The Intentional Life Series Ramesh P. Richard, 2004-05-01 This set includes all three books of the Intentional Life Series *Soul Passion* *Soul Mission* and *Soul Vision* Throughout the Ages humanity has pursued the meaning of life However most of us live decidedly arbitrary lives muddling through from day to day In the Intentional Life Series Dr Ramesh Richard who has been called the layman s Ravi Zacharias articulates how a meaningful life must be a truly intentional life comprised of passion mission and vision He believes that in order for us to embody our true selves and become what we were designed to be we must reevaluate that passion mission and vision and conform them to God s will In *Soul Passion* Richard argues that even though many of us know there must be something more to life we stumble about with undirected goals and undiscovered passion He motivates readers to ask themselves what their passion is where they have placed their heart love trust and sufficiency Discovering your soul passion is the foundation for living a biblically well built and profitable life In *Soul Mission* Richard explores what it means to have a mission for your life that is in response to God s universal purpose Readers will find themselves deeply challenged to evaluate why they re here and find assistance with developing their own soul mission In *Soul Vision* Richard closes the trilogy by orienting his readers to the future through guidance from the Divine Visionary *Forthcoming Books* Rose Arny, 2001-06 **Books In Print 2004-2005** Ed Bowker Staff, Staff Bowker, Ed, 2004 Reclaiming Victory Jason R. Velotta, 2012-05 Today many believe the gospel is nothing more than the basics of Christianity the first of many steps toward a victorious life of joy The gospel of Christ is believed accepted and then laid aside as the believer searches for the abundant life Do you remember the joy you felt when Jesus first saved you from your sin Before you knew it ministry programs self help principles and moral mandates drew you away from the very gospel that first captivated you Since then you have struggled to recapture that victory for living Far too many believers experience this loss

of vitality in their spiritual lives In fact this decline is so common that many say a declining passion is to be expected as a Christian matures Even worse because of our inept view of the gospel many non believers disregard the Bible s evidences of salvation joining the millions of unfulfilled believers in a fruitless search for peace In *Reclaiming Victory Living The Gospel* author Jason R Velotta dispels the idea that salvation is just the doorway on the road toward victorious living With an informative yet captivating style *Reclaiming Victory* brings God s Word to the forefront showing that the gospel itself is the victorious Christian life Believers will find that the life of fulfillment is waiting at Calvary exactly where we left it Disregard the recovery mindset which has led to helplessness and apathy for the gospel is not just the door to salvation It is the source of the victorious Christian life Your Savior is waiting your fulfillment has always been in Him Victory is already yours
