Chalmers, 1810 *Escape from the Village* Chris Baker, 2013-10-07 An eleven year old girl and boy live in an isolated village with 258 other citizens Nobody has a name and everything is calculated to break their spirits so that they surrender to an existence of gray routine But they have each other They each have a passion music and art And a mysterious force is guiding them and protecting them When the savagery of those in control finally transforms the girl the boy must help her find herself again The path is an amazing journey through which they discover the depths of their humanity and a startling method to

shake the village at its roots Perhaps they can shift the world toward happiness Escape from the Village is an homage to true friendship which can sustain the human spirit even against physical and spiritual torture It is a touching love story like no other Wendy McElroy She draws the pictures He makes the music They both share a big secret There is no music or art in the village where a pre adolescent boy and girl They go to a mysterious house where they make music and art while other citizens can not go there Their creativity separates them from their peers in many ways They will soon discover that there is much more being kept from them Take the grim dystopia of the Hunger Games and combine it with the charm of Moonrise Kingdom the result is Escape from the Village      **Fata Morgana** Steven R. Landegent,2017-06-06 Some people cant see the forest for the treesthey get so bogged down in details that they lose sight of what its all about Others cant see the trees for the forestthey miss the wondrous details all around them So why not look instead at both the forest and the trees This commentary on Pauls letter to the Colossians guides you in doing just that Even though we will be exploring ancient biblical cultures and learning plenty about the Greek language no prior academic training is needed Technical terms have been set aside Instead with everyday language we will discover the big picture and revel in the fine details of this stunning letter amazed by how God is still speaking these same words today to contemporary personal and social challenges We will not then be tourists rapidly zipping through Colossians as if on a monotonous interstate highway Instead we will be hiking our way through this letter step by step phrase by phrase finding joy in Gods truth and growing in our faith Come and join the journey      Telling Images V. **God and the History of the Universe** Jarvis Streeter,2016-03-22 The popular belief that a scientific understanding of reality is incompatible with a Christian one is simply wrong Some Christian understandings of reality do conflict with some scientific understandings But a thoroughly rational Christian understanding of the origin and history of the universe will be informed by the best scientific theories and the facts

founded on them This book weaves a narrative of the origin and history of the universe from the perspective of contemporary science with a Christian understanding of God and of God's role in the origin and history of the universe At the center of this integrated narrative is the view that God who is pure unbounded Love is Creator the zest for life in the universe comes from God and God is the source of Truth Beauty and Goodness in the universe God is amazed and delighted at what God and the world has created God is saddened by ways creatures have fallen short of pure unbounded Love Truth Beauty and Goodness and God's pure unbounded Love keeps on trying to persuade all creatures toward Truth Beauty and Goodness **GOLD**
