Sticky Situation Character Builders:

A Sticky Situation Tony Salerno, 2004-09 a series of books that follows the adventures of little Bill as he learns through experience the values and benefits of good character Cover back *Face to Face* Susan RoAne, 2009-12-01 Whether it's handling office politics turning small talk into BIG TALK finding a mentor or conducting successful business deals over meals Susan RoAne offers tips to interact and connect with ease and confidence in shared social space Email texting BlackBerry Facebook more and more technology dominates our communication We are often tuning out those around us to the point of emailing the person at the next desk or surreptitiously checking our BlackBerrys during a meeting Practical and eminently readable *Face to Face* belongs in every handbag or briefcase to help today's professionals succeed in the workplace and the public space On Character Building John A. Darr, 2020-10-23 This guide to interpreting the characters in Luke Acts the longest and most complex of New Testament narratives uses the latest literary critical theory and biblical scholarship to construct an understanding of how the characters are formed and how they function in the Lukan writings It is the author's contention that the reader plays an important role in character building The author illustrates this process using three representative characters or character groups John the Baptist the Pharisees and Herod the Tetrarch Acts of God Bob Russell, 2014-03-20 Why God Why did you let this happen Why do you allow so much pain Be it a job loss illness or loss of a spouse or child these are questions we've all had It's as much a cry as a question a wound a shout of betrayal of all the rules of life and fairness as you knew them Bob Russell offers no trite platitudes to answer the questions in *Acts of God* the accompaniment book to the *Acts of God* videos and curriculum Instead through the biblical story of Joseph he provides assurance that we are in a bigger story than the pain suffering and trials tell us we're in Whether you're in the middle of suffering processing something from your past or seeking answers to the suffering you see around you *Acts of God* shows a way back to hope hope in God that brings hope to our circumstances **The One Year Book of Family Devotions** Children's Bible Hour, 2000 Each devotion contains a Scripture reading a brief story in a contemporary family setting a How about You section that applies the story to the reader's life a related Bible memory verse and a 25 word key summing up the day's message *Chicken Soup for the Soul in the Classroom High School Edition: Grades 9-12* Jack Canfield, Mark Victor Hansen, 2012-10-16 Lesson Plans and Students Favorite Stories for Reading Comprehension Writing Skills Critical Thinking Character Building As a teacher you have the unique opportunity to teach and inspire your students to be goal oriented compassionate confident and ambitious Anna Unkovich a former teacher of thirty five years made a difference in her students' lives through the daily use of stories from the bestselling *Chicken Soup for the Soul* series As a teacher you have the unique opportunity to teach and inspire your students to be goal oriented compassionate confident and ambitious Anna Unkovich a former teacher of thirty five years made a difference in her students' lives through the daily use of stories from the bestselling series *Chicken Soup for the Soul* For many years Unkovich read these stories to her students and noticed remarkable

The Trail of the Open Heart Rebecca Rees, 2010-01-15 These are stories of All Kinds of Love cat love family love romantic love erotic love friendship and community love love of work love of home love of nature love of art love of justice love of spirit broken love mistaken love and eternal love From finding and losing and finding a girlhood Jesus to fighting racial injustice in the old South to thirty years of radical loving in flowery San Francisco to adventuring to live on the edge of the wild high desert mountains this is one feminist Everywoman's journey on the Trail of the Open Heart The dedication from the story Mistakes of the Open Heart gives a taste of the book I dedicate this story to my loving mistakes on the trail of the open heart the ones who got away To Michael my first friend in San Francisco who was in love when I was free and free when I was in love and lovingly married when I was free again To Charles my Rainmaker To Tim the first lover who made me feel beloved

To Doug my kindred spirit who held hands with me in the convent To Steve who dumped me on the Winter Solstice but still wrote to tell me he loved his Hanukkah present of seven stories To David a sweet guy who just wanted to be my friend and sing with me on the trail And to Paula best friend and adventure buddy of my youth who said that one of us should have been a man and knew that neither was willing to volunteer From you lost nowhere or nevermore lovers and from the unnamed others including the bad guys I have learned hard lessons You taught me humility and respect for the needs of others You taught me compassion in situations in which I was the rejector instead of the rejectee You taught me to allow every relationship to assume its natural form and that just because people love each other does not mean that they are meant to be together You helped me learn that the true source of all my love is me You taught me that part of being an attractive woman may be attracting experiences that I didn't expect You taught me to take responsibility for assessing when a person may be impulsive and unreliable and to take responsibility for acting on that knowledge You taught me that emotional fluency is not necessarily emotional responsibility You taught me that men who declare that they have been my lover in many lifetimes probably jerked me around in all those other lifetimes too You taught me to balance the romantic with the rational and not to mistake neediness for passion You taught me to count the cost of a relationship and decide if I am willing to pay that price all of it and still not get what I want I learned that most people love as well as they know how at the time given human imperfection in giving love and human imperfection in receiving it I learned that sometimes love is deeper without sex and sometimes friendship is more loving than love I learned that love is everywhere here and now and is not restricted in form I learned that life is ultimately a great Mystery and that what we have to give and teach each other may be beyond our immediate comprehension You my mistakes of the open heart led me to experience the tremendous peace and clarity that comes from giving up absolutely on an unworkable situation You helped me to learn that I can survive the death of an illusory self in relationship and be reborn to new possibilities an ever widening horizon of life You have helped me to become a woman of wisdom a woman who has learned to make good love and good friends when I can and learned to make the scraps into enlightenment soup
