Grimalkin and Other Poems Thomas Lynch, 1994 The poems in *Grimalkin* Thomas Lynch's first publication in Britain are all concerned in one way or another with achieving a balance in the face of gravity In each poem Lynch is looking for this equilibrium between equal and opposing forces the gravities of sex and death love and grief all the things that make us breathless and horizontal mortal and memorable By means of a wry mordant wit telling observation and glorious poise we are shown the strong tensions that make us human the forces in our nature that create replicate restore renew us and those that kill us constrict our lives silence us From spirited invective to meditations on morality from lyrics of love and desire to a corrosive flyting to his ex wife these poems explore an extraordinary emotional range and technical facility but more importantly they reveal a compassionate wise and genial humanity

The Good Funeral Thomas G. Long, Thomas Lynch, 2013-01-01 Before long I began to understand that showing up being there helping in an otherwise helpless situation was made heroic by the same gravity I had sensed when I first stood in that embalming room as a boy the presence of the dead made the presence of the living more meaningful somehow as if it involved a basic and intuitively human duty to witness from Chapter 1 How We Come to Be the Ones We Are Two of the most authoritative voices on the funeral industry come together here in one volume to discuss the current state of the funeral Through their different lenses one as a preacher and one as a funeral director Thomas G Long and Thomas Lynch alternately discuss several challenges facing the good funeral including the commercial aspects that have led many to be suspicious of funeral directors the sometimes tense relationship between pastors and funeral directors the tendency of modern funerals to exclude

the body from the service and the rapid growth in cremation The book features forewords from Patrick Lynch President of the National Funeral Directors Association and Barbara Brown Taylor highly praised author and preacher It is an essential resource for funeral directors morticians and pastors and anyone else with an interest in current funeral practices *The Ultimate Journey* James O'Reilly, Sean O'Reilly, Richard Sterling, 2000 The Ultimate Journey provides an inspiring look across all religious and geographic boundaries into life's final adventure revealing how much dying has to teach us about living

Heart Beats Catherine Robson, 2015-03-22 Many people in Great Britain and the United States can recall elderly relatives who remembered long stretches of verse learned at school decades earlier yet most of us were never required to recite in class Heart Beats is the first book to examine how poetry recitation came to assume a central place in past curricular programs and to investigate when and why the once mandatory exercise declined Telling the story of a lost pedagogical practice and its wide ranging effects on two sides of the Atlantic Catherine Robson explores how recitation altered the ordinary people who committed poems to heart and changed the worlds in which they lived Heart Beats begins by investigating recitation's progress within British and American public educational systems over the course of the nineteenth and twentieth centuries and weighs the factors that influenced which poems were most frequently assigned Robson then scrutinizes the recitational fortunes of three short works that were once classroom classics Felicia Hemans's Casabianca Thomas Gray's Elegy Written in a Country Churchyard and Charles Wolfe's Burial of Sir John Moore after Corunna To conclude the book considers W E Henley's Invictus and Rudyard Kipling's If asking why the idea of the memorized poem arouses such different responses in the United States and Great Britain today Focusing on vital connections between poems individuals and their communities Heart Beats is an important study of the history and power of memorized poetry 100
