

Poesía · Teatro

Prosa

Jovellanos es habitualmente considerado como la figura más representativa de nuestra Ilustración. Desde luego, no hay entre nosotros ningún otro pensador que represente tan eminente y lúcidamente el espíritu de ese movimiento. La razón de las discrepancias que existieron hasta el primer tercio del siglo XX acerca de la obra y la significación de Jovellanos hay que ir a buscarlas en los conflictos mismos que zarandearon su vida, que le llevaron desde los más altos cargos de la política y de la cultura hasta el encarcelamiento y la más ignominiosa de las persecuciones. Son conflictos que saltarán las barreras de la política normal para estallar en el enfrentamiento bélico de 1808 y la trágica división de España entre liberales y tradicionalistas, afrancesados y casticistas. En ese trágico choque, Jovellanos fue el hombre ecuaníme que supo recoger las razones de unos y otros para armonizarlas en una unidad superior.
