#### Still Life With Bombers Israel In The Age Of Terrorism:

Still Life with Bombers David Horovitz, 2007-12-18 When peace talks between Palestinian and Israeli leaders collapsed at Camp David in 2000 a conflict as bloody as any that had ever occurred between the two peoples began Now David Horovitz editor of The Jerusalem Report explores the quotidian and profound effects this conflict and its attendant terrorism have had on the lives of ordinary men women and children Horovitz describes the grim lottery of life in Israel since 2000 He makes clear that far from becoming blas or desensitized its citizens respond with deepening horror every time the front pages are disfigured by the rows of passport portraits presenting the faces of the newly dead He takes us to the funeral of a murdered Israeli where the presence of security personnel underlines that nowhere is safe He describes how his wife must tell their children to close their eyes when they pass a just exploded bus on the way to school so that the images of carnage won t haunt them He talks with government officials on both sides of the conflict with relatives of murdered victims with Palestinian refugees and with his own friends and family letting us sense what it feels like to live with the constant threat and the horrific frequency of shootings and suicide bombings Examining the motives behind the violence he blames mistaken policies and actions on the Israeli as well as the Palestinian side and details the suffering of Palestinians deprived of basic freedoms under strict Israeli controls But at the root of this conflict he argues is terrorism and Yasser Arafat s deliberate use of it after spurning a genuine opportunity for peace at Camp David and then misleading his people and much of the world about what was on offer there He describes how the world's press has too often allowed prejudgment to replace fair minded reporting And finally Horovitz makes us see the vast depth and extent of the mistrust between Israelis and Palestinians and the enormous challenges that underlie new attempts at peacemaking Human and harrowing and yet projecting an unexpected optimism Still Life with Bombers affords us a remarkably balanced and insightful understanding of a seemingly intractable conflict Future Tense Jonathan Sacks, 2010-04-20 One of the most admired religious thinkers of our time issues a call for world Jewry to reject the self fulfilling image of a people alone in the world surrounded by enemies and to reclaim Judaism's original sense of purpose as a partner with God and with those of other faiths in the never ending struggle for freedom and social justice for all We are in danger says Rabbi Jonathan Sacks of forgetting what Judaism's place is within the global project of humankind During the last two thousand years Jews have lived through persecutions that would have spelled the end of most nations but they did not see anti Semitism written into the fabric of the universe They knew they existed for a purpose and it was not for themselves alone Rabbi Sacks believes that the Jewish people have lost their way that they need to recommit themselves to the task of creating a just world in which the divine presence can dwell among us Without compromising one iota of Jewish faith Rabbi Sacks declares Jews must stand alongside their friends Christian Muslim Hindu Sikh Buddhist and secular humanist in defense of freedom against the enemies of freedom in affirmation of life against those who desecrate life And they should do this not to win friends or the admiration of others but because it is what

a people of God is supposed to do Rabbi Sacks s powerful message of tikkun olam using Judaism as a blueprint for repairing an imperfect world will resonate with people of all faiths I Am Jewish Ruth Pearl, Judea Pearl, 2011-08-01 Being Jewish What does it mean today and for the future Listen in as Jews of all backgrounds reflect argue and imagine When Wall Street Journal reporter Daniel Pearl was brutally murdered in Pakistan many Jews were particularly touched by his last words affirming his Iewish identity Many were moved to reflect on or analyze their feelings toward their lives as Jews The saying two Jews three opinions well reflects the Jewish community s broad range of views on any topic I Am Jewish captures this richness of interpretation and inspires Jewish people of all backgrounds to reflect upon and take pride in their identity Contributions ranging from major essays to a paragraph or a sentence come from adults as well as young people in the form of personal feelings statements of theology life stories and historical reflections Despite the diversity common denominators shine through clearly and distinctly Contributors include Ehud Barak Sylvia Boorstein Edgar M Bronfman Alan Colmes Alan Dershowitz Kirk Douglas Richard Dreyfuss Kitty Dukakis Dianne Feinstein Tovah Feldshuh Debbie Friedman Milton Friedman Thomas L Friedman Ruth Bader Ginsburg Nadine Gordimer David Hartman Moshe Katsav Larry King Francine Klagsbrun Harold Kushner Lawrence Kushner Shia LaBeouf Norman Lamm Norman Lear Julius Lester Bernard Henri L vy Bernard Lewis Daniel Libeskind Joe Lieberman Deborah E Lipstadt Joshua Malina Michael Medved Ruth W Messinger Amos Oz Cynthia Ozick Shimon Peres Martin Peretz Dennis Prager Anne Roiphe Sandy Eisenberg Sasso Vidal Sassoon Zalman M Schachter Shalomi Daniel Schorr Harold M Schulweis Lynn Schusterman Natan Sharansky Gary Shteyngart Sarah Silverman Michael H Steinhardt Kerri Strug Lawrence H Summers Mike Wallace Elie Wiesel Leon Wieseltier Sherwin T Wine Ruth R Wisse Peter Yarrow A B Yehoshua Eric H Yoffie Herzl's Nightmare Peter Rodgers, 2009-04-27 Theodor Herzl's dream of a national homeland for the Jewish people was realized when Israel declared its independence in 1948 Yet it was made possible through the deaths of millions of European Jews and at the expense of Palestinian society a people who would never forget what they saw as a grave injustice Herzl's dream would prove illusory. This important new study from the former Australian ambassador to Israel shows how little the dynamics of the conflict have actually changed how eerily reminiscent today s antagonisms and falsehoods are of yesteryear s and how much today s self righteous intransigence on both sides owes to what went before Peaceworks .2006 **How Not to Make Peace** Robert L. Rothstein, 2006 The Bible's Top 50 <u>Ideas</u> Dov Peretz Elkins, Abigail Treu, 2013-09-01 All the important moral ideas of the modern world are based on the key biblical verses analyzed in this collection What generally happens when someone picks up a copy of the Bible Often it is put down within seconds because readers see endless verses which turn them off Finally here is an accessible book about the Bible that focuses on its great moral principles Human beings are created in the image of God Love your neighbor as yourself You shall not stand idly by the blood of your neighbor You shall love the Lord your God with all your heart and with all your soul and with all your might Justice justice shall you pursue Dov Peretz Elkins believes that if a reader understands fifty

verses of the five thousand in the Bible only 1 percent he or she will begin to grasp the essence of the Bible This remarkable explanation of the Bible shows readers how it can serve as a light that illuminates a path through the confusion and problems in their personal and communal lives The result is a life that is better and more serious a life with meaning purpose and direction The Bible's Top 50 Ideas Presents the Bible's essential ideas in readable engaging fashion Focuses on the contemporary value of the Bible Uses commentaries and explanations from sources that are modern as well as ancient Christian as well as Jewish and popular as well as scholarly Elkins not only simplifies the Bible but also demonstrates how its fundamental ideas and concepts have inspired four thousand years of civilization to follow its teachings The result is a moral legal and literary foundation that remains the basis of all democratic and principled societies to this day Diaspora Anthony Julius, 2012-02-09 The first ever comprehensive history of anti Semitism in England from medieval murder and expulsion through to contemporary forms of anti Zionism in the 21st century Historical Dictionary of Israel Bernard Reich, David H.
