jesus and a group of angels informed an atheist during his near death experience in 1985 The world is at the beginning of a major transformation It will be a spiritual revolution that will affect every person in the world Can you handle the truth Are you ready to awaken If so this world changing book is at your service You only have to purchase Vol I to get the book s core insights and revelations A PDF document of the Endnotes Bibliography Index et al published in Vol II can be downloaded for free from the book s website to make Vol I a self standing book

At Home with God Lee Adams Young, 2000-07-01 From biblical times through the Middle Ages and the Reformation the  
Christian religion enjoyed a sturdy belief in God consistent with human knowledge of the universe But modern science then  
introduced a new picture of this world at odds not only with the old world picture but with the miracle working God of  
ancient Scripture Of the many different responses to this conflict three stand out i To deny the religious view of God and the  
world or ii To deny many solid findings of generations of scientists concerning the evolution of stars the Earth and life or iii  
To deny little yet to affirm little in religion to repeat ancient rituals without serious conviction Lee Adams Young a physicist  
and Bible scholar claims to replace this chaos with an orderly view of God and the world in only 437 pages He makes three  
main points 1 The Bible consistently but falsely split the world into two separate realms Heaven and Earth God rarely or  
never left his celestial throne room to visit the Earth The steeples of traditional churches pointed toward this Sky God and  
the Lord s Prayer still speaks of a Father in Heaven The result has been a disconnect between God and the believer a chasm  
bridged only by armies of angels and other intermediaries or via long distance calls The solution according to At Home with  
God Here and Now is to proclaim as does science that there is only one realm of reality God should be seen as dwelling in  
this world says Young indeed within each of us available for direct communication and personal support Prayer should take  
the form of face to face communication with a person no farther away than the other end of a park bench 2 The Bible  
consistently and correctly insists upon the inseparability of the human body and soul So does Aristotle and the latest Catholic  
Catechism Alas in postbiblical times many Jews and Christians have come to believe that at death the human soul could  
detach itself from the body and ascend to Heaven Young responds as follows a If there is no Heaven the latter step has no  
meaning We are face to face with God now in this life Because we already live in a sacred world one need not die in order to  
reach the divine b The notion of a soul that can function independently of bodily support goes against ancient and modern  
awareness of the influence of bodily conditions on thinking and memory c Near death experiences NDEs are reports from the  
living not from those who died Medical research shows that NDEs are triggered not by the objective peril of death but by the  
subjective fear of death d Human faith in an afterlife can blunt the human need to put interpersonal relationships in order in  
this life We must mend our personal fences now there is no second chance as the Hebrew Bible says 3 The God depicted in

Young's book is entirely consistent with modern science. That God is seen as the essential governor of nature whose regularities people depend on and science describes. This book is recommended to all who seek a religious faith based on reality not make-believe, a faith grounded in ancient wisdom yet believable in this modern age. **Be the Change** Morning Dove, 2009-11. My book is about becoming a SPIRITUAL CHANGE in this world. But first we must become a change within our selves. We as individuals hold the key to change within our own spiritual blueprint we came to earth with. We are spiritual beings living in the material world to experience life and to grow by resolving blocks in our minds. We come to earth to learn what we need and to rise in consciousness. God has many mansions and we are looking to increase our ability to receive more of God's light. The pain of life is only for us to learn from and rise above. When we rise above we can receive more of God's light. When we see life differently when we see the true value of what we can become we no longer fear life. We experience it and grow and become more. The Bondage Breaker Devotional Neil T. Anderson, 2019-10-22. Live Liberated in Christ. More than two million readers worldwide have read *The Bondage Breaker* worked through *The Steps to Freedom in Christ* and experienced the freedom that Jesus purchased through His sacrifice. Jesus gave us instructions for how we can live free from bondage. He said, "If you continue in My word then you are truly disciples of Mine and you will know the truth and the truth will make you free." John 8:31-32. *The Bondage Breaker Devotional* is a new collection of daily readings based on fifty years of ministry by Neil Anderson. Invite these poems to companion your heart and let them stretch your soul. Brenda's spare simple words say big things. In this very intimate collection we are offered messages of life's mysteries in a language as clear as any fine spiritual direction. Throbbing through the poems is her Celtic sensibility offered in the calm dialect of a sagacious heart bred to thrive in Newfoundland weather. Taken as talismans of transformation these poems beg rereading like stories retold over strong tea to take off the chill and to strengthen the heart. We are whispered secret courage to engage life open-eyed and ready. The stanzas give voice to the quiet satisfactions of honest open-hearted awareness and offer a traveler's guide into a soul-cape both delicate and wild. From a knowing of winters graced grit to the full-out exhilaration of the greening again spring Brenda opens to us the experience of a woman stepping into elderhood well-versed in living close to the heart of things. Look she says to us despite any initial evidence to the contrary small moments are thresholds into soul-size transformations and no less than life's best gift.
