The "new Chum" in Australia, Or, The Scenery, Life, and Manners of Australians in Town and Country Percy Clarke, 1886

Sugar and Civilization April Merleaux, 2015-07-13 In the weeks and months after the end of the Spanish American War Americans celebrated their nation's triumph by eating sugar Each of the nation's new imperial possessions from Puerto Rico to the Philippines had the potential for vastly expanding sugar production As victory parties and commemorations

prominently featured candy and other sweets Americans saw sugar as the reward for their global ambitions April Merleaux demonstrates that trade policies and consumer cultures are as crucial to understanding U S empire as military or diplomatic interventions As the nation s sweet tooth grew people debated tariffs immigration and empire all of which hastened the nation s rise as an international power These dynamics played out in the bureaucracies of Washington D C in the pages of local newspapers and at local candy counters Merleaux argues that ideas about race and civilization shaped sugar markets since government policies and business practices hinged on the racial characteristics of the people who worked the land and consumed its products Connecting the history of sugar to its producers consumers and policy makers Merleaux shows that the modern American sugar habit took shape in the shadow of a growing empire And Jesus Will Be Born Adrian Plass,2003 In this gentle and humorous anthology of poems stories commentary and reflections Adrian Plass invites us to celebrate Christmas in its many facets And Jesus Will Be Born is a holiday cornucopia filled with the laughter tears family foibles simple joys and the rich blessings of the season There s no predicting what the turn of a page will bring in this Christmas collection by Adrian Plass It may be a bit of verse to moisten the eyes When I m in heaven Tell me there ll be Christmases without the pain No memories that will not fade No chilled and sullen sense of loss That cannot face the festive flame Nor breathe excitement from the ice cream air Tell me how the things that Christmas should have been Will be there for eternity in one long shining dawn For all of us to share I love the promises of Christmas Then again there is this an advertisement from Plass s spoof of a church newsletter How beautiful on the mountains are the feet of those who bring good news The answer is not very if they haven t had those ugly corns treated Christian chiropodist Special Yuletide reductions Setting the poignant the madcap the joyous and the tender in artful counterpoint this is a book to be savored over the entire holiday season It offers something for everyone in every setting family readings personal libraries and even church pulpits And Jesus Will Be Born speaks to the full spectrum of our humanity celebrating the golden Christmas traditions poking playfully at our seasonal foibles observing our less than noble attitudes with an eye that is at once honest and gracious and always looking towards the Person around whom all that is truly Christmas revolves In the midst of our festivities Adrian Plass gently reminds us why we need a Savior And he points us towards the unfathomable possibilities that have been opened to us and the joy and hope that are ours because Jesus was born long ago in Bethlehem and is born today in us **Dulce de Leche** Josephine Caminos Oria,2017-02-07 Dulce de Leche begins with a lesson on creating artisanal dulce de leche at home and includes 80 recipes from breakfast muffins Bacon Wrapped Dulce Jalapenos and layered carrot cake
