**Laurence Sterne's A Sentimental Journey** W. B. Gerard,M-C. Newbould,2021-03-12 Laurence Sterne s A Sentimental Journey through France and Italy continues to be as widely read and admired as upon its first appearance Deemed more accessible than Sterne s Life and Opinions of Tristram Shandy Gentleman and often assigned as a college text A Sentimental Journey has received its share of critical attention but unlike Tristram Shandy to date it has not been the subject of a dedicated anthology of critical essays This volume fills that gap with fresh perspectives on Sterne s novel that will appeal to students and critics alike Together with an introduction that situates each essay within A Sentimental Journey s reception history and a tailpiece detailing the culmination of Sterne s career and his death this volume presents a cohesive approach to this significant text that is simultaneously grounded and revelatory      **Swiftly Sterneward** W. were generated in response to these efforts and by an ethical concern for what the language of the Enlightenment excludes represses or struggles to erase Troubling the idea of the Enlightenment on its own terms subverting its supposed authority from within Gorelick thus reveals the workings of unconscious fantasy at the foundations of our contemporary political realities The Unwritten Enlightenment makes clear that to criticize the Enlightenment s deficiencies ambiguities and legacies of violence without regard for the unconscious fantasies that drive them risks reproducing the very patterns of thought action and imagination that the Enlightenment novel already unsettles     **The Academy** ,1899     *Subject Index of the Modern Works Added to the British Museum Library* British Museum.
