Steve Biko No 46:

No.46--Steve Biko Hilda Bernstein,1978 **Steve Biko** Lindy Wilson,2012-07-04 Steve Biko inspired a generation of black South Africans to claim their true identity and refuse to be a part of their own oppression Through his example he demonstrated fearlessness and self esteem and he led a black student movement countrywide that challenged and thwarted the culture of fear perpetuated by the apartheid regime He paid the highest price with his life The brutal circumstances of his death shocked the world and helped isolate his oppressors This short biography of Biko shows how fundamental he was to the reawakening and transformation of South Africa in the second half of the twentieth century and just how relevant he remains Biko s understanding of black consciousness as a weapon of change could not be more relevant today to restore people to their full humanity As an important historical study this book s main sources were unique interviews done in 1989 before the end of apartheid by the author with Biko s acquaintances many of whom have since died **Biko's Ghost** Shannen L. Hill,2015-05-21 When you say Black is Beautiful what in fact you are saying is Man you are okay as you are begin to look upon yourself as a human being With such statements Stephen Biko became the voice of Black Consciousness And with Biko s brutal death in the custody of the South African police he became a martyr an enduring symbol of the horrors of apartheid Through the lens of visual culture Biko s Ghost reveals how the man and the ideology he promoted have profoundly influenced liberation politics and race discourse in South Africa and around the globe ever since Tracing the linked histories of Black Consciousness and its most famous proponent Biko s Ghost explores the concepts of unity ancestry and action that lie at the heart of the ideology and the man It challenges the dominant historical view of Black Consciousness as ineffectual or racially exclusive suppressed on the one side by the apartheid regime and on the other by the African National Congress Engaging theories of trauma and representation and icon and ideology Shannen L Hill considers the martyred Biko as an embattled icon his image portrayals assuming different shapes and political meanings in different hands So too does she illuminate how Black Consciousness worked behind the scenes throughout the 1980s a decade of heightened popular unrest and state censorship She shows how in streams of imagery that continue to multiply nearly forty years on Biko s visage and the ongoing life of Black Consciousness served as instruments through which artists could combat the abuses of apartheid and unsettle the rainbow nation that followed **The Courtroom as a Space of Resistance** Awol Allo,2016-03-09 Fifty years before his death in 2013 Nelson Mandela stood before Justice de Wet in Pretoria s Palace of Justice and delivered one of the most spectacular and liberating statements ever made from a dock In what came to be regarded as the trial that changed South Africa Mandela summed up the spirit of the liberation struggle and the moral basis for the post Apartheid society In this blistering critique of Apartheid and its perversion of justice Mandela transforms the law into a sword and shield He invokes it while undermining it uses it while subverting it and claims it while defeating it Wise and strategic Mandela skilfully reimagines the courtroom as a site of visibility and hearing opening up a political space within the legal

This volume returns to the Rivonia courtroom to engage with Mandela's masterful performance of resistance and the dramatic core of that transformative event. Cutting across a wide range of critical theories and discourses, contributors reflect on the personal, spatial, temporal, performative and literary dimensions of that constitutive event. By redefining the spaces, institutions and discourses of law, contributors present a fresh perspective that re-sets the margins of what can be thought and said in the courtroom.

Politics By Other Means Richard Abel, 2015-12-22 *Politics by Other Means* explores the fundamental question of how law can constrain political power by offering a pathbreaking account of the triumphant final decade of the struggle against apartheid. Richard Abel presents case studies of ten major legal campaigns including challenges to pass laws, black trade union demands for recognition, state terror, censorship, resistance to the independent homelands and treason trials.

Women, Activism and Apartheid South Africa Bev Orton, 2018-10-05 This book investigates women's political activism and conflict in the struggle against apartheid in South Africa using play texts alongside interviews with female playwrights and women who worked within the theatre to examine issues around domestic violence, racial abuse and women in detention without trial.

The Legacies of Law Jens Meierhenrich, 2008-10-13 Focusing on South Africa during the period 1650-2000, this book examines the role of law in making democracy work in changing societies. *The Legacies of Law* sheds light on the neglected relationship between path dependence and the law. Meierhenrich argues that legal norms and institutions, even illiberal ones, have an important and hitherto undertheorized structuring effect on democratic outcomes. Under certain conditions, law appears to reduce uncertainty in democratization by invoking common cultural backgrounds and experiences. In instances where interacting adversaries share a law reasonably convergent mental model, transitions from authoritarian rule are shown to be less intractable. Meierhenrich's historical analysis of the evolution of law and its effects in South Africa during the period 1650-2000, compared with a short study of Chile from 1830-1990, shows how and when legal norms and institutions serve as historical causes to both liberal and illiberal rule.

Duty to Revolt George Souvlis, Athina Karatzogianni, 2023-11-09 This edited collection provides an innovative and comprehensive contribution to the study of historical revolutions and their commemoration, as well as contemporary protests and uprisings and how they are communicated today in everyday networked media.

New Dictionary of South African Biography E. J. Verwey, 1995 This series of publications aims to fill the gaps in our history, highlighting in particular the significant roles played by black leaders from all walks of life.

South Africa and the International Media, 1972-1979 James Sanders, 2000 This book studies the Anglo-American media's representation of South Africa in the 1970s. The international media is shown to have been under continuous pressure from both the South African Dept of Information and the anti-apartheid movement.

HIV in South Africa Corinne Squire, 2007-09-12 Winner of the Sociology of Health and Illness Book Prize 2008. Using narrative analysis of a three-year interview study of people living with HIV in South Africa and textual analysis of political materials, this book is the first to examine the major impact of HIV on people's everyday lives.

Freedom, Justice, and Love

Dr. Andr s G. Guerrero Jr.,2018-04-13 Ramiro Ramsey Mu iz a law school graduate who twice ran for governor of Texas devoted himself to helping Chicanos Mexican Americans Hispanics and others gain representation in politics But this man who put family above all else suffered greatly for his work He was accused arrested and indicted for drug related crimes In Freedom Justice and Love author Andr s G Guerrero Jr tells Mu iz s story This memoir chronicles Mu iz s life and shares the circumstances that led to this accomplished man serving a sentence of life without parole Guerrero discusses the injustices Mu iz has experienced including pain suffering illness and the little known hardships of incarceration In Freedom Justice and Love Guerrero reveals how the government sought to silence Mu iz an advocate for people and a defender of justice

Death of An Idealist Beverley Naidoo,2012-09-07 Death of an Idealist is the biography of Neil Aggett the only white person to die while being held in custody by South Africa s apartheid security police A medical doctor who worked most of the week as an unpaid trade union organiser Aggett s stark non materialism shared by his partner Dr Elizabeth Floyd aroused suspicions When their names appeared on a list of Close Comrades prepared for opposition leaders in exile they were among a swathe of union activists detained in 1981 After 70 days in detention Aggett was found hanging from the bars of the steel grille in his cell in John Vorster Square He was the 51st person and the first white person to die in detention He was 28 His death provoked an enormous public outcry his funeral attended by thousands of workers who marched through the streets of Johannesburg This quiet intense young man was in death a people s hero Born to settler parents in Kenya in 1953 Neil Aggett moved with his family to South Africa in early childhood He attended school in Grahamstown before studying medicine at the University of Cape Town Death of an Idealist explores the metamorphosis of a high achieving sports loving schoolboy into a dedicated activist and unpaid trade union organiser Beverley Naidoo traces Neil Aggett s life in particular the years leading up to his detention as a result of a Security Branch sting operation the weeks of interrogation and the inquest that followed his death She recreates the momentous events of his life and in doing so reveals the extraordinary impact Neil s life had on those around him including his family friends and comrades Today a generation later South Africa is free and democratic Yet the idealism and sacrifice displayed by Neil Aggett and so many others appears to have been replaced by cynicism and hand wringing Death of an Idealist is as much the story of a remarkable young man as it is a reminder that every generation needs its idealists

Black Dionysus Kevin J. Wetmore, Jr.,2010-03-22 Many playwrights authors poets and historians have used images metaphors and references to and from Greek tragedy myth and epic to describe the African experience in the New World The complex relationship between ancient Greek tragedy and modern African American theatre is primarily rooted in America where the connection between ancient Greece and ancient Africa is explored and debated the most The different ways in which Greek tragedy has been used by playwrights directors and others to represent and define African American history and identity are explored in this work Two models are offered for an Afro Greek connection Black Orpheus in which the Greek connection is metaphorical expressing the African in terms

of the European and Black Athena in which ancient Greek culture is reclaimed as part of an Afrocentric tradition African American adaptations of Greek tragedy on the continuum of these two models are then discussed and plays by Peter Sellars Adrienne Kennedy Lee Breuer Rita Dove Jim Magnuson Ernest Ferlita Steve Carter Silas Jones Rhodessa Jones and Derek Walcott are analyzed The concepts of colorblind and nontraditional casting and how such practices can shape the reception and meaning of Greek tragedy in modern American productions are also covered **Close to the Sources** Abebe

Zegeye, Maurice Vambe, 2011-03-28 European and African works have found it difficult to move past the image of Africa as a place of exotica and relentless brutality This book explores the status and critical relationship between politics culture literary creativity criticism education and publishing in the context of promoting Africa's indigenous knowledge and seeks to recover some of the sites where Africans continue to elaborate conflicting politics of self affirmations It both acknowledges and steps outside the protocols of analysis informed by nationalism differentiating the forms that postcolonial theories have taken and arguing for a selective appropriation of theory that emerges from Africa's lived experiences **Sweden and**

National Liberation in Southern Africa Tor Sellström, 1999 In 1969 the Swedish parliament endorsed a policy of direct assistance to the liberation movements in Southern Africa Sweden thus became the first Western country to enter into a relationship with organizations that elsewhere in the West were shunned as Communist or terrorist This book the first in a two volume study on Sweden the regional struggles for majority rule national independence traces the background to the relationship Presenting the actors factors behind the support to MPLA of Angola FRELIMO of Mozambique SWAPO of Namibia ZANU ZAPU of Zimbabwe ANC of South Africa it addresses the question why Sweden established close relations with the very movements that eventually would assume state power in their respective countries The second volume later this year will discuss how the support was expressed covering the period from 1970 until the democratic elections in South Africa in 1994 **Art and the End of Apartheid** John Pepper, 2009 Black South African artists have typically had their work

labeled African art or township art qualifiers that when contrasted with simply modernist art have been used to marginalize their work both in South Africa and internationally This is the The first book to fully explore cosmopolitan modern art by black South Africans under apartheid Caring for Victims of Torture James M. Jaranson, Michael K. Popkin, 1998 Since its beginnings in the 1970s the field of torture rehabilitation has grown rapidly A growing awareness about the practice of torture more than 100 countries today practice government sanctioned torture and its effects on victims is leading to an increasing number of dedicated treatment centers The health care professionals on the staffs of these centers need the best most up to date information and advice they can get This book delivers it Caring for Victims of Torture contains all the collective wisdom of some of the most respected international experts in the treatment of victims of government torture all distinguished physicians including pioneers in the field of traumatic stress Contributors discuss the most recent advances in knowledge about government sanctioned torture and offer practical approaches to the diagnosis and treatment of torture

victims Organized into six main sections this annotated volume provides an overview of the history and politics of torture and rehabilitation guidance in identifying and defining the sequelae of torture a framework for assessment and treatment specific treatment interventions and a discussion of ethical implications In the final section physicians working in the field offer firsthand accounts and address how they are trying to balance politics with caregiving Focusing on the physician s role this book is chiefly a clinical guide But for advanced level students it serves as a thorough up to date text and reference work Religious leaders lawyers politicians human rights advocates and torture victims themselves will find it a valuable resource as well

Pace ,1997 The Concept of the Foreign Rebecca Saunders,2003-01-01 The Concept of the Foreign investigates the diverse and consequential uses of the concept of the foreign a formidable and hitherto untheorized force in everyday discourse and practice This highly original work whose experimental nature moves beyond traditional academic bounds undertakes to theorize the meanings deployments and consequences of foreignness a term largely overlooked by academic debates Innovative in format the book comprises an introductory theoretical dialogue and seven essays each authored by a scholar from a different discipline anthropology literary theory psychology philosophy social work history and women s studies who investigate how his her disciplines engage and define the concept of the foreign Drawing out literal and metaphorical meanings of foreignness this wide ranging volume offers much to scholars of postcolonial gender and cultural studies seeking new approaches to the study of alterity
