Christiansen, 2024 The Rise of Rage is a narrative analysis of anger's place on the emotional spectrum and how our thoughts dictate actions and lead to outcomes in our lives Christiansen's aim is to assist readers seeking to understand and manage their emotions as they navigate everyday life

Returned to Rage Kisa Murrin, 2021-04-28 New mysteries unfold and new entanglements emerge because secrets always surface Olivia made her choice self sacrifice seemed to be the only option to spare those she cares about from the destruction that is her husband His veiled threats make her question if she'll ever see the golden tower that became so much more than her safehouse It's the place where her former life was sifted through where she learned the secrets of her past The place she learned to trust again and forged new friendships The golden tower that gave Olivia refuge has become Ian's prison He waits for a lead that will help him find her but each possibility turns to a dead end With each passing day new truths are revealed he finds his mother's past is intertwined with Olivia's in a web of deceit The key to finding her may be in the hands of a man that wronged them both

Released from Rage Kisa Murrin, 2021-09-17 With the threat of Greg still lingering Olivia's safety is absolute in the golden tower of the Lost Cities Within the walls new unions are forged through understanding and forgiveness The bonds of friendships are fortified in the hopes of the future And the love between Ian and Olivia is strengthened as new life grows When tragedy strikes Olivia is forced to go beyond those walls leaving the security they provide Greg takes advantage of the opportunity and makes his presence known She must face the inferno of his rage knowing the only way to be free is through the fire She'll have to burn before she can rise from the ashes
