Teaching Ideas For The Communication Course:

Teaching Ideas for the Basic Communication Course Barbara S. Hugenberg, 2000-10-27 *Teaching Ideas for the Basic Communication Course* Hugenberg, 1998-09 *Activities for Teaching Gender and Sexuality in the University Classroom* Michael Murphy, Elizabeth Ribarsky, 2013-04-26 *Activities for Teaching Gender and Sexuality in the University Classroom* is the first interdisciplinary collection of activities devoted entirely to teaching about gender and sexuality. It offers both new and seasoned instructors a range of exciting exercises that can be immediately adapted for their own classes at various levels and across a range of disciplines. Activities are self-contained, classroom-tested, and edited for ease of use and potential to remain current. Each activity is thoroughly described with a comprehensive rationale that allows even those unfamiliar with the material concepts to quickly understand and access the material, learning objectives, required time and materials, directions for facilitation, debriefing questions, cautionary advice, and other applications. For the reader's benefit, each activity is briefly summarized in the table of contents and organized according to themes common to most social science classrooms: Work, Media, Sexuality, Body, etc. Many activities also include handouts that can be photocopied and used immediately in the classroom. *Activities for Teaching Gender and Sexuality in the University Classroom* will be the standard desk reference on this topic for years to come and will be indispensable to those who regularly teach on these topics.

Together, the selected studies showcase how, in the shadow of the Pandemic, newer configurations in developing Asian and South East Asian countries have complicated collaboration in teaching and research, and how these contrast with practices in Australia. In particular, the studies highlight the need for both cultural and pedagogical adaptations in practitioners' engagement with both policy and pedagogy.
