Memoir of a Debulkied Woman Susan Gubar, 2012-03-27 In this moving memoir a renowned feminist scholar explores the physical and psychological ordeal of living with ovarian cancer

When Mama Can't Kiss it Better, A journey of love, loss and acceptance Lori Gertz, 2014-09-18 WHEN MAMA CAN T KISS IT BETTER is the raw account of a true story that shocked the nation in 2010 Gertz was America s most hated mother when news of a decision to place her adopted child in another family broke in the media Called out by many as an unfit mother and an evil woman who threw away her child she was catapulted into the national and international media Her daughter Emily suffered from fetal alcohol spectrum disorder reactive attachment disorder bipolar disorder and other disorders She had never bonded with Lori her father or her siblings and had begun a spiral of self destruction that often involved running into traffic and other dangerous behaviors While Gertz recalls feeling isolated accounts like hers are not rare Stories like When Mama Can t Kiss it Better are not told terribly often because of the stigma and finger pointing She writes The mother is always blamed first when a child suffers from extreme behavioral disabilities There are millions of parents who are struggling to raise children with behavioral disabilities who feel misunderstood unheard and judged and who want to be reassured that there are others like them With one in four Americans struggling with mental illness NIMH every year everyone in this country either lives with mental illness or knows someone who does The greatest tragedy is that 60% of the adults and 50% of the children suffering from mental disorders will receive absolutely NO services or support for their mental illness WHEN MAMA CAN T KISS IT BETTER covers The adoption of their daughter Emily early signs of trouble their birthmother s suicide the truth about her pregnancy and warnings about how to avoid what happened to the author and her family Raw and honest details about her daughter s rages suicide attempts and hospitalizations The turmoil that living with mental illness causes for everyone in the home and how it affects siblings and marriages The difficulty in receiving support from physicians educators clinicians The author s increasing desperation to find answers and help as rages and impulsivity became safety issues Being judged by doctors schools and outsiders as the problem while her daughter collected diagnosis after diagnosis The painful decision to place her daughter in another family and how she came to accept that she had to do the unthinkable Parents worldwide waging verbal attacks on her since if the fault belonged to Gertz alone it couldn t happen to anyone else Note from the Author I spent the better part of six years writing this book which began as the only way I could cope with what was happening in our lives I just couldn t believe the lack of resources there were when I reached out for them so vociferously and started documenting what was happening inside our family if not only to maintain my sanity I am passionate about telling my story to help increase understanding of the enormous challenges parents of special needs children face in a culture that believes that motherly love and perseverance can cure all ills For those on similar paths the story of my journey to a sense of peace within the context of facing unrealized dreams human limitations broken hearts and the unfair circumstances of life may help them find that same

place of peace in the tough decisions within their own lives I pray this book will bring attention to the need to better support parents and kids with mental illness and other invisible disabilities and I am deeply grateful for the opportunity to call attention to such pressing societal issues Keywords Parenting Disabilities FASD Mothering Mental Illness RAD Bipolar Memoir Special Needs Fetal Alcohol Syndrome **Life, Love and Loss** Katy Stevens,2022-04-06 Katy tells the story of her family and relationships throughout her life and how the love of her family meant everything to her She has suffered enormous pain and grief that took her downward into a life of addiction sadness and dysfunction to protect and support her daughter This story is about how Katy pulled herself out of the depths of grief and moved forward leaving behind the negative distorted beliefs which her father had embedded in her mind about her and she discovered her inner strength in working through her painful grief of three miscarriages deaths of close friends and then the death of her beloved Alex Katy tells of the lessons she has learned along the way and the people who have inspired her and supported her to be the amazing woman she is today Katy s story from living in Morocco and almost dying at the hands of her mother in law to supporting her close friend dying of Hep C kidney failure and dialysis and now inspirationally working with many people as a Cognitive Behavior Therapist and Empowerment Coach and Public Speaker to help individuals find fulfillment in their own lives O's *Little Book of Love & Friendship* The Editors of O, The Oprah Magazine,2016-04-05 An evocative and heartwarming collection of essays and anecdotes from great writers and celebrated thinkers O s Little Book of Love Abigail Thomas on the ecstasy and agony of a first date Elizabeth Strout on sharing the words that made her heart crack Susanna Sonnenberg on reconnecting with her adored sister Walter Kirn on love lessons learned the hard way and more A perfect gift for anyone s nearest and dearest O s Little Book of Love Friendship is a treasure box that readers will turn to again and again
