Teaching Through Texts Promoting Literacy Through Popular And Literary Texts In The Primary Classroom:

Teaching Through Texts Holly Anderson, Morag Styles, 2002-02-07 Drawing on many popular and literary texts the contributors to this book write with enthusiasm about opportunities for creative teaching and learning and provide many examples of good practice both inside and outside the Literacy Hour *Handbook of Research on Teaching Literacy Through the Communicative and Visual Arts, Volume II* James Flood, Shirley Brice Heath, Diane Lapp, 2015-04-22 The Handbook of Research on Teaching Literacy Through the Communicative and Visual Arts Volume II brings together state of the art research and practice on the evolving view of literacy as encompassing not only reading writing speaking and listening but also the multiple ways through which learners gain access to knowledge and skills It forefronts as central to literacy education the visual communicative and performative arts and the extent to which all of the technologies that have vastly expanded the meanings and uses of literacy originate and evolve through the skills and interests of the young A project of the International Reading Association published and distributed by Routledge Taylor Francis Visit <http://www.reading.org> for more information about International Reading Association books membership and other services [Teaching Through Texts](#) Holly Anderson, Morag Styles, 2002-02-07 Drawing on many popular and literary texts the contributors to this book write with enthusiasm about opportunities for creative teaching and learning and provide many examples of good practice both inside and outside the Literacy Hour [Graphic Novels and Comics in the Classroom](#) Carrye Kay Syma, Robert G. Weiner, 2013-06-24 Sequential art combines the visual and the narrative in a way that readers have to interpret the images with the writing Comics make a good fit with education because students are using a format that provides active engagement This collection of essays is a wide ranging look at current practices using comics and graphic novels in educational settings from elementary schools through college The contributors cover history gender the use of specific graphic novels practical application and educational theory Instructors considering this book for use in a course may request an examination copy here **Our Mythical Childhood... The Classics and Literature for Children and Young Adults**, 2016-11-01 In The Classics and Children's Literature between West and East a team of contributors from different continents offers a survey of the reception of Classical Antiquity in children's and young adults literature by applying regional perspectives **Home and School Use of Mother Goose** Danijela Prošić-Santovac, 2009 **Words, Worlds, Narratives: Transmedia and Immersion** Tawnya Ravy, Eric Forcier, 2019-01-04 Words Worlds and Narratives Transmedia and Immersion offers an interdisciplinary discussion of the way in which narrative is transmitted transformed and translated through the wide variety of technologies and media platforms available in the 21st century This volume critically engages with the field of transmedia studies and addresses the significance of media to narrative and authorship to immersion What emerges is a unique look at collaborative scholarship and storytelling which is both disruptive and immersive Using a diverse archive of narrative forms including video games fan fiction film adaptation and social media the chapters in this volume explore the narratological

social political and economic implications of transmedia narrative in the public and private spaces of the digital and the immersive media communities

Children Reading Picturebooks Evelyn Arizpe, Morag Styles, 2015-11-27 Children Reading Pictures has made a huge impact on teachers scholars and students all over the world The original edition of this book described the fascinating range of children s responses to contemporary picturebooks which proved that they are sophisticated readers of visual texts and are able to make sense of complex images on literal visual and metaphorical levels Through this research the authors found that children are able to understand different viewpoints analyse moods messages and emotions and articulate personal responses to picture books even when they struggle with the written word The study of picturebooks and children s responses to them has increased dramatically in the 12 years since the first edition was published Fully revised with a review of the most recent theories and critical work related to picturebooks and meaning making this new edition demonstrates how vital visual literacy is to children s understanding and development The second edition Includes three new case studies that address social issues special needs and metafiction Summarises key finding from research with culturally diverse children Draws upon new research on response to digital picturebooks Provides guidelines for those contemplating research on response to picturebooks This book is essential reading for undergraduate and postgraduate students of children s literature as well as providing important reading for Primary and Early Years teachers literacy co ordinators and all those interested in picturebooks
