Stiffed The Betrayal Of The Modern Man:

Stiffed Susan Faludi, 2000-09-19 One of the most talked about books of last year the Pulitzer Prize winning author of *Backlash* now explores the collapse of traditional masculinity that has left men feeling betrayed With *Backlash* in 1991 Susan Faludi broke new ground when she put her finger directly on the problem bedeviling women and the light of recognition dawned on millions of her readers what s making women miserable isn t something they re doing to themselves in the name of independence It s something our society is doing to women The book was nothing less than a landmark Now in *Stiffed* the author turns her attention to the masculinity crisis plaguing our culture at the end of the 90s an era of massive layoffs Angry White Male politics and Million Man marches As much as the culture wants to proclaim that men are made miserable or brutal or violent or irresponsible by their inner nature and their hormones Faludi finds that even in the world they supposedly own and run men are at the mercy of cultural forces that disfigure their lives and destroy their chance at happiness As traditional masculinity continues to collapse the once valued male attributes of craft loyalty and social utility are no longer honored much less rewarded Faludi s journey through the modern masculine landscape takes her into the lives of individual men whose accounts reveal the heart of the male dilemma *Stiffed* brings us into the world of industrial workers sports fans combat veterans evangelical husbands militiamen astronauts and troubled bad boys whose sense that they ve lost their skills jobs civic roles wives teams and a secure future is only one symptom of a larger and historic betrayal Young Men and Masculinities Victor J. Seidler, 2013-07-04 In this book Victor J Seidler one of the leading contributors to the growing debate about masculinities turns his attention to the lives of young men and their understandings of themselves as gendered beings By contextualizing their experiences and subjectivities within a rapidly globalizing world Seidler pays particular attention to the impact of the global media How does the mass circulation of images of men s bodies desires and sexualities affect their self perception and behaviours and how are these images framed within particular histories cultures and traditions Questioning universalist theories of hegemonic masculinities the book argues that young men often feel caught between prevailing masculinities and their own struggle for self definition It explores both how the idea of men as the First Sex has been established within the West and the ways in which men in other cultures and societies affirm their gendered identities Seidler pioneers new methodologies that involve listening to the silences surrounding male experience as well as to oral testimonies This enables innovative analysis of the contradictions young men are faced with in both creating their own gendered identities and establishing more equal relationships within a world of intense inequalities Queering the Subversive Stitch Joseph McBrinn, 2021-04-08 The history of men s needlework has long been considered a taboo subject This is the first book ever published to document and critically interrogate a range of needlework made by men It reveals that since medieval times men have threaded their own needles stitched and knitted woven lace handmade clothes as well as other kinds of textiles and generally delighted in the pleasures and possibilities offered by all sorts of needlework Only since

the dawn of the modern age in the eighteenth and the nineteenth centuries did needlework become closely aligned with new ideologies of the feminine Since then men s needlework has been read not just as feminising but as queer In this groundbreaking study Joseph McBrinn argues that needlework by male artists as well as anonymous tailors sailors soldiers convalescents paupers prisoners hobbyists and a multitude of other men and boys deserves to be looked at again Drawing on a wealth of examples of men s needlework as well as visual representations of the male needleworker in museum collections from artist s papers and archives in forgotten magazines and specialist publications popular novels and children s literature and even in the history of photography film and television he surveys and analyses many of the instances in which needlemen have contested resisted and subverted the constrictive ideals of modern masculinity This audacious original carefully researched and often amusing study demonstrates the significance of needlework by men in understanding their feelings agency identity and history

Masculinities and Culture John Beynon,2001-11-16 What is masculinity Is masculinities a more appropriate term How are masculinities socially culturally and historically shaped How are particular masculinities created enacted and represented in specific settings How can masculinities best be researched and theorized Masculinities and Culture explores how masculinities or ways of being a man are anchored in time and place the products of socio historical and cultural circumstances It examines the emergence of a masculinity fit for Empire in the mid to late nineteenth century and by way of contrast the more recent media driven commercial New Man and New Lad masculinity The author considers some of the media discourses shaping masculinities today and the formation of specific masculinities in specific settings such as prisons hospitals and schools which both define and in turn are defined by strongly held conceptions of acceptable masculine behaviour He concludes by reviewing a range of ways in which masculinities might be researched from fieldwork and auto biographical and life history approaches through to semiotics and the use of both film and literary texts This lively text provides a comprehensive introduction to contemporary debates concerning masculinities as gendered constructions along with the means of researching and theorizing them

Bringing Up Daddy Stella Bruzzi,2019-07-25 Offering a broad perspective on the Hollywood dad looking at important Hollywood fathers and discussing films from many genres this book adopts a multi faceted theoretical approach making use of psychoanalysis sociology and masculinity studies and contextualising the father figure within both Hollywood and American history

Heroines in History Katie Pickles,2022-07-21 Heroines in History A Thousand Faces moves beyond stories of individual heroines taking a thematic synthesising and global in scope approach to challenge previous understandings of heroines in history Responding to Joseph Campbell s Hero with a Thousand Faces Katie Pickles explores the idea of a transcultural heroine archetype that recurs through time Each chapter addresses an archetypal theme important for heroines in history The volume offers a new consideration of the often awkward position of women in history and embeds heroines in the context of their times as well as interpreting and analysing how their stories are told re told and represented at different moments To do so it recovers and

compares some women now forgotten along with well known recent heroines and brings together a diversity of women from around the world Pickles looks at the interplay of gender race heredity status class and politics in different ways and chronicles the emergence of heroines as historical subjects valued for their substance and achievements rather than as objects valued for their image and celebrity In an accessible and original way the book builds upon developments in women s and gender history and is essential reading for anyone interested in this field *Wounded Masculinities* Valeria

Quaglia,2023-12-05 This book contributes to the emerging field of men s health studies delving into how men incorporate adapt negotiate or reject health care practices to perform masculinities in social interactions By moving beyond the simplistic association between men masculinity and the adoption of risky or unhealthy practices this book draws from recent critical perspectives on the study of men s health seeking to challenge and problematize the relationship between masculinities and health The text presents original empirical findings derived from qualitative and digital research examining the different ways in which men re negotiate their masculinities after the onset of a chronic illness focusing on diabetes as a strategic case study Living with a chronic illness implies that those gender practices that are usually taken for granted suddenly become unachievable and impose a reconfiguration of the masculine self as well as a negotiation of the very meaning of masculinity The volume aims to critically examine this interactive process of re negotiation while also reflecting on men masculinities and their health on a more general level This book serves as a valuable resource for students and scholars in social sciences working on the intersection of gender and health as well as for health professionals seeking a deeper understanding of the connection between men gender and health **White Masculinity in Crisis in Hollywood's Fin de Millennium Cinema**

Pete Deakin,2019-10-15 White Masculinity in Crisis in Hollywood s Fin de Millennium Cinema claims that Hollywood cinema had a significant relationship with the millennial crisis of masculinity From Fight Club Fincher 1999 and American Psycho Harron 2000 to Office Space Judge 1999 The Matrix Wachowski s 1999 and American Beauty Mendes 1999 Pete Deakin attests that alongside the emergent crisis came a definitive body of some twenty five Hollywood crisis titles each film with a representational concern for the apparent masculine malaise Asking whether Hollywood helped create propel or sooth the very notion of the crisis of masculinity at this time Deakin engages with some important cultural questions how discursive or even authentic was it and more vitally whose actual crisis was this To this end scholars of film studies media studies gender studies history and sociology will find this book particularly useful **Responsibility, Law and the Family** Jo

Bridgeman,Craig Lind,2016-04-08 Focusing on moral social and legal responsibilities as opposed to rights or obligations this volume explores the concept of responsibility in family life law and practice Divided into four parts the study considers the nature of family responsibility constructions of children s responsibilities shifting conceptions of family responsibilities and family responsibility and the law The collection brings together leading experts from the disciplines of sociology socio legal studies and law to discuss responsibilities prior to birth responsibilities for children as well as responsibilities of children and

of the state towards family members The volume informs and challenges the developing conceptualization of responsibilities which arise in interdependent intimate and caring relationships and their legal regulation It will be of great interest to researchers and practitioners working in this complex field *It Came From the 1950s!* Darryl Jones, Elizabeth McCarthy, Bernice M. Murphy, 2011-10-04 An eclectic and insightful collection of essays predicated on the hypothesis that popular cultural documents provide unique insights into the concerns anxieties and desires of their times 1950s popular culture is analysed by leading scholars and critics such as Christopher Frayling Mark Jancovich Kim Newman and David J Skal **Shame** David Keen, 2025-12-02 The uses of shame and shamelessness in spheres that range from social media and consumerism to polarized politics and mass violence Today we are caught in a shame spiral a vortex of mutual shaming that pervades everything from politics to social media We are shamed for our looks our culture our ethnicity our sexuality our poverty our wrongdoings our politics But what is the point of all this shaming and countershaming Does it work And if so for whom In *Shame* David Keen explores the function of modern shaming paying particular attention to how shame is instrumentalized and weaponized Keen points out that there is usually someone who offers an escape from shame and that many of those who make this offer have been piling on shame in the first place Self interested manipulations of shame Keen argues are central to understanding phenomena as wide ranging as consumerism violent crime populist politics and even war and genocide Shame is political as well as personal To break out of our current cycle of shame and shaming and to understand the harm that shame can do we must recognize the ways that shame is being made to serve political and economic purposes Keen also traces the rise of leaders on both sides of the Atlantic who possess a dangerous shamelessness and he asks how shame and shamelessness can both be damaging Answering this question means understanding the different types of shame And it means understanding how shame and shamelessness interact not least when shame is instrumentalized by those who are selling shamelessness Keen points to a perverse and inequitable distribution of shame with the victims of poverty and violence frequently being shamed while those who benefit tend to exhibit shamelessness and even pride **Transforming Masculinities** Vic Seidler, 2006-03-20 Critically exploring the ways in which men and masculinities are commonly theorized this multidisciplinary text opens up a discussion around such relationships and shows that as with feminisms there is a diversity of theoretical traditions It draws on a variety of examples and explores new directions in the complexities of diverse male identities and emotional lives across different histories cultures and traditions This book considers the experiences of different generations explores connections between masculinity and drugs investigates men and masculinities in a post 9 11 world considers new ways of thinking about male violence recognizes the importance of culture and provides spaces to explore different class race and ethnic masculinities Written in a practical versatile manner by an established author in this field it points to new directions in thinking and makes essential reading for advanced undergraduates postgraduates and researchers in the fields of sociology gender studies politics philosophy and

psychology American Fiction of the 1990s Jay Prosser, 2016-04-01 American Fiction of the 1990s Reflections of History and Culture brings together essays from international experts to examine one of the most vital and energized decades in American literature This volume reads the rich body of 1990s American fiction in the context of key cultural concerns of the period The issues that the contributors identify as especially productive include Immigration and America's geographical borders particularly those with Latin America Racial tensions race relations and racial exchanges Historical memory and the recording of history Sex scandal and the politicization of sexuality Postmodern technologies terrorism and paranoia American Fiction of the 1990s examines texts by established authors such as Don DeLillo Toni Morrison Philip Roth and Thomas Pynchon who write some of their most ambitious work in the period but also by emergent writers such as Sherman Alexie Chang Rae Lee E Annie Proulx David Foster Wallace and Jonathan Franzen Offering new insight into both the literature and the culture of the period as well as the interaction between the two in a way that furthers the New American Studies this volume will be essential reading for students and lecturers of American literature and culture and late twentieth century fiction Contributors include Timothy Aubry Alex Blazer Kasia Boddy Stephen J Burn Andrew Dix Brian Jarvis Suzanne W Jones Peter Knight A Robert Lee Stacey Olster Derek Parker Royal Krishna Sen Zoe Trodd Andrew Warnes and Nahem Yousaf **Women Going Backwards** Sandra Berns, 2018-05-08 This title was first published in 2002 Gender has become a culturally laden signifier Sometimes used to differentiate the social from the biological gender itself has become gendered In common parlance gender issues often slide inexorably into women's issues and are in that way designated as marginal and outside the concerns and lives of ordinary men and women In this book signifiers such as gender worker and family are unpacked and suggestions are made as to how common usage of these signifiers reinforce existing practices and act as barriers to change Some of these changes are legal others are social and others are driven by political and policy agendas By looking at five areas equal opportunity law family law industrial relations law social welfare law and taxation law which are all profoundly gendered the author examines ways in which men and women see their roles and choices and how these are related to the state as citizens The author then examines the definition of citizenship and looks in detail at the concept of the unencumbered citizen who is unencumbered by interpersonal obligations responsibilities and beliefs using comparative material from Australia North America and the United Kingdom Feminism and Men Nikki van der Gaag, 2014-08-14 Feminism has changed the world it is radically reshaping women's lives But what about men They still hold most of the power in the economy in government in religions in the media and often in the family too At the same time many men are questioning traditional views about what it means to be a man Others resent the gains women have made and want to turn back the clock Nikki van der Gaag asks the question how might feminism improve the lives of men as well as women And is there a place for men in the feminist story **Cinemas of Boyhood** Timothy Shary, 2021-01-20 Drawing from political sociology pop psychology and film studies Cinemas of Boyhood explores the important yet often overlooked subject of boys

and boyhood in film This collected volume features an eclectic range of films from British and Indian cinemas to silent Hollywood and the new Hollywood of the 1980s culminating in a comprehensive overview of the diverse concerns surrounding representations of boyhood in film

Detecting Men Philippa Gates, 2012-02-01 Detecting Men examines the history of the Hollywood detective genre and the ways that detective films have negotiated changing social attitudes toward masculinity heroism law enforcement and justice Genre film can be a site for the expression and resolution of problematic social issues but while there have been many studies of such other male genres as war films gangster films and Westerns relatively little attention has been paid to detective films beyond film noir In this volume Philippa Gates examines classical films of the thirties and forties as well as recent examples of the genre including Die Hard the Lethal Weapon films The Usual Suspects Seven Devil in a Blue Dress and Murder by Numbers in order to explore social anxieties about masculinity and crime and Hollywood's conceptions of gender Up until the early 1990s Gates argues the primary focus of the detective genre was the masculinity of the hero However from the mid 1990s onward the genre has shifted to more technical portrayals of crime scene investigation forensic science and criminal profiling offering a reassuring image of law enforcement in the face of violent crime By investigating the evolution of the detective film Gates suggests perhaps we can detect the male

International Encyclopedia of Men and Masculinities, **The Jurassic Park Book** Matthew Melia, 2023-11-16 The definitive 1990s blockbuster Steven Spielberg's Jurassic Park met with almost universal critical and popular acclaim broke new ground with its CGI recreation of dinosaurs and started one of the most profitable of all movie franchises To mark the film's 30th anniversary this exciting illustrated collection of new essays interrogates the Jurassic Park phenomenon from a diverse range of critical historical and theoretical angles The primary focus is on Jurassic Park itself but there is also discussion of the franchise and its numerous spin offs As well as leading international scholars of film studies and history contributors include experts in special effects science on screen fan studies and palaeontology Comprehensive up to date and accessible The Jurassic Park Book appeals not only to students and scholars of Hollywood and contemporary culture but also to the global audience of fans of the greatest of all dinosaur movies

Masculinity and Film Performance D. Peberdy, 2011-07-19 A lively and engaging study of on screen and off screen performances of masculinity focusing on well known male actors in American film and popular culture in the 1990s and 2000s Peberdy examines specific social cultural historical and political contexts that have affected age race sexuality and fatherhood on screen
