Christman, 2021-08-10 C S Lewis famously penned the phrase God in the Dock and proposed that there was a great divide between ancient and modern humans in that our ancestors would have rightly seen themselves in the dock before God while we moderns have placed God there before us But what if what God s love most desires for us the gospel or good news of the

only way of life for humanity has been in the dock before us from the time of Adam and Eve And what if it is also the case that the gospel is often in the dock as though it is not good even for the church This book builds upon and expands the life and death stakes Lewis proposed by demonstrating that the gospel way of faith itself has been placed in the dock by us and in many ways ruined our relationships with God with our own selves with one another and even with the natural world itself which we are meant to steward for its good In these pages the reader will discover why the gospel that requires faith is good news but why we so tragically default to our divisive and self destructive ways The Steward Living in Covenant Ronald E. Vallet, 2001 The Steward Living in Covenant discusses the theme of stewardship from a fruitful new perspective Ronald Vallet explores Old Testament stories from creation to Isaiah linking the life of the steward to the theme of covenant a first for books in this area Written as an Old Testament parallel to Vallet's acclaimed Stepping Stones of the Steward this book reclaims the Old Testament foundations of a fully biblical theology of stewardship Vallet looks especially at the promise and command aspects of God's covenant with his people as a vital dimension of what it means to be a genuine steward Minute Stewardship Sermons Charles Cloughen Jr,1997-09-01 One Minute Stewardship Sermons **Faith in Worship** James Akerson, 2019-04-02 Western culture no longer has a broad Christian understanding In fact much of what American media dishes out is pantheistic or anti religious Sociological research indicates that a multitude of beliefs have crept into Christian understandings of faith This situation is not new As early as the fifteenth century Erasmus asserted that the greatest concern of his time was that Christians were most often rank heathens when it came to their orthodoxy It is also apparent that attendance at Sunday school Vacation Bible School and other gatherings has fallen at a great rate The author believes providing Christian education in the context of worship is therefore the best opportunity for reaching believers with historical elements of faith A twenty four part lectionary based catechetical curriculum is provided for worship With it congregations can dwell in a sermon series that is surrounded by supportive full bodied worship The Book of Resolutions of The United Methodist Church 2020/2024, 2025-01-01 United Methodist take a stand make a difference and shape a better future Discover the power of an active faith as United Methodist in your daily life with The Book of Resolutions This new edition offers models for making a real impact on the world around us as decided at the latest General Conference Explore over 200 carefully curated positions on a wide range of subjects conveniently organized into seven sections The Natural World The Political Community The Nurturing Community The World Community The Social Community The Economic Community Other Resolutions With a fully indexed format finding the information you need is a breeze Whether you re searching by resolution title Scripture reference or topic this book has you covered Available in English only The Holiness Manifesto Kevin W. Mannoia, Don Thorsen, 2008-04 Does the concept of holiness hold any relevance for Christians in the twenty first century Or is it rather a relic of the past with little to offer in today's postmodern world. The contributors to this book firmly insist that holiness is indeed relevant no matter the age in which we live Moreover it is essential to following

Christ in the twenty first century The essayists are all members of the Wesleyan Holiness Study Project a gathering of scholars and leaders who have met since 2004 to explore the mission of the churches of the Holiness movement The book begins with two compelling ecumenical statements articulating the holiness message for today s church The Holiness Manifesto and Fresh Eyes on Holiness These are followed by a dozen penetrating essays grouped in three parts 1 the understanding of holiness in Scripture 2 holiness in historical and theological perspective and 3 holiness in relation to various practical aspects of ministry The book concludes with appendixes offering five considered descriptions of holiness The fastest growing segments of the church worldwide have their roots in the Wesleyan Holiness tradition Catholic Orthodox and other Protestant denominations are discovering its relevance to their own traditions and practices The Holiness Manifesto offers an ideal overview to those wishing to understand more about this extremely influential movement Contributors Jim Adams Barry Callen Lisa L Dorsey Roger Green Jon Huntzinger Cheryl Bridges John Craig Keen David W Kendall William Kostlevy Diane Leclerc Kevin W Mannoia James Earl Massey George McKinney Thomas A Noble Jonathan S Raymond C Stevens Schell Howard A Snyder Don Thorsen Lynn Thrush Kenneth L Waters Sr **Preaching** Jason C. Meyer, 2013-10-31 The sermon is under attack Many churches are increasingly forsaking formal preaching in favor of substitutes like dialogue discussion and sharing In response to this recent trend Jason Meyer has written a robust biblical and practical theology of preaching where he explores how the concept of preaching develops throughout the Bible and how it impacts one s understanding of other key doctrines In addition to offering readers a comprehensive overview of the Bible s teaching the book sets forth clear accessible answers to commonly raised questions about preaching what is it how is it done and why is it so important Combining in depth study of God's word with practical reflection on the place of preaching in the ministry of the church Meyer challenges readers to reexamine the importance of preaching for the Christian life Asian Journal of Pentecostal Studies, Volume 19, Number 1 Dave Johnson, 2017-09-13 THE JOURNAL SEEKS TO PROVIDE A FORUM To encourage serious theological thinking and articulation by Pentecostals Charismatics in Asia to promote interaction among Asian Pentecostals Charismatics and dialogue with other Christian traditions to stimulate creative contextualization of the Christian faith and to provide a means for Pentecostals Charismatics to share their theological reflections Woman's Home Missions of the Methodist Episcopal Church ,1922
