Creating Generous Congregations David L. Heetland, 2020-07-21 A problem facing many churches today is the lack of strong leadership in the area of stewardship particularly the stewardship of financial resources Church leaders clergy and laity have had little or no training in this area and they feel uncomfortable and embarrassed in encouraging financial support for the church's ministries Failure to provide decisive leadership in this area has had negative consequences for the church including a decreasing percentage of charitable dollars directed toward churches and a growing lack of understanding among church members of the relationship between giving and spiritual growth Creating Generous Congregations is written to assist church leaders in gaining necessary expertise in the stewardship of financial resources so that persons will be invited to grow spiritually and the various ministries of the church will flourish
