**The Steptoe and Son Encyclopedia** Brian Carver,2024-05-30 Steptoe and Son is a classic British sitcom that ran on the BBC between 1962-74. The series has two iconic characters Albert Steptoe and his rag and bone man son Harold Wildred Brambell as Albert and Harry H Corbett as Harold both give wonderful performances in the series. As well as being a great comedy Steptoe and Son has many dramatic elements and social commentary relating to the relationship between father and son, changes in society, their working class existence and their rather old-fashioned rag and bone trade. Find out more about this iconic series in this Encyclopedia. [Playing Gay in the Golden Age of British TV](#) Stephen Bourne,2019-11-22 The television set the humble box in the corner of almost every British household has brought about some of the biggest social changes in modern times. It gives us a window into the lives of people who are different from us, different classes, different races, different sexualities. And through this window we've learnt that perhaps we're not so different after all. Playing Gay in the Golden Age of British TV looks at gay male representation on and off the small screen from the programmes that hinted at homoeroticism to Mary Whitehouse's Clean Up TV campaign and The Naked Civil Servant to the birth of Channel 4 as an exciting alternative television channel. Here acclaimed social historian Stephen Bourne tells the story of the innovation, experimentation, backtracking and bravery that led British television to help change society for the better. **British TV Comedies** Juergen Kamm, Birgit Neumann,2016-01-26 This collection offers an overview of British TV comedies ranging from the beginnings of sitcoms in the 1950s to the current boom of Britcoms. It provides in-depth analyses of major comedies systematically addressing their generic properties, filmic history, humour, politics and cultural impact. [A National Joke](#) Andy Medhurst,2007-09-18 Comedy is crucial to how the English see themselves. This book considers that proposition through a series of case studies of popular English comedies and comedians in the twentieth century ranging from the Carry On films to the work of Mike Leigh and contemporary sitcoms such as The Royle Family and from George Formby to Alan Bennett and Roy Chubby Brown. Relating comic traditions to questions of class, gender, sexuality and geography, A National Joke looks at how comedy is a cultural thermometer taking the temperature of its times. It asks why vulgarity has always delighted English audiences, why camp is such a strong thread in English humour, why class influences what we laugh at and why comedy has been so neglected in most theoretical writing about cultural identity. Part history and part polemic, it argues that the English urgently need to reflect on who they are, who they have been and who they might become, and insists that comedy offers a particularly illuminating location for undertaking those reflections. **Odd men out** John-Pierre Joyce,2022-09-20 From government ministers and spies to activists, drag queens and celebrities, Odd men out charts the tumultuous history of gay men in 1950s and 60s Britain. It takes us from the earliest tentative steps towards decriminalisation to the liberation movement of the early 1970s. Along the way it catalogues shocking repression, including laws against homosexual activity and the use of brutal medical treatments. Odd men out draws on medical data and opinion polls.

broadcast recordings theatrical productions and extensive interviews with key players as well as an in depth analysis of the Wolfenden Report and the circumstances surrounding its creation It brings to life pivotal moments in gay mens cultural representation ranging across the West End and emerging writers like Joe Orton the British film industry the BBC national newspapers fashion catalogues and music magazines Celebrating the joy of gay lives as well as the hardships Odd men out preserves the voices of a disappearing generation who revolutionised what it meant to be a gay man in twentieth century Britain

*Street Songs* Daniel Karlin,2018-11-22 This book based on the Clarendon Lectures for 2016 is about the use made by poets and novelists of street songs and cries Karlin begins with the London street vendor s cry of Cherry ripe as it occurs in poems from the sixteenth to the twentieth century the Cries of London and Paris exemplify the fascination of this urban art to writers of every period Focusing on nineteenth and early twentieth century writers the book traces the theme in works by William Wordsworth Elizabeth Barrett Browning Robert Browning Walt Whitman George Gissing James Joyce Virginia Woolf and Marcel Proust As well as street cries these writers incorporate ballads folk songs religious and political songs and songs of their own invention into crucial scenes and the singers themselves range from a one legged beggar in Dublin to a famous painter in fifteenth century Florence The book concludes with the beautiful and unlikely song of a knife grinder s wheel Throughout the book Karlin emphasizes the rich complexity of his subject The street singer may be figured as an urban Orpheus enchanting the crowd and possessed of magical powers of healing and redemption but the barbaric din of the modern city is never far away and the poet who identifies with Orpheus may also dread his fate And the fugitive transient nature of song offers writers a challenge to their more structured art Overheard in fragments teasing ungraspable the street song may be captured by a literary work but is never finally tamed

**The Worlds End Chelsea Unplugged** Peter Devenport, 2012-12-03 A humorous look at life in and around the Worlds End Chelsea with my father Cyril at the helm Follow him on his journey from near poverty as a child to his great success as a parent and a trusted and much valued interior decorator for many of the great and good of his time **The British Sitcom Spinoff Film** Stephen Glynn, 2023-12-07 This book constitutes the first full volume dedicated to an academic analysis of theatrically released spinoff films derived from British radio and television sitcoms Regularly maligned as the nadir of British film production and marginalised as a last resort for the financially bereft industry during the 1970s this study demonstrates that the sitcom spinoff film has instead been a persistent and important presence in British cinema from the 1940s to the present day and includes occasional works with distinct artistic merit Alongside an investigation of the economic imperative underpinning these productions i.e. the exploitation of proven product with a ready made audience it is argued that with a longevity stretching from Arthur Askey and his wartime Band Waggon 1940 to the crew of Kurupt FM and their recent People Just Do Nothing Big in Japan 2021 the British sitcom spinoff can be interpreted as following a full generic life cycle Starting with the formative stage where works from Hi Gang 1941 to I Only Arsked 1958 establish the genre's characteristics the spinoff genre moves to its classic stage where secure for form and content it enjoys considerable popular success with films like Till Death Us Do Part 1969 On the Buses 1971 The Likely Lads 1976 and Rising Damp 1980 the genre's revival since the late 1990s reveals a more parodic final stage with films like The League of Gentlemen's Apocalypse 2005 adopting a consciously self reflective mode It is also posited that the sitcom spinoff film is a viable source for social history with the often stereotypical re presentations of characters and events an often blatant ideological metonym for the concerns of wider British society notably in issues of class race gender and sexuality Theatre West Four - So Far As I Can Remember Volume 3 John Anthony Nicholls, 2014-12-04 It was the best of times it was the best of times to paraphrase Dickens famous line That was the experience of the few youthful hopefuls who founded an amazing tradition all those years ago It was the experience too of the many who happened upon or sought out Theatre West Four and joined up to become faithful supporters and contributors It became for most of them the centre of their social activity and natural supplier of entertainment the

Stephen Glynn,2020-11-29 This concise yet comprehensive study explores the emblematic journey by four young men from Liverpool from the epicentre of teen led youth culture to the experimentation of the counterculture and beyond Beginning with the celebration of Britain s own youthquake in the joyous and genre shifting A Hard Day s Night 1964 the author delves into how the Beatles film work allows us to chart their subsequent musical maturation and retreat from the tribulations of stardom in Help their tentative attempts at improvised filming in the televised Magical Mystery Tour 1967 their acceptance of cartoon representations as leaders of the hippie counterculture in Yellow Submarine 1968 and the final implosion of their musical dynamic in the recording studios of Let It Be 1970 The book analyses how as they grew with their fanbase the Beatles films alternate stylistically between mimetic representation and allegorical interpretation and switch narratively between fan filled and welcoming worlds to films relaying introspection and isolation Offering an in depth case study of the successes and failures of British youth culture in a volatile decade The Beatles and Film is an engaging text for both scholars and general readers alike
