Teaching Hospitals And The Urban Poor:

Teaching Hospitals and the Urban Poor Eli Ginzberg, 2008-10-01 Academic health centers AHCs have played a key role in propelling the United States to world leadership in technological advances in medicine At the same time however many of these urban based hospitals have largely ignored the medical care of their poor neighbors Now one of the leading experts in American health policy and economics ponders whether current and proposed changes in the financing and delivery of medical care will result in a realignment between AHCs and the poor Basing his discussion on an analysis of the nation s twenty five leading research oriented health centers Eli Ginzberg and his associates trace the history of AHCs in the twentieth century He claims that AHCs are once again moving toward treating the poor because these hospitals need to admit more Medicaid patients to fill their empty beds and their medical students need opportunities to practice in ambulatory sites He also assesses some of the more important trends that may challenge the AHCs including financial concerns changing medical practice environments and the likelihood of some form of universal health insurance Eli Ginzberg is director of The Eisenhower Center for Conservation of Human Resources Columbia University He has been a consultant to nine U S presidents and chaired the National Commission for Employment Policy for six presidents He is the author of numerous books as well as articles on health affairs in the New England Journal of Medicine the Journal of the American Medical Association and many other journals

On Medicine as Colonialism Michael Fine, 2023-02-14 In this strident necessary meticulously researched book Michael Fine shows how the Covid 19 pandemic has thrown the costly failure of the American health care system into bold relief At over 850 000 deaths and climbing the US had more deaths than any other nation in the world and one of the highest per capita death rates On Medicine as Colonialism shows how the American health care system cannibalizes communities in the US and around the world Focusing on how health care profiteers use state s power and control of health care purchasing to extract resources from communities On Medicine as Colonialism reveals how medicine and health care have become not only antithetical to health but tools of colonialism that are being used to deconstruct democracy itself

Being Ethical: Classic and New Voices on Contemporary Issues Shari Collins, Bertha Alvarez Manninen, Jacqueline M. Gately, Eric Comerford, 2016-12-19 This anthology takes a broad approach to ethics incorporating traditional topics and texts while bringing in voices and themes that are too often excluded A substantial section on ethical theory is provided as are readings on topics such as oppression sex identity the environment life and death war and terror and caring for others Accessible introductions and discussion questions are included throughout to contextualize material for the student reader without playing favorites among the positions at issue

Health Care for the Urban Poor Edith M. Davis, Michael L. Millman, 1983

Segregation, Poverty, and Mortality in Urban African Americans Anthony P.

Polednak, 1997 This book brings together the results of several studies examining mortality rates for African Americans in selected U S urban areas in relation to both social class and the degree of black white residential segregation
