Meg Hunter-Kilmer

Stillness In Bethlehem:

A Stillness in Bethlehem Jane Haddam, 2013-03-05 A Christmas controversy turns deadly for a tiny New England village in a mystery that offers a sharp perspective on the nasty smugness of small towns The New York Times Bethlehem Vermont is a sleepy little town distinguished from the neighboring hamlets by its Christmas pageant The holiday spectacular dates back generations as the village s only tourist attraction it brings in much of the money that keeps Bethlehem afloat The festivities are held on publicly owned land which might be a slight violation of the separation of church and state but no one has ever complained until Tish Vereck comes to town Vereck is a true crime writer from New York and not long after she kicks up a fuss about the pageant she s shot dead in an apparent hunting accident Anyone in Bethlehem could have fired the fatal bullet and it s up to ex FBI investigator Gregor Demarkian to decide which Christmas obsessed villager is really a grinch in disguise Eyes Fixed on Jesus, Vol. 1 Meg Hunter-Kilmer, 2025-08-01 Whether we realize it or not many of us who attempt

to follow Jesus perceive him as distant and uninterested We tune out the Gospel stories we ve heard so many times because we think we know them already and understand the message they teach God is friendly and he likes us okay We may confess our belief in God the Son but we ve taken our eyes off Jesus Meg Hunter Kilmer helps you see Jesus anew by taking you through his life as told in the gospels breaking open the familiar and shedding light on the foreign so that you can see the face of Jesus in the pages of Scripture and learn to love him more in his word Eyes Fixed on Jesus provides biblical context that makes sense of Jesus actions cultural tidbits that shed new light on old stories and connections between the New Testament s miracles and parables and the centuries of revelation found in the Old Testament This first volume in a three part series begins with the Incarnation and runs through Jesus sending out his disciples on mission This book also includes a study guide to be used for individual or group Bible study

While Mortals Sleep Robert D. Flanagan, 2025-06-05 America s nineteenth century preachers and religious leaders moved public sentiment and shaped the nation s moral character Equally influencing events were America s preachers and religious leaders who moved public sentiment and shaped the nation s moral character In that class of great religious figures is the Episcopal preacher and bishop Phillips Brooks The Boston Brahmin and Harvard University graduate rose to heights as an anti slavery clergyman and indefatigable pastor to congregations in Philadelphia and Boston Yet his many achievements must be balanced against his youthful arrogance and his shrewdness This book examines the spiritual and moral character of Phillips Brooks 1835 1893 as evidenced through his life and ministry The volume s eight essays recognize the most recent academic contribution by Gillis J Harp Brahmin Prophet Phillips Brooks and the Path of Liberal Protestantism 2003 but move beyond it in several crucial ways This new work seeks to reevaluate Brooks considering the early twenty first century social and racial conflicts and subsequent cultural soul searching The contributors portray Brooks as a man filled at times with hubris classism and prejudices and at other times with creative passion and pastoral concern for all peoples While Mortals Sleep focuses less on the external influences upon

Brooks and more on his actions and works within his historical context The essays seek to show his legacy in a present day light illustrating Brooks at his best and worst **The Surprising Imagination of C. S. Lewis** Jerry Root, Mark Neal, Root, 2015-09-01 Narnia Perelandra places of wonder and longing The White Witch Screwtape personifications of evil Aslan a portrait of the divine Like Turkish Delight some of C S Lewis s writing surprises and whets our appetite for more But some of his works bite and nip at our heels What enabled C S Lewis to create such vivid characters and compelling plots Perhaps it was simply that C S Lewis had an unsurpassed imagination Or perhaps he had a knack for finding the right metaphor or analogy that awakened readers imaginations in new ways But whatever his gifts no one can deny that C S Lewis had a remarkable career producing many books in eighteen different literary genres including apologetics autobiography educational philosophy fairy stories science fiction and literary criticism And while he had and still has critics Lewis works continue to find devoted readers The purpose of this book is to introduce C S Lewis through the prism of imagination For Lewis imagination is both a means and an end And because he used his own imagination well and often he is a practiced guide for those of us who desire to reach beyond our grasp Each chapter highlights Lewis s major works and then shows how Lewis uses imagination to captivate readers While many have read books by C S Lewis not many readers understand his power to give new slants on the things we think we know More than a genius Lewis disciplined his imagination harnessing its creativity in service of helping others believe more deeply Truly fresh rhetorically astute works about C S Lewis are rare but this provocative new volume by Jerry Root and Mark Neal emerges at just the right time to reinvigorate Lewis scholarship beyond the clichés we continue to repeat to each other The Surprising Imagination of C S Lewis delivers just that salvo an ingenious empathetic lavishly informed elucidation of Lewis s understanding of the life of the imagination Bruce L Edwards Professor Emeritus of English and Africana Studies Bowling Green State University Bowling Green OH Our grasp of imagination is such a pale and paltry thing Neal and Root offer a much needed corrective by illustrating Lewis s robust use of the word The happy result is a more accurate and nuanced reading of Lewis But there is more through their careful work we are graced with a rich new vocabulary to discern and describe the many uses of creative imagination all around us Diana Pavlac Glyer Professor of English at Azusa Pacific University Azusa CA author of The Company They Keep C S Lewis and J R R Tolkien as Writers in Community This fabulous book on Lewis s imagination will delight readers new to Lewis and those who like the authors have been reading him for decades It shimmers with the joy of exploration and discovery The Surprising Imagination of C S Lewis is a reliable and inspiring guide not only to Lewis but to a treasure trove of imaginative books that fired Lewis s own imagination In Robert Frost s delightful phrase this book is the occasion for a fresh think Wayne Martindale Emeritus Professor of English Wheaton College Wheaton IL Jerry Root and Mark Neal make excellent use of Lewis s literary criticism of other authors to show how he employed different varieties of imagination in his own works The result is a good book about Lewis and an even better one on the capacity of imagination to enrich each of our lives every day
