Still Doing The Impossible:

Still Doing the Impossible Oral Roberts, 2002 For more than 50 years Oral Roberts has been taking the good news of Jesus Christ to the ends of the earth totally dedicated to bringing God's healing power for the whole person Everything done by Dr Roberts has the personal touch of his great love and care for God's people Now in the sunset of a life that has touched millions around the world he passionately reveals the truths that have altered his life and awakened the Church From the presence of the invisible God he delivers the keys that will unlock God's power in your life as it unleashes His love These truths will work for the plumber as well as the preacher the bus boy and the businessman the carpenter and the cleric the housewife as well as the handyman They are precious truths that transcend time and culture **When You See the**

Invisible, You Can Do the Impossible Oral Roberts, 2005-05 Everything done by Dr Roberts has the personal touch of his great love and care for God's people Now in the sunset of a life that has touched millions around the world he passionately reveals the truths that have altered his life and awakened the church From the presence of the invisible God he brings to you the hidden keys that will unlock God's power as it releases His compassion *I Saw That* Tracie Jack, 2013-08 God is always involved in our lives but often we don't notice too busy with our own agenda to appreciate what He is doing for us In her book *I Saw That* Tracie shares some poignant events in her life where she was able to see God's hand interceding in her life in divine life changing ways This is a well written engaging narrative that will provide valuable biblical insights on how you too can say I saw that when God intervenes in your life Bob Russell Retired Senior Minister of Southeast Christian Church Everybody wants a miracle a Red Sea to be parted a giant to be slayed a mountain to be moved And while God can still part seas take down giants and move mountains often the most significant miracle is that God chooses to walk with His children in the daily grind of life that He knows our prayers before we speak them and knows the number of hairs on our head *I Saw That* is about the miracle of the minutiae We rarely miss the big things God does or the ways He answers our big bold prayers but we rarely see the small ways He cares for us speaks to us and dances over us mostly because we aren't looking But God is at work daily in the ordinary and mundane bringing all things together for our good It's never a matter of whether or not He is faithful It's always a matter of whether or not we see it If you're a follower of Jesus this book will strengthen your faith If you're not quite sure you believe in God it may just change your mind **Memoirs from the Word of God Volume**

1 Rev. Ronald Davis, 2020-06-16 This book is a compilation of inspirational encouragement from the word of God messages I have preached and taught over the years in ministry from past to present over thirty something years inspired by the word and Spirit of God words of hope and spiritual enlightenment and revelation I have spent years before the Lord listening to Him getting these messages and words and I really feel they will bless you Amen Jesus, M.D. David Stevens, Gregg Lewis, 2001 Through the eyes of a modern medical missionary who observes and notes everything from Christ's bedside manner to his diagnostic expertise readers can understand Jesus in ways they have never considered Him before Readers can

experience the tension risks and awesome wonder of what God accomplishes in the midst of brokenness and seemingly impossible circumstances **He's Been Faithful** Carol Cymbala,2011-01-04 Carol Cymbala's ministry in a tough inner city neighborhood in New York can be summed up in one word unlikely She is the director and songwriter for a Grammy Award winning choir yet she doesn't read music She is the pastor's wife in a 6 000 member congregation filled with people of color and she is white A shy girl who struggled to get through school she is the last person you'd expect to stand before a packed house at Radio City Music Hall confidently directing The Brooklyn Tabernacle Choir But Carol's God is the God of the unlikely He's Been Faithful tells the story of the way God works despite or maybe because of our many inadequacies Because of how God has worked in her own life and in The Brooklyn Tabernacle and its world famous choir she knows how crucial it is to remember our desperate need for God But Carol's faith hasn't always come easily There have been times of wavering and challenge like the time a man walked down the aisle of the church pointing a gun at her husband Jim Or like the time she was assaulted outside the church Or like the time she wanted to pack up her children and run away from the city for good because of what was happening to her family He's Been Faithful is an honest story about the struggles we all face and the power of God to help us It is told through Carol's eyes as well as through the eyes of various members of The Brooklyn Tabernacle Choir who have experienced the grace of Christ in remarkable ways Through them we learn that our longings for God will never be satisfied by worship that is showy or performance based Instead God we will meet us when we come to him simply seeking his glory rather than ours telling him and the world around us about the great things he has done Whether you are a pastor a choir director or someone who is seeking a deeper experience of God He's Been Faithful will renew your faith and increase your understanding that only Jesus can fill that deep deep longing we all have for something more in life

The Extent of Impossibility Martin Vacek,2025-08-30 The book examines the notion of impossible worlds Although the notion of an impossible world is not novel several misunderstandings and misrepresentations have resulted in philosophical confusion To avoid such confusion the analysis here differentiates between the logical semantic epistemological and metaphysical roles of impossible worlds The book's central hypothesis is that an understandable taxonomy of extreme positions about impossible worlds is required it is not easy to hold the middle ground without taking the extreme positions seriously These positions are compared in order to draw important lessons for logic epistemology and metaphysics The Extent of Impossibility is essential reading for scholars in philosophy and especially for scholars and researchers focusing on metaphysics logic and epistemology **Willa Cather at the Modernist Crux** Ann Moseley,John Joseph Murphy,Robert Thacker,2017
