

A scenic landscape featuring a calm body of water in the foreground, reflecting the sky and distant mountains. The sky is filled with soft, golden light from a setting or rising sun, with some clouds catching the light. Dark, silhouetted mountains and evergreen trees line the far shore. The overall mood is peaceful and serene.

Still Waters Run Deep:

Still Waters Run Deep Derek Reeves, 2008 *Still Waters Run Deep* is the inspiring true story of a misguided youth who is placed in a juvenile psychiatric facility at the age of fifteen after being arrested and charged with breaking and entering. There he finds faith in Christ which enables him to overcome the hardship with which he is faced and graduate from high school with honors. After graduating from Charles Evans Hughes High School in 1981, author Derek Reeves went on to obtain a bachelor's degree in American history and a master's degree in theological studies. Anyone genuinely interested in understanding the crisis of young black males during the 1960s and 70s will enjoy reading Derek's book, as will anyone who has ever been on the wrong side of the law and achieved salvation from a life of sin. This book will also appeal to anyone interested in understanding the experience of black students at historically white schools. In the context of talking about his struggle to overcome juvenile delinquency and a dysfunctional family, the author explores the doubts, fears, and perplexities related to being schooled with white children and having a turbulent family life. His writing is honest and self-disclosing, his perceptions keen and discerning.

Still Waters Run Deep Tom Taylor, 1857 [Still Waters Run Deep](#) Suzanne Knoebel, 2004 This is a novel about love lost and love found, families lost and families regained, and the choices and sacrifices we make to pursue a meaningful life. The story centres around the efforts of Eric and Sandra to create Royal Heights, a gap health care facility for people discharged from the hospital but too sick to go home. Combined with this timely story of healthcare issues are the lives and loves of Sandra, Eric, and their circle of friends facing problems that range from drug addiction to romantic entanglements to organised crime and financial intrigues. The tropical paradise of Hawaii provides an exotic setting, and the author's deft prose evokes the warm, laid-back island lifestyle. In this novel of romance, mystery, and commitment to an ideal.

Some are captured and sentenced to death, while others still lurk in communities throughout the world. Author Michael J. Manley contends that you can't truly write about something unless you experience it yourself. He lived in the same neighborhood of one of the most notorious serial killers in Los Angeles and he visited Springfield, Massachusetts, where nine serial killings were committed. He writes of the pain and horror that entire communities experience as two contemporary serial killers on opposite ends of the country leave their dead to be found in bodies of water or alleyways. Based on true stories, the novel *Still Waters Run Deep: The Tales of Two Cities That Suffered from Serial Killings* (Springfield, Massachusetts; Los Angeles, California) delves into the behaviorism that serial killers have in common. What is it that drives these mass murderers to kill? *Still Waters* is a must-read for those who need to know the mystery inside the murderous minds of serial killers.

Man of Few Words Fabian M.C. Kuykendall, 2010-08-17

Man of Few Words is my story It reads like a journal that chronicles my life It's a compilation of poems songs essays short stories and thoughts derived from experiences both direct and indirect fiction and nonfiction This book is my truth my autobiography words that are written on the pages of me The irony of the title is not to be lost on the reader though I'm a man of few words I have so much to say I discovered a passion for poetry at the age of fourteen During this period I was going through a lot of changes in my life I had just moved with my grandma to what was a spiritually binding neighborhood and I was just beginning high school As I felt my childhood was over I quickly fell into a depression and subsequently dropped out of school I was confused and overwhelmed by emotions that I'd never felt before Feeling the need to express myself I was fatefully inspired to write I began writing what I call albums of conceptual compositions collections of poems that would later become the chapters of my book While I didn't use my entire catalogue for this book I chose the compositions that I feel best represent my artistic vision These poems are listed in chronological order revealing my journey and evolution of words This book was inspired by my irrepressible need for creative expression I always thought that I'd write a book somewhere down the line but that somewhere became here and that here became now It's amazing how your destiny has a way of claiming you before you realize your destiny I used to dream of being a music producer and I thought that because I dreamed it this was what I was supposed to be But my dreams were interrupted when my true calling chose me Writing became a passion of mine because it allowed me to fully and fearlessly represent myself Anything I want to be or say can be done with the boundlessness of artistic freedom I am free to be an artist as I paint images with words In many ways writing communicates a message more clearly and profoundly than spoken language When someone is reading your written word they are forced to listen and actually hear what you have to say I believe that the hardships I went through as a teenager was for this purpose to write these words that tell my story It might even seem like a gift from depression but I believe that my calling is a gift from God For this reason it is my obligation to share my gift I just might inspire someone else to write as they read my story and find the motivation to tell their own My goal through my words is to be the impetus that provides people with a deeper respect for the craft What I hope to accomplish with this book is to have people gain a more profound understanding of me I believe that I have a lot to offer through my words for those who are interested and willing to listen To many people I'm a man of few words because I don't often reveal myself through my personality or my existence What I want these and other people to know is that there's more to me I'm not just one dimensional I'm a host of imperfections and contradictions with a

multifaceted depth I encourage you to learn me to read my words and not my silence
