Still Waters, White Waters Ron Fisher,1977 A look at America's rivers and lakes in words and pictures

Locations of the Sacred William Closson James,2006-01-01 Where do Canadians encounter religious meaning Not where they used to In ten lively and wide ranging essays William Closson James examines various derivations of the sacred in contemporary Canadian culture Most of the essays focus on the religious aspects of modern Canadian English fiction for example in essays on the fiction of Hugh MacLennan Morley Callaghan Margaret Atwood and Joy Kogawa But James also explores other non literary events and activities in which Canadians have found something transcendent or revelatory Each of the chapters in Locations of the Sacred can be read independently as a discrete analysis of its subject Taken as a whole the essays make up a powerful argument for a new way of looking at the religious in contemporary Canada not in the traditional ways of being religious but in activities and locations previously thought to be secular Thus the domains and modes of the religious are expanded not restricted

North American Exploration John Logan Allen,1997-01-01 The third volume of *North American Exploration* covering 1784 to 1914 charts a dramatic shift in the purpose priorities and results of the exploration of North America As the nineteenth century opened exploration was still fostered by the growth of empire but by the 1830s commercial interests came to drive most exploratory ventures particularly through the fur trade By midcentury however as imperial rivalries lessened and the fur trade declined exploration was driven by the growing scientific spirit of the age although the science was often conducted in the service of a search for railroad routes or natural resources linked to military concerns A clear transition took place as the spirit of the Enlightenment gave way to economic imperatives and to the science of the post Darwinian age and exploration passed beyond discovery and geographical definition This volume explores the resultant beginnings of an understanding of the continent and its native peoples *River Master: John Wesley Powell's Legendary Exploration of the Colorado River and Grand Canyon (American Grit)* Cecil Kuhne,2017-10-31 Experience John Wesley Powell s now famous expedition through the Grand Canyon In 1869 Civil War veteran and amputee Major John Powell led an expedition down the uncharted Colorado River through the then nameless Grand Canyon This is the story of what started as a geological survey but ended in danger chaos and blood The men were unexperienced and ill equipped and they faced unimaginable peril Along the way there was death mutiny and abject terror but Powell saw it through and produced a masterwork of adventure writing

still held in the highest regard by the boatmen who follow his course today Never before used primary sources and firsthand canyoneering experience combine to create an authentic and visceral account of Powell s historic journey Written by an accomplished river guide with experience navigating Powell s legendary course River Master brings to life one of America s iconic frontier stories *Exploration--British North America* John Palliser,Thomas Wright Blakiston,1860 Books in Print Supplement ,2002
