Tearjerker Daniel Hayes, 2004-10 After failing as a writer Evan Ulmer kidnaps a famous editor and imprisons him in a basement where he shares his frustrations with his captive while a tabloid style explanation for the disappearance plays out on the television screen nearby

My Life with Bob Pamela Paul, 2018-05 Imagine keeping a record of every book you ever read What would those titles say about you With humor and warmth the editor of The New York Times Book Review shares the stories that have shaped her life For twenty eight years Pamela Paul has been keeping a diary that records the books she reads rather than the life she leads Or does it Over time it s become clear that this Book of Books or Bob as she calls him tells a much bigger story For Paul as for many readers books reflect her inner life her fantasies and hopes her dreams and ideas And her life in turn influences which books she chooses whether for solace or escape diversion or self reflection information or entertainment My Life with Bob isn t about what s in those books it s about the relationship between books and readers Bob was with her when she struggled to get through the Norton Anthology of English Literature in college and when she read Anna Karenina while living abroad alone He was there when she fell in love and much needed when she sought solace in self help and memoirs like Autobiography of a Face Through marriage and divorce remarriage The Master and Margarita and parenthood The Hunger Games professional setbacks and successes Bob recorded what she read while all that happened The diary now coffee stained and frayed is the record of a lifelong love affair with books and has come to mean more to her than any other material possession My Life with Bob is a testament to the power of books to provide the perspective courage companionship and ultimately self knowledge to forge our own path

Lost Leaves Rebecca L. Copeland, 2000-06-01 Most Japanese literary historians have suggested that the Meiji Period 1868 1912 was devoid of women writers but for the brilliant exception of Higuchi Ichiyo 1872 1896 Rebecca Copeland challenges this claim by examining in detail the lives and literary careers of three of Ichiyo s peers each representative of the diversity and ingenuity of the period Miyake Kaho 1868 1944 Wakamatsu Shizuko 1864 1896 and Shimizu Shikin 1868 1933 In a carefully researched introduction Copeland establishes the context for the development of female literary expression She follows this with chapters on each of the women under consideration Miyake Kaho often regarded as the first woman writer of modern Japan offers readers a vision of the female vitality that is often overlooked when discussing the Meiji era Wakamatsu Shizuko the most prominent female translator of her time had a direct impact on the development of a modern written language for Japanese prose fiction Shimizu Shikin reminds readers of the struggle women endured in their efforts to balance their creative interests with their social roles Interspersed throughout are excerpts from works under discussion most never before translated offering an invaluable

window into this forgotten world of women s writing
